Class Poem

The days of May are over
And summer has begun,
For the class of six and twenty
Her high school days are done.

The town shall share our glory
And the country far and wide
Shall know that we have done our best,
In keeping up the stride.

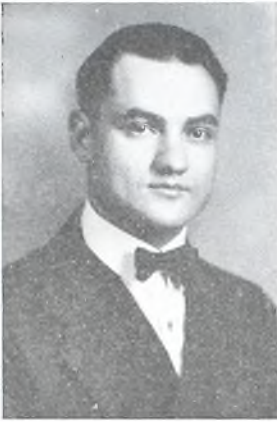

Four years we've held together,
In sunshine and in rain,
Four years we've done our very best
In classroom and in game.

But now our high school days are over
With our life work to begin,
Let us not forget each other
When we are in the worldly din.

HARVEY McCARTNEY

"MAC"

Baseball 4; Commencement Play.

"A little nonsense now and then
Is relished by the best o' men."

Harvey doesn't let his work interfere with having a good time. His motto is "All work and no play makes Harvey a dull boy."

ELLEN LIRGG

Girl Reserves 4; French Club 4; Honor Club 4.

"To be content with what we possess is the greatest and most secure of riches."

We never hear much from Ellen. She is a good student and therefore has no time for foolishness. Anything but an E is a stranger on her card.

No task is too much for Wilbur. He is one of the few who will not forsake his work for pleasures.

WALTER BURKHART

Commencement Play.

"He does whatever he can
To prove he is a coming man."

We have all made a mistake by not getting better acquainted with Walter during the four years that we could for our chance is practically over. Don't suppose he isn't thinking because he doesn't say anything.

Harriet Hoot came to us from Bowling Green two years ago. She is a friend of all. A shark in her studies, although she does love to laugh and giggle.

RAYMOND RICE

Commencement Play.

"I speak when it is necessary."

Raymond is not much of a lady fusser but he has a beaming smile for all. He thinks enough of his studies and N. P. H. S. to come in from the farm every day.

WALTER LEMBRIGHT

"RED TOP"

"So much to do and so little a man to do it."

Walter has been with us for only a short time. He has been so quiet since his arrival in N. P. H. S. that we can't find out much about him. We give him a hearty welcome anyhow.

"Tommy" has her habit of viewing things cheerfully. Yes, we all feel comfortable with Gwendolyn. Her smile is always ready and unfailing.

FREDA McMULLEN

Freda has not been with us very long so we have not learned to know her very well. We are mighty glad that she joined the class of '26 and we hope that she has a bright future.

GLADYS SHAFFER

Literary Society 2, 3, 4; Girl Reserves 1, 2, 3, 4.

She does whatever she possibly can."

Although Myrtle hasn't been with us very long, the above is our opinion of her.

How could the class of '26 graduate without "Chuck?" We would feel like the bald headed man without his wig. He is unlike the wig, however, because he is not false but has been a true helper to our class.

Girl Reserves 2, 3, 4; Latin Club 2, 3, 4; Literary Society 4; Exhaust Staff 4; Social Com. 3; Class Sec.-Treas. 4; Finance Com. 4; Glee Club 3, 4; Mixed Chorus 2; Class Play 3.

MILDRED MEREDITH

"It is well to think well; it is divine to act well."

Mildred is one of our Southside girls. We are mighty glad that the Southside does not have a High School because Mildred would not get to come to our High School.

Commencement Play.

"Undisturbed he pursues the quiet tenor of his way."

Quiet people usually pass by unnoticed but we predict that Roy will make a good business man.

WILBERT LADRACH

Football 4; Hi-Y 3, 4; Scientific Club 4; Commencement Play.

And he's nearly through and going strong."

"If quietness indicates wisdom
He would be a library."

Even if Floyd is quiet, he likes school and all it brings to him. He is a good student, a fine fellow and a loyal worker for N. P. H. S.

MARY GRAY

Girl Reserves 1, 2, 3, 4; Hot Dog Com. 4;
Commencement Play.

"Kindness is the soul's sunshine."

No one hesitates to ask a favor of Mary because he knows she is kind and will do all she can to help a person.

LLOYD LIGHTEL

Commencement Play.

"Labor conquers all things."

Lloyd is very quiet and if you did not find his name in the class roll you might not know that he is in school. He has not advertised his qualities very prominently but he is there with the goods just the same.

ROBERT ANDERSON

"BOB"

Latin Club 2, 3; Finance Com. 3; Mixed Chorus 3; Treas. Latin Club 2.

"I am not lazy but I hate to work."

"Bob" doesn't believe in the reckless expenditure of energy but he can work if he wants to. He always is willing to help us and we couldn't do without him.

ROSS VASBINDER

"Why vex our souls with care?"

He is a good student—when he studies. His main idea is to defeat the teachers with the least possible effort.

MARGARET LOHMAN

"PEG"

Literary Society; Glee Club 1, 2, 3, 4; Girl Reserves 3, 4; Latin Club 3, 4; French Club 4; Exhaust Staff, Exchange Editor.

"Rather fond in having her way
But a thorough student in every way."

"Peg" has just been with us for two years, and she never says whether she likes N. P. H. S. better than Steubenville H. S. Well, even if we are not sure that she likes us, we like her.

CLAUDE McMATH

"NIGER"

Cheer Leader 2, 3; Baseball 3.

"Greater men than I have lived
But they are all dead."

"Niger" could make any class interesting but we know that he liked to lead cheers better than anything else.

JACK BRYAN

"AMISH"

Art Editor 3; Delphian Cartoon Editor 4; Exhaust Staff 4; Commencement Play.

"This man's true merit is not hard to find."

Jack is our cartoonist. Without him N. P. H. S. would miss many a laugh. If you want someone to draw a picture for you just page Jack.

JUNE GLAZIER

"JUNIE"

Girl Reserves 2, 3, 4; G. R. Service Com. Chairman 4; French Club 3; Latin Club 2, 3, 4; Exhaust Staff 4; Social Com. 2, 4; Class Historian 3; Glee Club 4; Mixed Chorus 1, 2; Honor Club; Commencement Play.

"Women will love her because she is a lady."

June is always willing to help everyone. She is a true blue girl.

GUY REYMOND

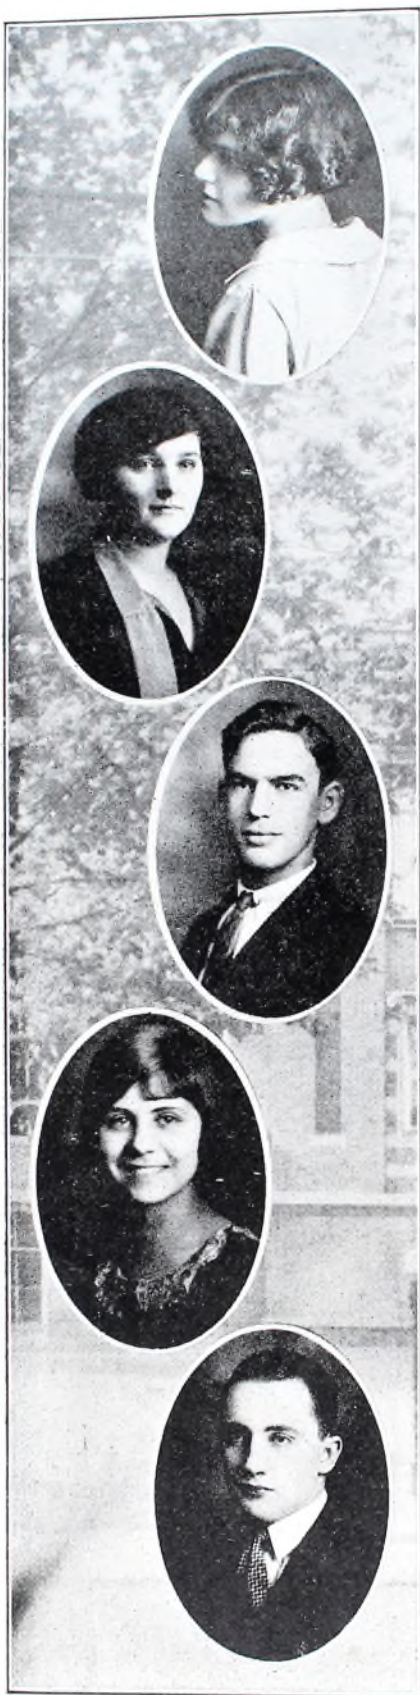

"GUY"

Honor Club.

"Better be small and shine,
Than to be tall and cast a shadow."

Guy is small but very efficient. He has been with us only one year but he belongs to the Honor Club and that shows his ability.

HAZEL RANDALL

"RANDY"

Girl Reserves 2, 3, 4.

"None but herself can be her parallel."

Hazel is one of our tall girls. Her thoughts and eyes are always directed toward Uhrichsville. We wonder why?

GERTRUDE PHILLIPS

"GERT"

Basketball 1, 2, 3, 4.

"A jolly good nature beams forth in her smile."

"Gert" is a fine guard on the basketball team. She is always doing her duty at the right time and has shown good spirit in all of her games. When "Gert" gets the ball, everyone else might as well give up all hope.

LAVERN WELLS

"SUNNY JIM"

"BRINKIE"

Hi-Y 3, 4; Physics Lab (Ass't) 4; Class Play 3; G. R. & Hi-Y Play 4; Class Play 4; Scientific Club Pres. 4; Exhaust Staff, Business Manager 4; Commencement Play.

"Life is not so short but there is always time for courtesy."

Lavern's good humor and cheerfulness are so contagious that he is popular everywhere he goes. He is never too busy to have a kind word or to say "Hello" to everyone he meets.

ANNA ROTH

"ANN"

Girl Reserves 1, 2, 3, 4; Latin Club 3, 4; Sec. 4; French Club 3, 4; Literary Society 2; Exhaust Staff 4; Honor Club; Commencement Play.

DONALD BEABER

"DON"

Commencement Play.

"He does whatever he can,
To prove he is a coming man."

Don is a good fellow and his quiet nature makes him interesting. We have not yet found his talents but we are quite sure that he has many of them.

ROBERT SCOTT

"BOB"

Social Com. 1, 2, 3; Class Pres. 2; Vice Pres. 4; Latin Club 2; Sec. 2; Hi-Y Club 2, 3, 4; Chair. Social Com.; Debate Team 3; Literary Society 3, 4; Officer 3, 4; Ass't Bus. Mgr. of Delphian 3; Business Mgr. 4; Class Play 3, 4; Hi-Y G. R. Play 3; Mixed Chorus 3, 4; Boys' Glee Club 4; Football 4; Class Ring Com.; Vice Pres. Hi-Y; Honor Club; Commencement Play.

"I'll be merry and free."

Bob had better be merry carrying such a load on his shoulders as the above record; his vocabulary consisting of 1,000 words is his heaviest burden.

LUCILLE MARTIN

"SHORTY"

Latin Club 2, 3, 4; French Club 4; Girl Reserves 1, 2, 3, 4; Membership Com. of G. R. 3; Mixed Chorus 1, 4; Girls' Glee Club 4.

"High class goods comes in small packages."

"Shorty" is one of our little girls. Although little, she's mighty.

KENNETH SHAWVER

"KENNY"

Hi-Y 4.

"I am for peace and quiet, I am."

That exactly describes Kenneth. His best friends say he is not so quiet out of school but we can hardly believe it because he never makes any noise in school.

MARY WEBSTER

Glee Club 1; Mixed Chorus 1; Junior Class Play; Senior Class Play.

"Always jolly, ready for fun,
Her admirers are easily won."

Mary's dramatic ability has been her outstanding feature in her high school career. Perhaps Mary will tell us how she wins admirers so easily.

DAVID LIMBACH

"DAVE"

Hi-Y 2, 3, 4; Orchestra 1, 2, 3, 4; Debate Team 2, 4; Literary Society 2; Mixed Cho. 2, 3; Boys' Glee Club 4; Class Play 3; Commencement Music.

"He will find a path or make one."

Dave is constantly striving for success in one thing and that is music and he is attaining it.

WILLIAM SWEANY

"BILL"

Class Play 3, 4; Finance Com. 4; Chemistry Lab. Assistant; Scientific Club 4; Honor Club; Commencement Play.

"Of friends he has many,
Of foes has he any?"

"Bill" holds up the scholastic end. He is not much for the girls and for that reason he always has his mind on his lessons.

GRACE RIGGLE

"And I oft have heard defended
Little said is soonest mended."

Grace thinks silence is golden. She never has much to say but she always has a friendly smile for everyone.

MARTHA ENGLISH

"JIMMIE"

Girl Reserves 1, 2, 3; Debating Club 2, 3; Mixed Chorus 2; Latin Club 3; Financial Com. 3.

"Truth needs no flower of speech."

Martha is the kind of a girl that is hard to describe but nevertheless she is a credit to our class.

ROLAND HUMMELL

Track 2, 3.

"By diligence he wins his way."

He is a man who is going to startle us all some day when he gets down to real serious work. Good luck to you.

NELLIE GREENE

"SODIE"

Mixed Chorus 1; Girl Reserves 1; Class Play 3; Hot Dog Com. 4.

"Her cheery smile greets you all the way."

Nellies has a pleasant smile for everyone she meets. She made her debut as "Sodie" in "Ruth in a Rush."

LUCILLE RUEFLY

"LUCY"

Social Com. 1; Glee Club 1, 2, 3; Senior Play.

"Between laughing and talking her day is full."

Lucille is one of our small girls who likes to laugh and talk.

RICHARD SHANLEY

"DICK"

Mixed Chorus 3, 4; President 3, 4; Boys' Glee Club 4; President 4; French Club 4; Pres. 4; Senior Play 4; Social Com. 1; Exhaust Sport Editor 4.

"Great men are dying and I don't feel very well myself."

"Dick" ranks high both as to quality and quantity in more ways than one. Everyone knows "Dick" and he is a favorite of his class and outsiders, too.

DOROTHY LILE

"DOT"

Girl Reserves 2, 3, 4; Debate Club 2; Social Com. 2; Girl Reserve Play 2; Class Play 3; Latin Club; Scientific Club; Finance Com.; Glee Club 4; Exhaust Staff; Service Com. 4; Honor Club; Commencement Play.

"A contented spirit of existence."

"Dot" is another of our "E" students. The most distinctive thing about "Dot" is her beautiful hair and her cheery smile.

LAVERN GROFF

"BUCH"

"Up! Up! My friends and quit your book,
Why all this toil and trouble?"

Lavern is considered the sheik of the Senior Class. He gets along better with the girls than he does with his studies.

LAURA URFER

"LOLL"

Mixed Chorus; Glee Club 4; Latin Club 2, 3, 4; Girl Reserves 1, 2, 3, 4.

"I am all the daughters of my house
And all the brothers, too."

"A variety of admirers puts spice into life."

"Peg" is one of our popular girls in both activities and in social life. We wonder if "Peg" won her admirers by debating.

FRANK LAFFERTY

"FINNY"

Track 3, 4; Captain 4; Football 4; Basketball 4; Vice Pres. 3; Social Com. 2.

I came, I saw, I overcame
Such joy ambition find."

A darting reckless chap who would rather spend his time with the fairer sex. In fact he ranks as one of our "Sheiks."

FLETCHER DOUTHITT

"Not girls but grades have been his aim."

Fletcher has been with us only a short time, but we know that he doesn't shirk his studies for no teacher has ever found him unresponsive.

JOHN WEBSTER

"KIKE"

Social Com. 1, 2; Class Play 3; Mixed Chorus, 4, 5; Class Play 4.

"There is music in the man."

"Johnny" comes to school every once in a while and he thinks a lot about it even when he doesn't come. We all know he is a good sport anyway.

JOHN DONAHEY

Commencement Play.

"I am not in the roll of common men."

The class of '26 is very proud to have the Governor's son graduate in our class. We only hope he is a chip off the old block and that he himself will become governor some day.

CLYDE VOSHALL

Commencement Play.

"What this man does is always right."

However, Clyde doesn't remain silent in the class room. He has gained the reputation of being a good student.

Senior Will

IT was a warm spring day in April. On the main street of New Philadelphia, there was a small crowd of noisy students crowded around a door leading up some stairs over which hung a small sign reading, "Cletus Fisher, Attorney-at Law."

There was a sudden silence and a man stood at the head of the stairs. He held an important looking document in his hand. As soon as he saw the crowd, he slowly opened the paper and said: "Ladies and Gentlemen, I shall read you the will of the almost expired class of 1926 and if it meets your approval, the gifts shall be distributed immediately. Thereupon, he read the following:

We, the members of the class of 1926, having derived all the benefits possible from our school days and being sick of hot dogs and H²S gas, do hereby present, give and turnover the following accomplishments and other paraphernalia, which we have acquired in the preceding four years, to the following students:

Firstly, to Edgar Ehrhart we present Robert Scott's vocabulary with which we hope that he may be able to express himself in more expressive, effective euphisms.

Secondly, to Helen Kaser we present Leah Fribley's height.

Thirdly, to Betty McCreary we leave Mary Hurst's quiet, unobtrusive ways and also her benign expression.

Fourthly, to Madge Albaugh we present Helen Early's gift of talking.

Fifthly, to the Junior class we present the Library. May many exploring hands get stuck in chewing gum.

Sixthly, to Mae Stahl we leave her sister's good looks.

Seventhly, to Marjorie Rice, Sara Jones, Maurine Simpson and Erva Brown, Margaret Burnside's "Daily Dozen."

Eighthly, to Dean Smith we leave LaVerne Groff's eyes, hair, winsome ways and curling iron.

Ninthly, to Tommy Edwards we leave a corner to put his legs and feet in every room including Mr. Findley's office.

Tenthly, to Charles Olmstead we leave Richard Shanley's stature.

Eleventhly, to Bryce Downes and James Warner, Laverne Wells' and Bob Scott's marcel.

Twelfthly, to Mary Mercer and other non-bobbed flappers, the bobs of Esther Stone and Lucille Ruefly.

Thirteenthly, to the waste paper basket, (where it belongs) Lucille Sable's chewing gum.

Fourteenthly, to next year's Seniors our ability to pass the American History test. We wish you success. You need our sympathy.

Fifteenthly, to Carl Meiser the grades of Olin Royer.

Sixteenthly, to Wilmer Maloney the pranks of John Webster.

Seventeenthly, to Helen Shriver the giggles of Evelyn Horger.

Lastly, to the future American History classes we leave Mr. Kaylor, who addresses us in such simple, direct words.

To the whole Junior class we leave our dear Miss Helmick.

On this first day of March, 1926, we do hereby affix our seal of approval.

To A Freshman

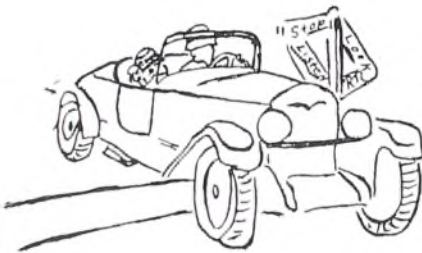

He tries and tries and tries again,
And tries and tries with might and main,
And tries and tries our little man,
To do as little as he can.

To A Sophomore

My head is empty,
My thoughts are bare,
My brains have gone,

To A Junior

A Junior stood on a railroad track
The train was coming fast.
The train got off the railroad track
To let the Junior pass.

To A Senior

Foreword

NEW PHILADELPHIA High School has always held a high place in inter-scholastic athletic circles. Some of our achievements have been to run up the largest score ever made in an Ohio high school foot-ball game and to win the state basket ball championship. Ever since the district tournament has been held at New Concord our centers have been chosen as all tourney center, and we usually land another player on the mythical team. Athletics have always played an important part in our high school life and they are strongly backed by the town. Some Ohio Conference colleges look to N. P. H. S. to furnish their different teams.

There is an opportunity for every student in the high school to compete in some athletic contest. Football, basketball, baseball, and track are counted as the inter-scholastic sports. They furnish places for a great many. Then there are inter-class games which call for many more, and finally gym classes, that offer every student in the high school one period a week of physical recreation.

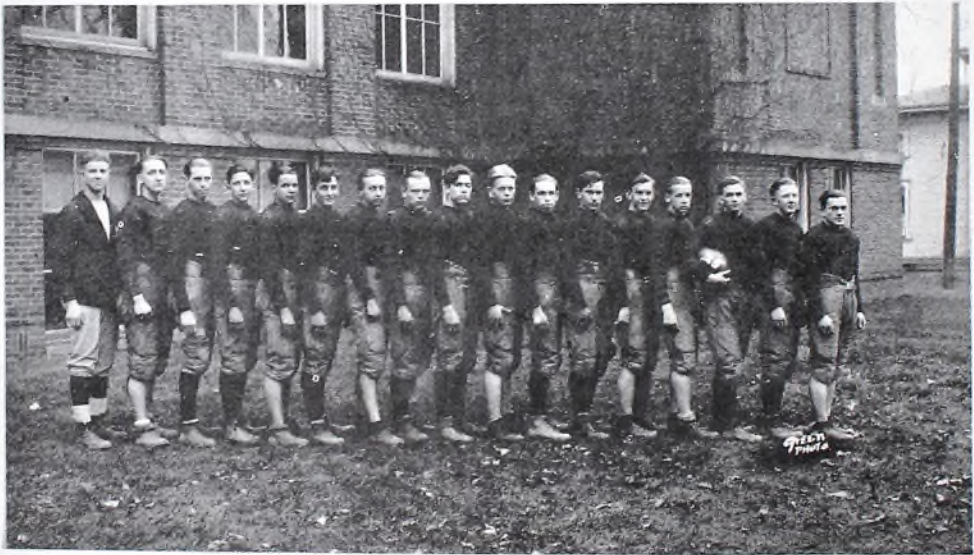

Football is perhaps the major sport. It is the oldest sport in the high school, and the one in which we turn out the best teams. The town and student body are behind football to the last man. Players who have graduated from N. P. H. S. have made names for themselves in college football.

Basketball comes next in importance and age. Although our gymnasium is not large enough to accommodate the crowds, basketball is very popular. The teams are always good, and our competitors are always worthy enough to insure a good game. Every one is looking forward to the completion of the new high school building with its commodious gymnasium. The new gymnasium will not only give an impetus to basketball by accommodating larger crowds, but it will also keep all the athletic activities of the school, making athletics even more popular than before.

Perhaps baseball had better be listed next as it has had more consecutive years than track. Our baseball teams have always been the best in the county. It is a comparatively new sport in the high school and very few teams outside of the county are played. In a few years it will broaden and we will be known throughout the state by our baseball teams as well as our football and basketball teams.

In former years track was the most important sport. However, it was discontinued until three years ago when "Curly" Stiffler who was coach at that time installed it. We have held meets with some of the big schools of Ohio, Pennsylvania and West Virginia, and have placed in the meets. We hope that track will soon build for itself the reputation it held a few years ago.

New Philadelphia High School has always been noted for its clean athletics. This is one of the most enviable reputations which a high school can hold. The interests of the school and of the community demand that this reputation be maintained.

Record of Games

Toronto 0 SATURDAY, SEPT. 19 N. P. H. S. 9

Seldom has the Red and Black been called upon for so crucial a test as this game but we came through with colors flying. Mathias scores a touchdown.

Barberton 0 SATURDAY, SEPT. 26 N. P. H. S. 19

We register in the final half after tiring opponents. This was our second victory of the season. Meiser, Winspeare and Gilgen do the scoring.

East Liverpool 0 SATURDAY, OCT. 3 N. P. H. S. 20

This was an exceptionally clean game. Our defensive work was much better and our offensive showed more drive than it has in any game of the season. Haney, Smith and Cale do the scoring.

Ashland 6 SATURDAY, OCT. 10 N. P. H. S. 61

Their coach took his first team out when they were completely taken off their feet and out played in every department of the game. Everybody scores.

Wooster 0 SATURDAY, OCT. 17 N. P. H. S. 12

A terrible game. The fact that we won was the only bright spot. Enold and Smith do the scoring.

Adena 7 SATURDAY, OCT. 24 N. P. H. S. 6

Our husky visitors showed unexpected strength. The playing field could have been used just as well for a boat race as for a football game. Winspeare scores our only touchdown.

Akron East 0 SATURDAY, OCT. 31 N. P. H. S. 12

Akron East was reported to be one of the best teams in Akron. Akron never threatened us but they were always on the defensive. Enold and Maloney do the scoring.

Massillon 6 SATURDAY, NOV. 7 N. P. H. S. 0

The mud was ankle deep and the two days' rain continued throughout the game. We outplayed them for three quarters. Smith's punting was a feature of the game. They scored six minutes after the fourth-quarter started.

Alumni 2 SATURDAY, NOV. 14 N. P. H. S. 0

The Alumni uncorked their old time punch and held us. It was without a doubt the greatest array of former high school stars ever assembled at one time. Everybody played well.

Dover 6 THANKSGIVING N. P. H. S. 14

Dover was outclassed in every department of the game; they failed to make a single first down. Ladrach scores both touchdowns.

D. O. FULLER

COACH

Coach's first year at N. P. H. S. proved a success. In the short time we have known him, we have taken him into our hearts and he will hold a firm and lasting place in our friendship. He turned out a team that in every way lived up to the standards for which N. P. H. S. is noted.

WILBERT HINIG "NICK"

Manager

Part of the success of the season was due to our very capable manager. In every way "Nick" proved an efficient, alert and trustworthy executive. We hope that the teams in years to come will be graced with such managers.

JAMES CALE "JIMMY"

Halfback and End—Captain

"Jimmy's" second year on the football team proved a great success and he lived up to the faith and hopes placed in him when he was chosen captain. "Jimmy" was an able leader, and aggressive player and liked by the school. "Nuf Sed."

CARL MEISER "AWLTUMMY"

Left Tackle—Capt. Elect

"Awltummy's" ability as a fighting linesman, has made him one of the greatest linesmen that N. P. H. S. has ever known. He will prove a versatile and aggressive captain. Here's to a successful season, "Awltummy."

KENNETH MATHIAS "KENNY"

Back

They didn't have any worry about filling his brother's shoes because "Kenny" was next in line. The school was lucky to have him. At quarter-back he always ran the team to the best advantage. He was cool and collected and knew just what play to pull at the right time. He didn't hog the ball as some quarter-backs do, but gave it to the right man at the right time. Whenever he did have the ball, he could be counted on for a gain. Here is a true example of a co-operative worker, and one that will be of great value to next year's team.

DEAN SMITH "DEANIE"

Left End

Dean stepped right into his brother's shoes and filled them to overflowing. With such a vicious tackler, noted punter, and speedy end, next year's team will be fortunate.

CHARLES GILGEN '26 "CHUCK"

Tackle

This was "Chuck's" second year on the team, and he was probably the oldest in experience on it. He could always beat through the line, swinging his arms like a wind-mill. Woe be unto the one that got in his way. He also pepped the boys up; sometimes he would not use very nice language, but it all helped to keep up the fight. We expect to hear a lot about "Chuck" in college football.

PAUL MCCOY "PAULIE"

End

Although sickness kept Paul out of a great number of games, he strutted his stuff in the games he played. We mourn the fact that it is Paul's last year in high school.

ROBERT SCOTT "BOB"

Right End

Although not a regular on account of injuries, he was a good man who was ready at any minute to enter the game and to do his best. His crowning achievement was the great showing he made in the Akron-East game. Father Time takes another victim.

WILMER MALONEY "BILL"

Back

Small but mighty. "Bill" was the fastest man on the team. He was a silent and aggressive player and the only Sophomore to make a letter. Great things are expected of him in the future.

WESLEY GARDNER "WES"

Center

"Wes" was the wild man of our team. The sight of him chilled his opponents to the very marrow of their bones, and well might they be chilled. It is enough to say that "Wes" played every minute of every game.

FRANK LAFFERTY "FINNEY"

Right End

"Finney" was one of our hard fighting Seniors. Although there was much competition at right end, he held his own. His flaxen locks could always be seen in the midst of the scrimmage. The class of '26 takes another good man with it.

WILLIAM WEICHSEL "BILL"

Guard

Although this is only "Bill's" second year out for football, he earned a letter by his stellar playing. He was the mainstay of the right side of the line and was always in the thick of the scrimmage. Although he didn't get a chance in the games, he was somewhat of a punter besides being a hard hitter. He will surely be missed on next year's team.

EUGENE DOUGLAS "DOUGY"

Right Guard

"Dough" is another one of our promising Juniors. By diligence and hard work he rose to a berth on the varsity. Great things are expected from this linesman next year.

WILBERT LADRACH "BONES"

Fullback

If you ever saw a tank go through a brick wall, you have a picture of "Bones" Ladrach hitting the line. Although he wasn't a ten second man, when he started out for some place he usually got there. Whenever a yard or two was needed, Ladrach could always be relied upon. Not only was he a great line hitter, but also backed up the line effectively. He seemed to sense where a play was going, and never missed a tackle. He will be missed by us as Illinois misses "Red" Grange.

WILBERT HANEY "HOOLEY"

Left Guard

"Scrap Iron" was no doubt the hardest man on the team. He didn't know the meaning of the word quit. This was his second and last year on the team; we lost a good man when he stopped school.

ROBERT WINSPEARE "BOB"

Quarterback

"Bob" is another one of our fine promising Juniors. He sure is one fine football player. He could snap off a pass for sixty yards that would land right in his man's arms. He wasn't restricted to passing alone but could gain through the line and did wonders on an open field. "Bob" has another year to demonstrate his ability, and will be one of the mainstays of the team.

GILBERT ENOLD "GIB"

Back

This was "Gib's" first year on the team and he was a sure find. He played quarter back sometimes and used his head on every play. I mean that literally, too, because "Gib" was down bucking and fighting all the time. When he couldn't buck through the line, he would leap over it. "Gib" has made some mighty nice runs and some pretty tackles that will be missed next year.

HOWARD JENKINS "RED"

Back

Here we have the "Red Grange" of N. P. H. S. "Red" was easily the shining star of every game he was in. "Red," on every occasion, showed himself worthy of his nickname.

D. O. FULLER

COACH

Coach Fuller's first year of coaching basketball was very successful. Although Dover beat us, the team ranked with the best in the state. The very fact that Coach Fuller had only inexperienced men with whom to work, the only letter men being declared ineligible, showed his ability as a coach. We hope to have Mr. Fuller with us next year.

TREVOR GROSS "TREV"

Business Manager

Although "Trev" is only a Junior, he showed the business sense of a grown man in the way he performed his duties. He was the exchequer on all our trips and general utility man at house. Next year, when he will have had more experience, he should make vast sums of money for the athletics of New Philadelphia High School. Good luck, Mr. Money Bags!

DEAN SMITH "DEANY"

Captain—Forward

When a captain was needed to guide this year's team, "Deany" was immediately called on and no better man could have been chosen to fill the place. Dean, as his brother before him, was the star of the game. His reputation was known and told all over the neighborhood. Opposing coaches would all tell their men to look out for Smith. He should be a spectacular player next year, his last.

ROLAND McMERRILL "Mac"

Center

Although "Mac" got a late start this season, he surely made up for lost time. He was the star player of every game. For four years N. P. H. S. has had the all-district center and this year "Mac" kept up the standard, and he is probably the best of the four. Good-bye and good luck, "Mac."

GILBERT ENOLD "GIB"

Forward

"Gib" was the flashy little forward that made every one ask his neighbor, "Who's that boy?" His passing was accurate, and he could locate the bucket. No more is needed to be said of a good basketball player.

ROBERT WINSPEARE "BOB"

Forward

"Bob" was a flashy player. But every "flash" was executed to the dismay of the opposing team. He was a fast man, and worked closely with the team. His shooting was accurate and his passing stellar. Next year's team will be strengthened by this sterling player.

KENNETH MATHIAS "KENNY"

Guard

"Kenny" is a basketball player first, last and all the time. Although he played guard, he scored a lot of the points. He could always be counted on to break up the other team's plays and he always did it. "Kenny" is one of the best running guards in the game. He could sneak down the floor, make a basket, and be back before anyone knew that he was gone. Mathias is a Junior and has wonderful prospects for next year.

HARLEY SHAFFER "SWEDE"

Center

At the first of the year when coach put out a call for a long lanky center, "Swede" responded and filled the place admirably. In several games Shaffer was the one to make the winning basket. He could slip his six feet down under the basket and every time he scored. He is another Sophomore who makes the future look bright.

CHARLES GILGEN "CHUCK"

Left Guard

This was Gilgen's first year on the floor and he showed that he could play basketball as well as football, and some times both together. He was a good defense man, and it took a mighty keen forward to slip past him. It is "Chuck's" last year and we shall miss him.

FRANCIS FLYNN "FLYNN"

Guard

Flynn was a Sophomore dark-horse. His merits were undiscovered until near the middle of the season and after that he got honorable mention in every game in which he played. He has two more years ahead of him in which to prove himself a very valuable man for N. P. H. S.

Alliance 44	N. P. H. S. 20	Jan. 16, 1926
Anyway, we did better than Massillon did because Alliance beat them 38 to 4.		
Massillon 16	N. P. H. S. 18	Jan. 26, 1926
Things look pretty good. It was a rough game, and played in our own gym.		
Strasburg 20	N. P. H. S. 22	Jan. 29, 1926
We got this for a practice game, and had tough time winning. We certainly take our hats off to the plucky villagers.		
Uhrichsville 12	N. P. H. S. 19	Jan. 30, 1926
Pretty close game. We played at home so it wasn't very rough.		
Akron Central 33	N. P. H. S. 12	Feb. 5, 1926
It could have been a better and closer game but they say you can't beat six men.		
Barberton 25	N. P. H. S. 22	Feb. 6, 1926
A mighty close game which wasn't decided until the last few minutes of play. McMerrill starts breaking into the lime light.		
East Liverpool 25	N. P. H. S. 27	Feb. 12, 1926
Neither town had the better team. One basket decided it, yet it was a victory. Capt. Smith again leads the pace.		
Uhrichsville 10	N. P. H. S. 18	Feb. 13, 1926
We beat by about the same number of points even if we did play down there. The game was a little rougher.		
Marietta 28	N. P. H. S. 20	Feb. 20, 1926
They've always had a good team and really we did very well. They objected to playing in our cute little cubby-hole, but came through anyway.		
Dover 21	N. P. H. S. 14	Feb. 26, 1926
NOTHING TO SAY.		

Tournament

Marietta 26	N. P. H. S. 25	Mar. 5, 1926
As luck would have it we picked Marietta for the first game. We played probably the best game of the season, and just about won, but a long shot from the middle of the floor just as the whistle blew beat us. McMerrill was chosen all-tourney center, Smith landed a job as forward on the second team, and Flynn got honorable mention.

AFTERWORD

THE athletic season for 1925-1926 is over. All our teams have been very successful. We hope that future teams in New Philadelphia High School will carry on our reputation.

Our football season started with a ten day training camp at Chipewa Lake. On account of conditions over which we had no control, there were only twenty-two in the camp, but after school commenced as many as sixty boys reported for practice. This enthusiasm showed the spirit of our football team. Led by Captain Cale, we won a large per cent of our games. We held the strong Washington High of Massillon to six to nothing, a very remarkable achievement.

In the Thanksgiving game we beat Dover 14-7. This is the game which determines the success of the whole season. At least, many people think so.

Coach Fuller had quite a task in developing a first class basketball team. He had no letter men around whom to build his team but he turned out a team which upheld our reputation. Our basketball team ranks as one of the leading quintets in the state. Seldom have we had a better captain than this year's captain, Dean Smith. The fellows caught Dean's spirit and worked hard to make the team a success. Although we were twice beaten by Dover, the season was a success. We won more games than we lost.

The girls' basketball team coached by Miss Barton had a very successful season. Captain Stahl and her teammates started out with the determination of winning all their games. They lost only 5 games out of 11, showing what determination can do. We hope that all our teams in the future will have the spirit which the girls had this year.

MISS BARTON
COACH

This makes the fifth year for Coach Barton. Words cannot express our appreciation of her excellent work as coach. Although she loses all her letter men this year, we are sure that she will turn out a good team next year.

HAZEL STAHL
Forward—Captain

Hazel was not only our captain this year but also our starring ace. We could always depend upon her to run up our score for us. Captain Stahl has certainly earned her second letter.

LEAH FRIBLEY '26
Center—Forward

"Horse" has been our old stand-by. All through her high school basketball career no opposing center has been able to out jump her. "Horse" also has made many of the team's points and when it comes to shooting fouls, she can't be beaten. Besides this, Leah was manager and scheduled some fine games for us. She won her third and last letter this year. Next year's team will surely miss her. We hope that she will be just as successful in the future as she has been in basketball. Good-bye, "Horse," and good luck!

SARA LOUISE GILGEN '27
Left Forward

"Tudie" is a player who contributed much to the success of this year's team. She always seemed to be at the right place at the right time. "Tudie" won her second letter this year and is one of the girls who will form the foundation for next year's team. We wish you the best of success next year, "Tudie."

GERTRUDE PHILLIPS '26
Right Guard

"Gertie" is another guard who has finished her third season. Her main quality is to stick close to her opponent and her forward finds it hard to make baskets. She is a faithful and hard working player and we are sorry she will not be back to strengthen next year's line up. We know you will be a success in the future, "Gertie."

KATHRYN KINSEY '26

Guard

For the past two seasons "Kate" has held the position of middle guard. She was a hard worker for the team and we could always depend upon her getting the back tip-off. I don't know what we would have done if it had not been for "Kate," for she could certainly hold her forward. She is another whose loss through graduation will be felt by next year's team. Good-bye, "Katie."

GRACE PFAEFFLI '26

Left Guard

"Piff" hails from Strasburg and if Strasburg could be judged by "Piff's" ability in basketball, they surely have some town. She has been with us three years and she has surely earned her letters. In our trips away from home she always seemed to be the center of attraction and after the game all the local boys would say "Where's the girl with the black, shiny hair?" We know we will hear more of "Piff" in the future.

MAURINE ROSCH '26

Guard

This is Maurine's first year; although she was a substitute, she certainly did her part. Whenever we think of our trip to Coshocton, we shall always remember Maurine and her purchases.

ELIZABETH VAN LEHN '26

Forward

"Betty" is another of this year's substitutes that proved to be a valuable addition to the team. On account of the hard, fast games which we played, the substitutes failed to get their letters, but we all think that they earned them.

EDNA SCHNEIDER '27

Guard

Edna has another year of high school so she will be a big asset for next year's team. Her defensive work this year was very satisfactory. Keep it up, Edna.

MARY MERCER '27

Forward

Mary proves that quality not quantity counts. Her smallness enables her to speed over the floor. Her co-operation with other players also is worthy of mention. We hope to hear more of Mary next year.

Base Ball Season

AFTER a week of hard practice we opened our season with Tuscarawas. We defeated them by a large score. We then played other games all of which we won. Our captain, Elmer Reger, played bang up ball all season. "Skeeter" never lingered along first base line as he did the year before. "Cy" Williams, the heavy hitting out-fielder, made a hit with the fair sex every place he went. "Cy" lost his batting eye the last of the season, but when he found it, he couldn't be stopped. "Cy" went to Ohio University where he ought to make good.

Glen Smith was the big boy who caught. When he threw the ball to second, he would almost knock "Gib" or "Mac" off their feet. There were few bases stolen on him.

"Cupie" O'Connor who pitched for us had a great year. When we played Painesville, "Cupie" was in top form and we won easily enough.

McMerrill, better known as "Fatima," played second base. Mac was our lead-off man and he came through almost every time. Mac is only a Junior this year and he ought to go big next season.

This was "Chip" Cale's first year out for baseball and he delivered the goods. "Chip" starred as third baseman and as pitcher.

James Torgler who played first base was one of the best men we ever had. "Jimmy" is in Ohio State this year where he should have a great baseball career.

James Morgan was our right fielder and he always got what was within reaching distance of him.

"Gib" Enold played short stop. He is captain for next year's team and we think he can fill Reger's shoes. Good luck, "Gib."

Dean Huff was our utility man. He was small, but powerful things come in small packages.

Coach J. A. Baker put out one of the best teams we ever had this year. We claimed the state championship and challenged Warren and Orrville but they would not play. Coach Baker, with the help of Enold, should have another great year.

We won all our games but the one with Newcomerstown. Reger starred in that game by hitting the ball into the river.

Track

This is the second year for track since it has been dragged from the dust of the ages. This year was very successful.

The track squad was large, having at least twenty-five fellows out every night. They were all willing to work hard and make a success of it.

They were taken to several meets as follows: Wooster College at Wooster, Carnegie at Pittsburgh and Mount Union at Alliance.

The first meet of the season was with Wooster at the Fair Grounds. We won it and the prospects of having a successful team loomed ahead.

For the second meet they were taken to Pittsburgh for the Carnegie meet. There were sixty-four teams represented and N. P. H. S. came out in eighth place, which was a very good showing.

The next meet was at Wooster. Ashland, Mansfield and Wooster were represented there with us. We won second place. Our captain, Crawford Hanna, distinguished himself by winning three first places.

The last meet of the year was at Alliance under the auspices of Mount Union College. We failed to take a place.

We hope that this year's team will be even better than last year's. Here's to you, Frank Lafferty.

BOOKS FOR SALE

"SCHOOL ETIQUETTE OR HOW TO BE A SOCIAL SUCCESS"

To show the many wise sayings contained in this volume, I will give a few here as examples:

"Always leave in the desks, in the study hall, a few blank sheets of paper with your name on them. The other persons using the same desk greatly appreciate your consideration and will always turn to you in time of paper poverty."

"It is quite permissible to rush through the halls, bumping whoever is in your way, as long as you beg their pardon after you have passed."

"Also, if you put on the first pair of goloshes to be found, your friends will realize that you like to take care of their things."

See,

DICK SHANLEY.

"THE SCIENCE OF NOTE PASSING"

This treatise gives the author's own experience in passing the little documents called notes. It also tells the size least noticeable, the color of paper to be used. It describes clearly how to know when the teacher's eyes are looking and when they aren't. There are also several tragic incidents contained in the chapter, "The Times I Was Caught."

See,

EUGENE WHITMER.

"HOW TO VISIT IN THE HALL"

Here are revealed the secrets of making these visits to appear perfectly correct. It tells many joys of blockading the passageways and how to dissolve gracefully when members of the faculty appear. I am selling this book at a low price since I believe it a necessary equipment of any student.

See,

RACHEL LARIMORE
GLADYS TINKER

"TO GRADUATE OR NOT TO GRADUATE: THAT IS THE QUESTION"

One of the greatest tragedies written this season. It tells how the evils of procrastination grasped the hero, and his downfall. This book will be sold to next year's Seniors only.

See,

WOULD-BE'S
or MR. B. A. SENIOR.

"THE EVOLUTION OF A STUDENT"

This little piece of literature beautifully portrays the episodes and developments of a student from his A. B. C.'s to high school diploma. It also contains extracts from the author's own experience.

JOHN DONAHEY, *Author.*

"HOW I GREW TALL" (Leah Fribley)

This is a little story which will interest all who are short. This method will increase one's height from one inch to six feet. Testimony:

"I must tell you of the wonderful result of your "Grow Tall Treatment." At three years old I was 2 feet 11 inches. After taking your wonderful treatment my height increased to six feet."

Yours in wonderment,

T. EDWARDS.

MARCH

- Mar. 1—The problem of divorce in the United States is settled by our sociology classes. Hereafter there shall be no more divorces. Someone's waist line is hanging over door way in Room 14.
 Mar. 2—Jack Bryan tries to burn up the Library. No excitement! Saving it for the future.
 Mar. 3—Everyone in the Library spends his time watching the rivet slingers on the new school building. Signs of spring fever.

Mar. 4—Basketball team leaves for the tournament. Mr. Martin has hard time keeping peace in the Library, 7th period. Marietta and N. P. H. S. will fight it out at the tournament tomorrow.

Mar. 5—Friday at last! Girls beat Coshocton. Boys lose to Marietta 25-26!

Mar. 8—All the teachers busy writing "Exhaust" articles. Maurine Rosch befriends a shaggy dog that visits our civics class. Tourney is discussed on all sides.

Mar. 9—Word is received that McMerrill is chosen as center on all-tourney team. Dick Shanley says that he is going to be a fancy dancer and to impress it upon our minds he immediately goes out and falls down the steps.

Mar. 10—Anna Wise, member of the Senior Class, dies today. Seniors burdened with tests. We all agree with Dorothy Lile that her galoshes should be returned to her. Why?

Mar. 11—A dull thud. What broke? We turn around and there sits Helen Kaser. Tickets on sale for girls' basketball game tomorrow night. Seniors over burdened with tests.

Mar. 12—Seniors have fallen beneath tests. Miss Helmick turns out a wild 1st period chemistry class. Girls lose to Orrville 34-40. Largest crowd that ever filled the gym witnessed this game.

Mar. 15—Rain, rain, go away, Come again some other day. Bob McCreary, a dignified Sophomore, is shocked in history class today. "Kate" Kinsey shows annoyance when classmate falls off the second step flat on the floor.

Mar. 16—Jack Bryan meets his "Waterloo" on the east stairs. Junior plays are widely advertised. John Webster says the sky is falling when "Pete" Voshall drops the shade on his head.

Mar. 17—O Sleep! Where is thy sting? Is Wesley Gardner a Junior or does he have some connection with that class?

Mar. 18—In spite of the fact that one of the important actresses was unable to act, the Junior plays are a great success. Report cards. Many worried Seniors. David Limbach makes his debut in chapel as a piano soloist. Club pictures taken, Dick Shanley directing.

Mar. 19—Thirty-eight Seniors get "U's" Margaret Stoller surely can imitate a German woman. As Mrs. Spreckles, she is the best ever.

Mar. 22—Jack Bryan makes a weather forecast. "Six snows before Spring." "Sock him." Baseball men are called out today but, on account of the rain, they meet in the gym. Some "Boy Scouts" are called to jail.

Mar. 23—Hazel Horger has lost her 50 inch waist line. Finder please return it. Did you see the absence list? There is safety in numbers. Mr. Kaylor persists in making long assignments.

Mar. 24—Juniors have fallen beneath Cicero. Cheer up!

Mar. 25—In girls' inter-class games the Sophomores are champions. "Let us have order in the Library."

Mar. 26—Spring vacation. Everyone looks happy. Blessed students, they have earned a vacation.
