## THE TEAM

LEO BENJAMIN ..... END
1 eo shifted from center to end this year, and served his position fathfully. His team chose him as co-captain for the season. He was also chosen as an All-Ohio end. SENIOR
HERBERT HINES

"Herb" was our other co-captain and also an All-Ohio guard. He was out of the lineup one
game because of an injured arm received at I orain. He caused much dismay to opposingGUARD centers and was a big factor in our defense and even more important on our offense.
JACK CASTIGNOLA
HALFBACKlack is the second four-letter man in the history of our school. He has been one of themost valuable men on our squad, and for the past three years he has done the signal call-ing for the varsity
LLOYD REESE FULLBACK
Here we have the second "Roswell Express" to prace our school. He is the third member of our team to be chosen as an All-Ohio player. lloyd has set an excellent example forfuture fillbacks in New Philly to aim at,
WALTER CHESLOCK ..... TACKLE
The "Robert Taylor" of our squad His best work was to keep in ends that might have been pass reccivers. Our halfhacks owes him a lot of credit for helping them out. SENIOR
KENNETH PRYSI QUARTERBACK
"Kenny" was known to the squad as "BaBa" because of $t$ is love for sheep. He is perhaps the least publicized of our team, lut is also one of the best blockers in this part of thestate. JUNIOR
MAX HOLLEYOAK ..... TACKLE
Max is one of the two sarsity men who will be the backgroand for next year's team. He is particularly good at leading interferese for the ball carricrs. We look for big things from him in the future ..... JUNIOR
BOB AFFOLTER Rob was the smallest man on our line even though be had one of the biggest positions to fill. On defense he played end and was a worry to would-be end runners. He provedCENTERto wur fans that size makes no difference.
TOM BELKNAP
Toan was our team's safcty valve. If the going got lough, he was sent in to straighten things ont. He pulled the team through matay a bad spot this year and will be greatlymiseed next year
ANTHONY FABIANOHALFBACK"Jiges" started the year on the reserves, but made the varsity lefore the season opened.He is the other member of the team that is from Roswell. Next year he will be thefomelation for our backfield, when he will be called upon to prove his worth. JUNIOR
(iENE WHERLEYENDGenc's forte was at handling big tackles that oumwerghed him twenty or thirty pounds. Hewas a sond pass receiver and came through, especially in the pinches. The linebackerswere friondly to him because of his ability to tear down interterence. SENTOR
GENE HERRONGUARDGene played consistent ball throughout the satson, but was ont two weeks because of anarm ming: He is the ninth member of our team that has played his last year of foot-ball for New Philly.SENIOR

# COACHES AND MANAGERS 

"WOODY" HAYES, Coach

This is Coach Hayes' second year as head coach at New Philly and he has a record of 18 wins, 1 tie, and 1 defeat, which any coach can be proud of. He has put the Quakers on the top and has gained much publicity for them throughout the state.

## PAUL HOERNEMAN, Coach

Paul is more or less concerned with the reserves. It is up to him that they learn the plays which are, supposedly, to make the varsity look bad. Even though Coach Hoerneman is the basketball coach, he makes a very able assistant for Mr. Hayes.

## HERBERT "DOC" STOUGHTON, Faculty Manager

Here is our man behind the scenes. He schedules the teams, contracts the officials, orders the meals, and sees that the team is kept in equipment. Upon "Doc" the team depends, and he is a big reason for their success.

## BOB TOPE, Student Manager.

Bob is called upon when it's time for the dirty work. He has to keep the dressing room clean, the suits laundered, cleats changed, and a dozen other such jobs. Besides this, his main job is handing out the equipment and checking it in, which is no easy work. Bob has proved very efficient in his work.

## H

## THE GAMES

## THE '39 QUAKERS DEFEAT BROOKFIELD FOR FIRST GAME

A small Quaker eleven fought their way to their first victory with five veterans in the lineup. Coach Hayes' hopefuls put on a pass display which gave our season great prospects.

## NEW PHILLY TAKES HIGHLY RATED ZANESVILLE.

With more and better passing the "Phils" downed a highly rated Zanesville team who, before the conflict, had shared greatly in the odds. The game turned out to be a "breather" for the next week.

## QUAKER WILDCATS TIE SCRAPPY LORAIN IN RAINSTORM

The Quakers traveled to Lorain to get revenge for two previous seasons. On a wet field, the team battled to their only tie of the year because of a blocked punt.

## MANSFIELD GIVEN SECOND DEFEAT THIS SEASON

The visitors took their second defeat of the year in the face of the Quakers' mighty forward wall. Hines was out of the lineup because of an injury received at Lorain.

## POTTERS ROLL UP HIGHEST SCORE ON PHILLY IN FIVE YEARS

The "Potters" came to New Philadelphia hoping to down the Quakers for the mar that was put in their record a year ago. All they could do was to gain the distinction of scoring the most points on the home team since 1933.

## QUAKERS WALLOP EX-STATE CHAMPS, SPRINGFIELD

The visitors made the trip to New Philly with a somewhat disorganized team, to be walloped 38 to 6 . Coach Hayes gave his varsity a rest and used his second and third reserves most of the time.

## SNOW CAN'T STOP NEW PHILADELPHIA POWERHOUSE AGAINST NILES

The Quakers got off to a bad start in this game, waiting until the final period to score. On this snowbound day the two tallies were made through a series of line plunges and off tackle drives.

## NEW PHILLY VICTORIOUS OVER BELLAIRE

This game, which was perhaps the most colorful of the season, was the climax of the schedule. Bellaire was the strongest opposition that New Philly has run against in a long time. The final score was due to quick thinking after Bellaire's sustained drive to the N. P. H. S. "coffin corner" had been stopped. This defeat ruined a probable undefeated season for Bellaire.

## QUAKERS REMAIN UNDEFEATED AS STRUTHERS LOSES

A potentially great team was again turned back by the unbreakable Quaker defense and staunch offense. The visitors from upstate, playing their second game in two years in our stadium, were repelled by a battling Quaker eleven.

## NEW PIIILADELPHIA SPANKS CRIMSONS WITH DECISIVE VICTORY

At the "Turkey Day" game, the Quakers squelched the Dover Crimsons with an array of running and passing. The team was doing so well that they never found it necessary to kick the ball except on conversions. In defeating their arch rivals, New Philly mounted one of the highest scores in recent N. P. H. S.-Dover classics.

The football season of 1939 is one of which New Philadelphia High School can be very proud. The team came through undefeated after having! played opponents whose weight and size gave them great odds. Some of these teams came from cities five and ten times the size of New Philadelphia. For a comparatively small school to stand out in the annals of Ohio's gridiron classics is something to be noticed.

The Quakers stood out in having three of their members chosen on the All-Ohio Team. These boys were Leo Benjamin, "Herb" Hines, and Lloyd Reese. Two of these boys, Leo Benjamin and "Herb" Hines, were chosen as co-captains for this year's squad. The team, after having won nine games and tied one, were given letter awards with the word "UNDEFEATED" printed along the side. In the history of our school, this is the second "Undefeated Season" that New Philade'phia can boast, the other being in 1934.

Another proof of New Philadelphia's success is the fact that her athletes have made good in such colleges as Tennessee, Western Reserve an I Carnegie Tech. To the seniors on this year's team, we wish as much success. To Coach Hayes we wish another successful season and we congratulate him on his two previous seasons at N. P. H. S.

# UNDEFEATED STATE CHAMPIONS 

In 1939 and 1940 the New Philadelphia High School basketball team brought an honor to our midst which had only twice previously fallen on other schools. This was not the accomplishment of becoming State Champions, but the fact that they were Undefeated State Champions. The only other Ohio schools to boast this feat of honor are Dayton Stivers and Akron West. Through the work of ten boys and a coach, our team traveled through a season of eighteen games and a tournament play of seven additional games. Altogether the Quakers scored 988 points to $65+$ for their opponents.
Equipped with an unbreakable shifting zone defense and a well balanced offense with six good scorers, Coach Hoerneman entered upon his schedule with Ohio's toughest teams. The Quakers met with ball clubs that experts rated as the best. But it has been said, by Confucius or some other notable character, that "the team that won't be beaten, cannot be beaten." So it was with Coach Hoerneman's prodigies. Many were the games in which our boys trailed at the half; but after a midway shakedown by the coach, the team entered the court with a determined look and began to play ball. To this team spirit we credit our gains and undefeated season.

The success of a twenty-three year old coach and his boys may further be shown by the selection of Glenn Barker and Jack Castignola on the Associated and United Press All-Ohio teams and the same two on the state All-Tournament teams.
"To the victor, belong the spoils," and our team has them. In this section you will find pictures of the trophies obtained by our team and also a picture of the "Johnny Miner Trophy" which Class A schools keep while they retain the championship.

STATE CHAMPIONSHIP FINAL

## COACHES AND MANAGERS

PAUL HOERNEMAN, Coach - Mr. Hoerneman was judged by many critics and sports writers as Ohio's outstanding coach in the 1939-40 season. He has given New Philadelphia a shifting zone defense that is envied and praised wherever basketball is found. He is to be congratulated and thanked for bringing New Philadelphia its first State title.

ERNEST FAWCETT, Student Manager-To "Spicket" we shall give the title of All-state Manager. In four years, he has made the trip to Columbus State Tournaments four times, once with Midvale and three times with the Quakers. He is regarded by the team as a "good-luck piece" because of this record. He has been very competent in keeping the team supplied and equipped. This year our "good-luck piece" graduates, so the new squad will have to find another.

HERBERT "DOC" STOUGHTON, Faculty Manager - In 1933 when "Doc" took over the position of faculty manager, he had some new ideas. One of these was that New Philadelphia was playing schools too small to gain recognition, and that we needed a change in our schedules. He stated that, "We have the boys, so why not play larger teams?" And we did. In $193+$ the Quakers had an undefeated football season and now in 1940 we have a state championship just because "Doc" scheduled the big teams that gave us the experience with which we could whip anyone we met.

"To the victors belong the spoils" . . "and I tell you"
"Say it with flowers" . . .
"Go in there and fight!" . . "Here we come"
"Everybody happy? Well, I should say!" "We did it, here's the proof" . . . "That's Johnny Miner in the center."

## THE CHAMPS

BOB FERGUSON ..... CenterBob was elected honorary captain by his team mates for this year's squad. He was inval-uable because of his great height, both on offense and defense. "Daswood" made his pointsfrom an "overhead shot" in the corner of the floor.
SENIOR
JACK CASTIGNOLA
Jack was chosen on both All-Ohio and All-Tournament teams, and was the mainstay of the team. He kept things running smoothly, and kept the team alive. Jack is probably the most outstanding and all-around player ever to come out of New Philadelphia, and is cer- tainly the most versatile. We can be correct in saying that he is the only four-letter man in fifteen years. Before that, we have no records.

SENIORGuard
DON BROWN ..... Guard
"Red" played his best on defense because he was small and fast. He was not a high scorer, but was always sure of his shots. Spectators probably did not see Don as much as the oth- ers, or perhaps paid less attention, but without him New Philadelphia would not have the record they do. SENIOR
GLENN BARKER ..... ForwardGlenn was the other member of our team chosen on A!1-Ohio and All-Tournament teamsHe led the team in scoring with a total of 270 points for the scason. He is the onlymember of the first five returning next year and around him the varsity will be builtJUNIOR
LLOYD REESE
"Bronco's assignment was to get the ball from the backboard. This he did, particularly in the McKinley game. Lloyd tmishes his high school athletic carcer this year. You will goForwardfar to find an "under-bucket" man so accomplished as he. JUNIOR
LEO BENJAMINCenterLeo plays either center or forward and is good at both. He is considered as a memberof the first five, even though he has never started a ball game. Leo played a great amountof ball this year and was responsible for a good many victorics.SENIOR
KENNETH GRIBBLEGuard"Kenny" started the season on the first five in the place of Jack Castignola, who was sickat the time. He has come through in many "pinches" and especially in the Dover game,where he scored the winning points. His real value will be shown next year, when he willmake the backbone for the team.

JUNIOR

## BOB TOPE

$\qquad$ Forward Bob was "on the spot" this year, particularly because he had one of the state's toughest forwards to beat out. Due to this fact, he did not play much ball, but when he did, he proved he knew how. SENIOR
DON EVANS ..... Forward
"Duck" is another two-position man, guard and forward. He made his success in the latter part of the season and in the tournament, where he was called to replace Brown and did it well. He is the third member to return next year. JUNIOR

## BILL TUCKER

but gave fine performances in reserve exhibi ions. His worth cannot be judged until nextyear, when his turn will come.

## CHEERLEADERS

It is a great asset to any school to possess a good group of cheerleaders. Our high school can certainly claim this distinction, as our cheerleaders have proved themselves to be excellent in many respects. Their new yells have been received with pleasure, their cheering has shown a degree of sheer spontaneity which has brought forth a better school spirit, and above all, their splendid and unselfish teamwork has made them a quartet to be remembered.
Also important in making the cheerleaders such a success has been the fine cooperation contributed by the student body.

The band's most brilliant spectacle in history occurred on Thanksgiving Day at the New Philadelphia-Dover football game. It featured a cannon shooting three cannon balls, which formed D. H. S. on the field. This was accompanied by acrial bombs. It also featured "Dark Town Strutters Ball," introducing two black-face dancers, Virginia Miller and Bob Skelley. The dancers were transported to the field in an open-air model T taxi. The band exhibited three airplanes, a moving N. P., and as a finishing totch, the band formed a map of the United States framing a huge American flag, while the band played "God Bless America."

The (iirl Reserves are divided into five organized triangles. Each triangle specializes in some form of personal or sscial development.
There is one triangle meeting a month for each group, and a general meeting for all the girls, at which time the program is furnished by one or two triangles.
Several special meetings are held during the year. The Fall Frolic is a party to welcome prospective members. The Recognition Service, perhaps the most dignified meeting of the entire year, recognizes the new girls as members. This is a candlelight service. Pre-Easter services were conducted for the entire student body. The Mother-Daughter Reception is held in May.

"Everybody's Crazy Now," a farce comedy, has been chosen by the senior class to be presented Friday, May 17. It sparkles with clever lines. It rocks with hilarious situations. It grips with its plot interest.

The story concerns a girl, young and pretty June Austin, who, returning from finishing school, finds that her widowed mother, having exhausted her meager resources in order that June may complete her education, has decided to take in boarders. It appears, however, that even this last resort is going to prove a failure, for the government is planning to build a new highway through Sunnyfield, cutting off the Austin home.

Junc's anger is aroused when she learns that one of the young engineers working on the project is Greg Beecher, her boyhood sweetheart. Unjustly she accused him of deliberately scheming to ruin them. Greg's distress over the situation is not entirely a result of June's unfair accusation, for June is the hero-worshipper type. Her present idol is Basil Lindsay, a famous author, who went away from Sunnyfield when she was a babe in arms.

Nan York, a friend of both June and Greg, suggests to the latter that he employ an impersonator to come to Sunnyfield, representing himself as the famous Basil. It is Nan's idea to have the impersonator act like a sap, thereby showing Basil in his true light for June's benefit. Simultaneously Hiram Dill, a retired and old millionaire, arrives on the scene for the purpose of buying the Austin home, if possible, so he can have peace and quiet in his old age. It seems that here peace and quict prevail in large quantities, until Hiram is mistaken by Stan Barbour, graduate of an osteopathic school, for a patient.
Hetty Metcalf is the Austin maid and Hetty isn,'t quite right mentally. She provides excitement and laughs whenever she appears on the stage, which is often.
Gyshia Arndt, an old flame of Basil, adds to the excitement, confusion and complications when she arrives in time to cripple a blooming romance between the real Basil and lovestruck June.

For awhile it seems as though things never would straighten themselves out, but the final act produces solutions that are logical, humorous, and satisfactory for all hands, including the audience.
"Everybody's Crazy Now" is for five men and five women. Each part is individual and especially adaptable for young groups. The lines are short and well distributed among the players. There is one easily built interior set ; the costumes are modern.
