# FOREWORD

---

This year we, the Staff, have tried to inscribe on the pages of this yearbook the memories of the school days which we have all spent together so that they will never be forgotten. We are now leaving these gay times behind us to take our places in a world full of strife and turmoil. If in future years, you, through this book, can be reunited with old school friends to enjoy once more these happy times, we, the Staff, shall have achieved our goal.

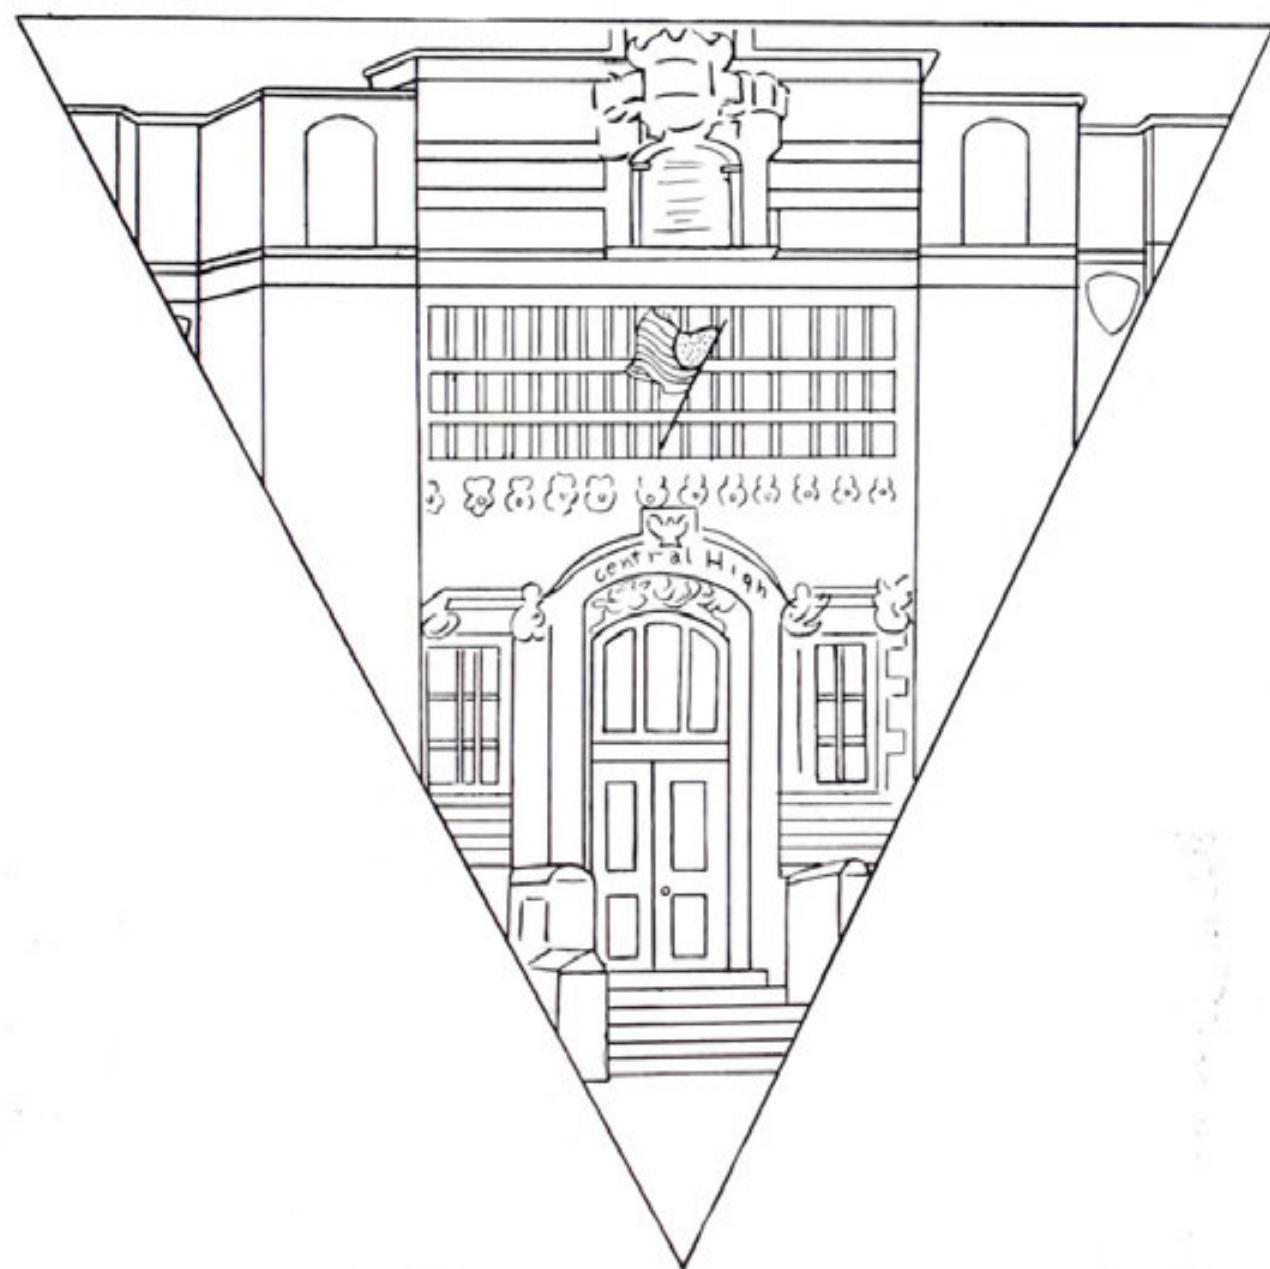

## DEDICATION

Coach Hoerneman's outstanding coaching ability has guided both our football and basketball teams through many successful seasons. He is a great friend to all of the students and has instilled within us the desire for better sportsmanship and fair play.

To show our appreciation to him for the ideals he has imparted to our school, we, the Delphian Staff, dedicate our 1945 annual to Paul Hoerneman.

# CLASS HISTORY

## FRESHMAN YEAR 1941-1942

The launching of the good ship "Class of 1945" was an early September event of 1941. Immediately after launching, the ship was readied for sailing with an enthusiastic passenger list (the class) and a competent crew (the teachers). Our voyage was pleasantly uneventful until December 8 when our country was forced into World War 2. The usual school activities were somewhat disrupted by organization for the sale of war bonds and membership in Civilian Defense. Nevertheless, our weekly club meetings were continued, and in the spring of the year a number of us participated in the presentation of the operetta "The Pirates of Penzance." Our class day was spent pleasantly at Tuscora Park, and graduation exercises ended our voyage as freshmen on the Welty High Sea.

## SOPHOMORE YEAR 1942-1943

In September of 1942 we boarded our ship for the second voyage. Except for a few changes we had retained the same passenger list, but were sailing with a complete change of crew and on an entirely new and strange sea, Central High Sea. With a deep feeling of inferiority and amidst the chaos of adjustment, our class, in cooperation with the juniors and seniors, participated in a scrap drive. Our united efforts in this scrap drive resulted in a more friendly feeling with the advanced classes. The Girl Reserves and Hi-Y organizations contributed much to our activities. Many of us took part in the operetta "South in Sonora" presented by the music departments. The end of our voyage as sophomores seemed to come too quickly, for before we knew it the usual term-end activities were in full swing and we were back in port again.

## JUNIOR YEAR 1943-1944

The third voyage started in September, 1943. Our good ship was in charge of the same crew, but the passenger list was decreased by the enlistment of some of our stalwart young men in the armed forces. The first real accomplishment of the year was the production of the play "The Fighting Littles." This play was well received.

Our class dues helped to finance a junior dance held in the spring of the year. This was the only get-together of the Junior Class.

The traditional Junior-Senior prom was an exceptionally pleasant affair with spectacular decorations symbolizing the Mardi Gras.

As a grand finale we were informed that our class rings, which we had ordered previously, were now available. This not only inflated our ego, but also strengthened our determinations that after we had been in port three months we would readily and whole-heartedly sail on our fourth, last, and most decisive voyage.

## SENIOR YEAR 1944-1945

Our ship was launched for its fourth voyage on September 4, 1944. We entered upon this voyage with a certain feeling of superiority which comes from being seniors. Although the class had decreased somewhat in size, we sailed on as triumphantly as ever. This year's cruise was very successful, one important part of which was that during our senior year, the school produced an undefeated football team.

A number of the students competed in the Senior Scholarship tests in March. The producing of the Senior Class play was begun early in the year. This play was indeed one of the best entertainments of the year.

As prom day drew near, there was a feeling of anticipation for this annual event. With the coming of the banquet and commencement exercises we, as seniors, realized that this voyage was our last on this ship and we were now about to embark on separate voyages, with separate ships and many different crews.

# THE SENIOR WILL

We, the class of 1945 of New Philadelphia Senior High School, are fully aware of the obligation of every graduating class to leave all our worthy traits, virtues, bad habits, or what have you, to any green sophomores or budding juniors who may worthily deserve the same. So, in view of this task we hereby resolve:

- I—To Hope Rosch, we bequeath Sylvia Parsons' ability to compose flowery poetry.
- II—To the zoot-suiter Bob Harbin, Junior Rufenacht bequeaths his ability to cut a rug.
- III—Virginia Dragich leaves her "T N T" personality and winning smile to Mildred Croxton.
- IV—We bequeath Ann Weuthrick's boredom to Barbara Mohney.
- V—Bob Menapace, the brain of the senior class, bequeaths the same to John Zion.
- VI—Marvin Beans regretfully leaves Bonnie Reynolds to any eligible wolf in the junior class.
- VII—Bob Casebeer leaves his power to make them swoon to Jerry Sullivan.
- XIII—To Norman Jackson, we leave Ray Strickmaker's gridiron technique and class.
- IX—We kindly bequeath "Boo" Fitzpatrick's never failing good manners to Morrie Leatherman.
- X—We bequeath Ann Schuepbach's cute little car and her ability to drive it to Mary Ann Limbach. (Goodness knows she surely needs both.)
- XI—Bud Perry, Oscar and George Patterson bequeath the girls from Sugarcreek, Strasburg and Gnadenhutten to Don Hart.
- XII—To whoever is capable of stepping into his shoes, Bob Seibert leaves his fine leadership of the Dance Band.
- XIII—The senior class sadly bequeaths Jack Stoneman's fine Latin translations to any student of Caesar or Cicero.
- XIV—We leave Reno Menapace's initiative and originality to all the sophomores and juniors.
- XV—We leave Gene Lightel's office as Senior Class President to any fine rising young junior with leadership ability.
- XVI—To all juniors, we give Coralene Kaylor's never-failing good humor, even on a rainy day.
- XVII—To next year's news readers, we leave the industrious (Ha; Ha) Central News Staff.
- XVIII—To the honorable junior class, we bequeath our medieval Alma Mater, teachers, and desks.  
P. S. Due to the present scarcity, we are taking along the gum ordinarily found under the desks.
- XIX—We do hereby appoint our worthy advisers, Miss Barton and Mr. Pugh, as executors of this document, to which we affix our seal of gratitude on this day of graduation, the twenty-second day of May, nineteen hundred and forty-five.

# A GLANCE AT THE NEWS IN 1955

Dear Diary—As I sit here at my desk browsing through the "World News," I am amazed to find some of my old classmates of dear N. P. H. S. (class of '45) in the news. Looking at the front page I see that:

The famous G-Woman, Anna Mae Schuepbach, has captured her eighty-seventh criminal, this time "Rocky" Stoneman, income tax-evader deluxe.

Frances Ann Aldridge, famous states-woman, was recently elected to her fourth term to the House of Representatives.

Stanley M. Fisher, internationally known expert on women's fashions, recently returned from Paris. His comment—"Very Nice."

Dan Miskimen was cited to appear before Judge Lawrence Fitzpatrick by air patrol officer "Bart" Gowan when he was caught parking in his helicopter above Park Hill.

Bob Menapace and Charles Myer, brilliant scientists of Du Pont, have just been announced as co-winners of the Nobel Prize.

Julianne Myer, well-known politician, was successful in the last campaign and has become the first woman governor of Ohio. The defeated candidate, Oscar Patterson, has decided to return to his former occupation of a playboy.

Turning now to the society page, I find:

Dick "Tommy Manville" Gray, who divorced his tenth wife last Monday after a whirlwind twoweek honeymoon, commented that his long marriage was due to unusual happiness. Ann Weuthrick, socially prominent debutante, has been doing the night-spots with John Cole, popular rack-boy from the 52nd Street pool-room.

Joanne Williams, wife of the famous liver specialist, spoke today to the Women's Club on the care of the body.

Evelyn Stiffler, former editor of the Central News, visited the present staff and made a speech, expressing the importance of "meeting the deadline," a virtue lacking in her day. Eugenie Tilton, famous tourist, has announced her engagement to Eugene Surbey, recently appointed manager of Smutz' grocery.

Shirley Mitchell has been named Miss America of 1956.

The next page brings me to the news about entertainers, where I observe that:

Rich "Hot Lips" Geib, famed jazz trumpeter, and troupe just finished a record-breaking engagement at Passoni's Spaghetti and Meatball Parlor, owned and operated by our own Ellen Passoni.

Reno Menapace, renowned Shakespearean actor of today, will soon begin his nationwide tour of large cities, playing Romeo in "Romeo and Juliet."

Ray Strickmaker and Bob Harris, famous movie actors, are co-starred in the show "The Wolf Man Meets the Ape Man."

Glancing at the sport page, I see that:

Clarence Hanna and Bill "Goose" Kniesner, nationally known basketball coaches, have signed their 1956 contracts, at a considerable increase, to coach Roswell High. Good luck boys!

A peep at the headline tells me that Albert Dolzine has just been crowned heavy weight champion of the world.

Why, here I find that Madge "The Battler" Bucher and Mary "The Killer" Diefenbacher have just completed a most highly successful tour, featuring themselves in "Bucher and Diefenbacher Wrestling Team."

And lastly, congratulations to Chuck Cronebaugh, King of the speedways, who has just won the Indianapolis Speedway Contest in a breeze. Dave Leading offered plenty of competition.

"Our Town," a three act play, was written by Thornton Wilder. The first act tells you the whole history and describes the town of Grovers Corners, New Hampshire. In that act you live a whole day with the Gibbs and Webb family. The second act relates the love affair of George Gibbs and Emily Webb. It begins with their school days and ends with their getting married. The third act shows the dead reliving certain parts of their lives. At the end of the day, Emily Webb is buried.

The play chosen by the Junior Class this year was "Kind Lady." It is by Edward Chodorov and adapted from a story by Hugh Walpole. In the Prologue Mary Herries starts telling her story to Miss Foster. Miss Herries had brought a young beggar into her house for tea on Christmas Eve. Later he came back and this time brought his wife, Ada. They couldn't leave then because she was very sick, so they stayed on. Henry Abbott dismissed Miss Herries' servants and hired his own. In the Epilogue Miss Herries gets her story to the outside world by means of a letter given to Miss Foster. Then she is rescued from the rogues she has let into her house.

# ATTITUDE OF AMERICAN YOUTH

*This essay was entered by Jane Boyce in the American Legion Yearly Essay Contest and won for her an all-expense paid trip to Washington, D. C., during the week of April 19.*

We love our America! We love the people, the land, . . . and everything that helps to make America what she is. After this war our main object will be to keep her free. We want to be able to see Aunt Hazel and Uncle Bert who live in the next state, or go to visit that Pen-Pal whose name you found in a funny book, or go to see that favorite team at a game of baseball . . . or go for a long pleasure drive on a Sunday afternoon.

Yes . . . it all sounds so wonderful. When this war is over we will have peace and all that we will have to do is keep it. It sounds easy . . . all that we have to do is keep it. . . . If only it were as easy as all that.

"Wait," someone says, "I have a perfect plan . . . the way to end all wars for America. All we have to do is establish post-war conscription. . . . Merely have all of the boys take one year of military training. Then America would become so strong that no one would dare to attack her."

Again it sounds so easy. But will military conscription really solve all of our problems? Can we maintain peace by drilling the principles of war into the minds of our young people? I say emphatically, NO. If it is peace we want, then we must try other ways. We ought to realize by now that you cannot lead the people of the world along paths of brotherhood, (which leads to everlasting peace), by teaching American youth to hate and to kill.

We know that young people are quick to adhere to changes and reforms. Hitler proved this when he trained his youths to follow him. Since this fact is true, let's take advantage of this trait and instead of instilling bad in the minds of our boys, instill good. In other words, we know that we reap what we sow, so why not overcome evil by doing good? If we want the nations of the world to live together in peace we must encourage nations to cooperate with each other and thus build a world of love rather than one of hate.

We are told that if America had had compulsory military training after World War I, World War II would not have occurred. If we want to insure a peaceful future, all that we have to do is build up in soldiers, guns, tanks and airplanes. There are several things wrong with this logic. First of all, if it is such a magnificent plan, why has it always failed in the past? History shows us that nation after nation has tried the plan of compulsory military training. Did it prevent wars? Indeed it did not; in fact, it did quite the contrary. Compulsory military training merely forces nations to work . . . not together but against each other . . . each nation trying to make her army the largest.

Furthermore military training would not be able to protect us because of defying weapons that have been invented during this war.

Yes, we love our America and we want to keep her free. Then let's keep her free not by building for another war, but by building for everlasting peace. Peace cannot be found in guns and armaments; peace cannot be found in educating the youth of America in the arts of war. Peace can only be found by educating young America in the traits of fellowship and cooperation. So let's forget about compulsory military training, and with the help of God establish a plan of a just and a lasting peace.

It requires maintaining a grade of at least two A's and two B's or three A's and two B's for membership. Students who have met these requirements for three semesters are active members and those who have had these grades for five semesters are life members.

The purpose of the Dramatic Triangle is to increase the members' knowledge of the theatre; and its duty is to furnish entertainment for the various Girl Reserve social functions.

This year in the meetings the girls had reviews of current plays, and learned about costuming, character make-up, hair styling, and pantomimes.

These girls presented a one-act play for the Father-Daughter party, provided the entertainment for the Mother-Daughter tea, and were in charge of the Christmas assembly for the entire student body.

Each girl hemmed by hand a dresser scarf for the Union Hospital. They then learned to weave belts for themselves of woolen yarn. Mrs. Ocie Brown and Miss Edna Felton gave very interesting talks to the group.

# COACHES

*Coach Paul Hoerneman*

Coach Hoerneman has again brought athletic glory to New Phila High School. In his second year as head gridiron mentor, he produced an undefeated, untied football team that ranked with the greatest scholastic squads in the state. His basketball squad, after an unpretentious season, found the range in the District Tourney and battled their way into the finals, only to drop a close decision to the Zanesville Blue Devils. The fine teams produced by Mr. Hoerneman during the past years stand as a glowing tribute to his outstanding ability as a director of athletics.

*Assistant Coach William Kidd*

Mr. Kidd served as line coach of the varsity for his second year, and he deserves a large share of credit for his work in developing this season's undefeated eleven. He believes in teaching basic fundamentals and his system paid off great dividends. "Bill" was liked and respected by all members of the squad, and we hope that he remains with us for many years.

# THE MANAGERS

MR. HOWEY  
*Faculty Manager*

Mr. Howey is the unsung hero of the athletic department. He had the difficult job of purchasing equipment and taking care of the team's accommodations when they went on trips. He performed these important tasks with efficiency and without fanfare.

Albert Dolzine,      Santi Grasselli,  
John Zion,      James Patrick

## FOOTBALL MANAGERS

These are the boys who were behind the scenes of our undefeated team. They had a fulltime task keeping the pads, helmets, and uniforms in first class condition. These fellows were really appreciated by the members of the squad.

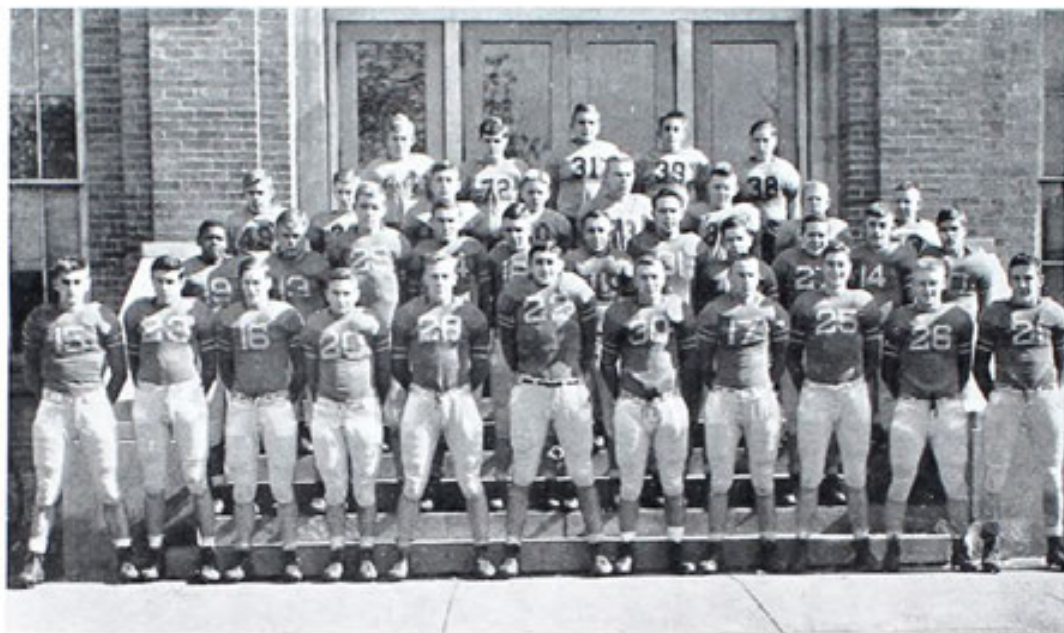

Fred Ricketts,      John Wright

## BASKETBALL MANAGERS

The managers of the cage squad had many duties to perform besides keeping the equipment in top condition. They kept foul charts and shot charts at all practices and during games. They deserve high praise for their accomplishments during the season.

Late in the month of August, Coach Paul Hoerneman issued a call for prospective gridgers to prepare for the rapidly nearing opening game. More than fifty candidates responded, including eleven lettermen from last year's powerful club. These eleven veterans were molded into a team that has had few equals in the history of our school. But let's look at the record.

## THE SEASON

N. P.—40

CAMBRIDGE—0

The Quakers, decked out in flashy new blue and silver uniforms, opened the 1944 gridiron season by crushing the Cambridge Brownies 40-0 at the local stadium. The all-veteran local eleven scored in the first three minutes of the opening quarter and completely outclassed the heavy, but slow, Brownies. Bob Harris, speedy Quaker halfback, led the powerful offensive with four touchdowns.

N. P.—46

DENNISON—0

The Quakers were called upon to defend their county championship against the Dennison High Railroaders and responded by soundly drubbing them 46-0. Again the local speed merchants proved too much for the opposition, and in the fourth quarter the varsity eleven turned the game over to the second-stringers.

N. P.—31

AKRON GARFIELD—6

The heavy Garfield Presidents came to town touted as a team to be feared, but the undaunted locals turned on the power in the opening quarter and completely outclassed the Rubber City lads. The Akronites scored their lone touchdown against the Quakers' second team. Ray Strickmaker, powerful fullback, led the local attack with three touchdowns.

# THE SEASON

N. P.—2

EAST LIVERPOOL—0

The small but mighty Quakers traveled to East Liverpool to meet the undefeated Potters. A capacity crowd of 7,000 excited fans witnessed a mighty defensive battle that featured fine line play by both teams. Marvin Beans, midget Quaker guard, blocked a Liverpool punt in the end zone for a safety which provided the margin of victory. The locals had one touchdown nullified because of a penalty.

N. P.—61

WOOSTER—6

The Phils ran wild in gaining their fifth straight victory of the year over the stubborn, but outclassed, Wooster Generals. The locals ran up a 28 to 0 score early in the second quarter and then turned the game over to the second team. The Generals scored their only touchdown in the final moments of the first half. The Quaker varsity returned to the fray to score 27 points in the third quarter. Rogers, speedy end, snagged two touchdown passes and Hanna, veteran guard, place-kicked seven conversions to aid the scoring.

N. P.—20

BELLAIRE—0

The Big Reds of Bellaire invaded Quaker Stadium with the heaviest school boy team in the State. They provided the Quakers with some of their most bitter opposition of the season, but the locals smashed their way to a decisive 20-0 victory. The alert playing of the hard-charging Quaker line was the decisive factor in this victory. By winning this game the locals were placed seventh in the weekly poll of the ten top teams in the State.

N. P.—26

XVILLE—0

The Quakers met their second county opponent of the year in the form of the Uhrichsville Tigers. Coach "Chick" Maurer's eleven really gave the Phils a scare by exhibiting a sturdy defense which limited the locals to a scant 6-0 halftime lead. But the locals came to life in the third quarter when Harris dashed 65 yards to score on the first play after halftime. The Bengal's fighting spirit kept the Quakers constantly on the alert.

N. P.—20

BARBERTON 0

The Quakers exhibited their best all-around form of the fast-dwindling season, in crushing the tough Magics 20 to 0. By beating Barberton, the locals avenged their lone defeat of last season. The powerful Red and Black line completely smothered the opponents' vaunted passing attack, and the speedy Quaker backs continually broke away for sizeable gains.

N. P.—28

CANTON TIMKEN—13

The Timken Trojans invaded our school stadium to test the Quakers in their last appearance before Thanksgiving. The Cantonites relied chiefly upon their passing attack and by this method succeeded in scoring the only touchdowns made against the first stringers this season. The locals also dusted off their aerial arm, and Strickmaker's deadly pitching set up several of our scoring plays.

N. P.—13

DOVER—0

The final game of 1944 brought together for the thirty-ninth time, those two bitter rivals of the grid-iron, the Dover Crimson Tornadoes and the New Philadelphia Quakers. The Crimson were determined to upset the undefeated locals, and put up a terrific battle all the way. The Quakers, far from top form, pushed across their first touchdown in the opening quarter when Harris dashed twenty-six yards. They tallied again in the final stanza when Strickmaker flipped to Valentine a pass good for forty yards. Eleven men played the entire contest for the Quakers, marking the first time in the history of this ancient rivalry that this has occurred.

By defeating Dover, the Quakers ended their ten-game schedule undefeated and untied. This is the finest record since the great squad of 1934 finished their season with an identical slate. Coach Paul Hoerneman's smooth-working combination featured a fast, shifty backfield coupled with a rugged, hard charging line. This year's eleven was rated one of the five finest teams in the State, and rightfully shares the mythical grid title of Ohio.

**HARRIS**

ROBERT HARRIS

Back

"Speedo" was our leading scorer and ground-gainer this season, and was generally recognized as one of the outstanding halfbacks in the entire State. He was a scoring threat every time he carried the ball, and was a hard driver as well as a shifty runner. Harris was named on every all-State team selected, and was also elected as co-captain for 1944. "Bob" earned his third letter this season.

WILLIAM KNIESNER

Tackle

"Goose" earned his third varsity letter this year and was selected as an honorary co-captain. He was one of the key men in our tough line, and his savage defensive charging won respect from all opponents. "Goose" is a senior, and it will be a problem to find another sterling tackle like him.

MARVIN BEANS

Guard

Marvin is another three-letter winner, and although he was the smallest member of this year's varsity, he was one of the finest blocking guards ever to wear a Quaker uniform. "Beanie" could usually be seen tearing down an opposing linebacker or halfback, and his blocking and defensive ability earned him a position on the United Press All-Ohio squad.

CLARENCE HANNA

Guard

"Bud," the fourth member of the veteran three-letter-man quartet, was an aggressive defensive guard and his consistent play effectively plugged the center of the line. He was also highly skilled in downfield blocking. Hanna did most of our place-kicking, and his reliable toe added many points after touchdowns. He is another senior whose place will be hard to fill in the future.

RAYMOND STRICKMAKER

Back

"Ray" was our pile-driving fullback, and he could be counted on for a gain every time he carried the ball. His deadly passing kept the opponents' defense spread so that our running attack kept rolling smoothly. On defense he backed up the line and was a deadly tackler from this position. "Ray" earned his second letter this year and received All-Ohio recognition.

**HANNA**

**STRICKMAKER**

**STANLEY FISHER** . . . . . *Tackle*

"Stan" was one of our most consistent linesmen, and though rarely a standout, he was always effective. He was a fine offensive blocker, and on defense he was a constant thorn in the opponents' side. Fisher suffered a head injury in the Uhrichsville tilt, but he was back in the lineup the following week, and that really proves his fighting spirit.

**RICHARD GEIB** . . . . . *End*

"Rich" moved up from last year's second team to develop into a fine pass-snagging end. His ability to outsmart defensive halfbacks enabled him to make easy catches in the open field. He was also an accomplished down-field blocker. Geib is another senior whom the team will miss.

**WILLIAM VALENTINE** . . . . . *Back*

"Bill" was really the hard-luck member of the year's squad. Early in the season he suffered an ankle injury which kept him out of two games. Nevertheless, he was back in the lineup for the important Bellaire tilt, and after scoring our first touchdown, he re-injured his ankle. After sitting out the Uhrichsville game, "Bill" played the last three games without mishap. He played out the season under a great handicap, and a lot of credit is due him for his fighting spirit and love of the game.

**ROBERT McMILLEN** . . . . . *Center*

"Bob" filled the important center position for the second year and was recognized as one of the finest pivot men in the State. His defensive play at the line-backing position was outstanding during the entire season, and he has yet to throw a bad pass in two years of varsity play. He is a junior and has been named as a co-captain to lead the squad of '45."

**LISLE ROGERS** . . . . . *End*

Holding down a varsity position for the second year, Rogers proved to be capable in all departments of end play, but was especially noted for his great defensive ability. He was a rugged tackler and was adept at wrecking opponents' end sweeps. Lisle would have been a valuable addition to next year's squad, but he has answered the call to duty and is now serving in the United States Navy.

## EDWARD WARMACK

*Back*

"Eddie" played one of the most important positions on the squad, but it was also lacking in glory. He was the boy who led the interference, and there were few better blockers in the State. "Eddi" loved to block, and he also had the natural ability to call plays in the State. "Eddie" loved to block, and he also had the natural ability to call plays. is a junior and earned his second letter this year.

## NORMAN JACKSON

*Guard*

"Muscles" was our reliable second-string guard, and he really shows great promise for the future. He was called on to sub for Beans in the Dennison and Akron Garfield games, and he did a fine job. "Norm" makes up for his diminutive size with his fighting spirit, and he will be a standout in next year's line.

## ROBERT HARBIN

*Back*

"Bob" played his first year of varsity football, and he was a capable replacement when needed. He drew a starting position in several games when the squad was hit by injuries and responded with some fine exhibitions of ball carrying. His play in the Uhrichsville game was especially commendable.

## DONALD GOWAN

*Center*

"Bart" was another member of this year's squad who carried on under the handicap of an injury. After assisting the coaching staff during the first weeks of practice, he joined the team just before the season opened when a shortage of experienced centers became apparent. He was called upon several times to fill in at a critical moment, and he always performed efficiently.

## EDWARD PATTERSON

*Guard*

"Ed" is another of our seniors who is earning his first varsity letter this year. He was one of those fellows who make it tough for the varsity during practice. Although he didn't see much game action, "Ed" is the kind of player that no team can do without.

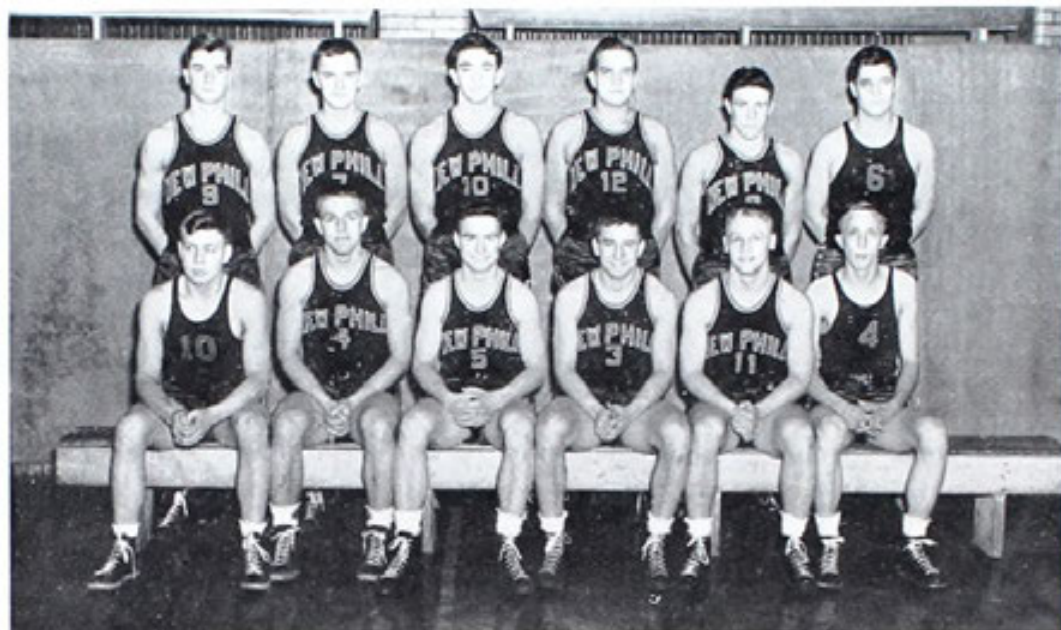

## DANIEL MISKIMEN

*Guard*

This was Dan's first year of high school football, and his lack of experience kept him from seeing much action in games. But his dogged determination, persistence on the practice field, and loyalty to the squad were unlimited.

Row 2—Richard Geib, Jack Stoneman, Stanley Fisher, Leon Yarnell, William Valentine, Howard Schneider.

## THE GAMES

### PHILA—42

### ZANESVILLE—40

The 1944-45 Quaker cage squad opened the new season with a thrilling triumph over the rangy Blue Devils from Zanesville. The contest was even all the way, with both teams displaying smooth form. "Stan" Fisher, substitute center, potted the winning basket with only thirty seconds left to play.

### PHILA—51

### DENNISON—16

The Red and Black met their first county opponent when the Railroaders from Dennison invaded the local gym. The Phils lost little time in piling up a tremendous lead and then coasting to victory. "Rich" Geib led the local offensive with fifteen points.

### PHILA—43

### WOOSTER—36

The Quakers added the Wooster Generals to their fast growing list of victories in an exciting contest that was marked by the erratic play of both clubs. The visitors provided the Phils with plenty of competition, but were unable to overcome the locals' lead.

### PHILA—37

### NEWCOMERSTOWN—32

The second county foe to face the Quakers was the Trojans from Newcomerstown. The game was featured by the tight defensive play of both aggregations, and the locals were again forced to the utmost to pull the game out of the fire. The triumph marked the fourth straight victory for the Red and Black.

### PHILA—33

### CANTON LINCOLN—32

The Quakers took to the road for the first time this season for their contest with the Lincoln Lions. The game was a thriller all the way with the lead changing hands several times. "Eddie" Warmack tallied a foul shot in the final minute to provide the margin of victory.

### PHILA—28

### DOVER—30

In quest of their sixth straight victory the locals trekked to Dover's Memorial Hall to engage our traditional rivals. Both teams displayed very erratic ball handling and shooting, and the Quakers came out on the short end of the score. This marked the first time in two years the Quakers have been defeated by a county team.

### PHILA—40

### MANSFIELD—35

The locals bounced from their initial defeat to hand the highly touted Mansfield Tigers a forty to thirty-five setback. The Quakers took a commanding first-half lead, but were forced to stand off a determined Tiger rally in the final stanza.

**PHILA—32**

The Quakers journeyed to Massillon for their seventh contest and received their second setback of the current season. The fast-thinking Tigers displayed far too much power for the local five, and their fast-breaking offense worked to perfection.

**PHILA—37**

The red-hot Potters from East Liverpool invaded the local gym and all but ran the local five off the floor. The visitors took a commanding first half lead and then rode in to victory. The hapless Red and Black played their poorest ball of the year.

**PHILA—37**

The Uhrichsville Tigers handed the Quakers their third straight setback of the season on the local court. The Hoerneman lads were unable to hit the hoop with any regularity, and the powerful Tigers took full advantage of the Phils' weakness.

**PHILA—42**

In a complete reversal of form the Quakers polished off the highly touted boys from Columbus 42-30. The local zone again operated effectively and permitted the Capital City lads few good shots. "Rocky" Stoneman shot fourteen markers for the local total.

**PHILA—64**

The Red and Black polished off the Cambridge Brownies for their eighth victory of the season. The local offense left little to be desired, as the Quakers piled up their greatest point total of the year. Warmack headed the scorers with nineteen points.

**PHILA—37**

Coach Paul Hoerneman's lads reached peak form in drabbing the previously undefeated Barnesville Hilltoppers. The Quakers led the entire contest and were never in trouble, although the Barnesville boys battled all the way.

**PHILA—28**

The Phils' second tussle with the Crimson five took place on the local floor and resulted in the Quakers being knocked out of the county titular race. The game was exceedingly rough, and numerous fouls were called on both squads. The Quakers trailed the speedy Doverites the entire contest.

**PHILA—47**

The locals dropped their sixth contest to an improved Cambridge team in a return match on the Brownies' court. Phila set the pace the entire contest and was leading 47-46 in the final seconds, when a Brownie player picked up a loose ball and caged an easy lay-in shot.

**PHILA—41**

The Red and Black five again took to the road, this time to engage the powerful Timken Trojans at Canton. After battling on even terms in the first half, the Quakers succumbed to a third period spurt by the wily Cantonites and dropped far behind. A fourth period offensive netted the fighting Phils twenty points and averted a much greater defeat.

**PHILA—19**

The Quakers were unable to climb back on to the victory wagon, and as a result dropped a 20-19 decision to the Uhrichsville Tigers in a weird contest played at Dennison. The Phils were limited to one fielder the entire first half, as both teams played overly-cautious ball. This marked the first time in many years that the Red and Black dropped two games to the Tigers.

**PHILA—43**

The locals managed to get back in the win column with an unimpressive victory over the Orange and Black. "Eddie" Warmack bagged fifteen tallies to again spark the offensive.

**PHILA—41**

The last game of the regular season was a postponed contest with the Barnesville quintet. The Quakers grabbed a first quarter lead and finished strong to gain their eleventh victory against eight defeats.

## THE TOURNAMENT

**PHILA—63**

The Quakers drew Carrollton as their first-round opponent and romped to an easy victory. The locals packed too much power for the Carrollton lads, and the score could have been much greater had not Coach Hoerneman pulled his punches. "Rich" Geib led the red-hot Quakers with twenty points.

**PHILA—38**

In their second game of the district joust, the Phils provided a mild upset with their thrilling victory over the seeded Redskins. The locals built up a first-half advantage only to have Coshocton stage a brilliant last-period rally that just fell short of victory. "Bill" Valentine was high scorer with eleven markers in addition to playing a brilliant floor game.

**PHILA—41**

The Quakers earned the right to play in the District finals with a decisive victory over the Cambridge Brownies. The game was even for three quarters, but the Red and Black ran wild in the final stanza when the Brownies fell apart at the seams. Geib again led the locals with twenty points.

**PHILA—41**

The Quakers ran up against aggressive Zanesville Blue Devils in the finals, and when the smoke cleared away, the Zanesville boys were District champions. The game was marked by the thrilling comeback of the locals, which knotted the score at 40-40 and forced the game into an overtime period. Jack Stoneman led the scorers with a total of twenty-two points and was credited with the outstanding single performance in the entire tournament. The Quakers finished the season with a record of fourteen wins and nine setbacks.

# THE PLAYERS ○

**GEIB**

**RICHARD GEIB**

*Forward*

"Rich" played his second year of varsity ball this season and was recognized as one of the finest forwards in this district. He was an accurate set shot, a great rebounder, and a sterling defensive man. His outstanding scoring exhibition in the tournament gained for him a first team position on the All-Tournament Squad. Geib is a senior and will be hard to replace.

**EDWARD WARMACK**

*Guard*

"Eddie" was the Quakers' outstanding guard this year, and his cool-headed leadership helped to keep the local offense rolling. He was a two-legged demon on defense and frequently intercepted opponents' passes. Although only a junior, "Eddie" received honorable mention on the All-Ohio squad, which proves his great ability on the court.

**JACK STONEMAN**

*Forward*

Jack was one of the best offensive players on this year's squad. He was a scoring threat from anywhere near the basket and could always be counted on to come through in crucial moments. His great all-around playing in the final game of the District Tournament gained him a first-team All-Tournament berth. "Rocky" was also given credit for the outstanding individual performance in the District meet.

**ROBERT E. HARRIS**

*Guard*

"Bob Ed" earned his second letter this season and was a fine all-around player. He was not a high scorer, but his steady play and coolness were a great asset to the squad. "Speedo" turned in several outstanding exhibitions as a substitute during the year.

**RAYMOND STRICKMAKER**

*Guard*

"Ray" moved up from last year's Reserve team and gained a starting position during the latter part of the season. He was a fine dribbler and a dead-eye on long shots. Strickmaker was selected as a second-team guard on the All-Tournament squad. He is also a senior.

# ○ THE PLAYERS

## WILLIAM VALENTINE - - - - - Forward

"Bill" was handicapped by an old football injury during the first part of the season, but he overcame it and developed into one of our outstanding players. He was particularly good on defense and was usually assigned to guard the high scorer of the opposition. His playing against Coshocton in the District Tourney was particularly commendable.

## STANLEY FISHER - - - - - Center

"Stan" was the biggest member of the squad, and he was always dependable. He was a good rebounder and could always be counted on to score. Fisher was a hard worker in practice and a spirited player in all the games. His basket in the last minute of the game against Zanesville started off the season for the Quakers with a victory.

## ROBERT HARRIS - - - - - Forward

Robert was one of the tallest members of the team, and he used his height to good advantage under the backboards. This was his first year with the Varsity, and he shows great promise for the future. He is a junior and has another year of Varsity competition.

## JACK SINGERMAN - - - - - Guard

Jack was another boy from the Reserve team who developed into a stand-out guard. He was especially noted for his ability to make long shots. Singerman is another junior who should spark next year's quintet.

## LEON YARNELL - - - - - Center

Leon was the hard-luck boy on this year's quintet. He started out the season at the first-team center position and turned in some fine exhibitions, but he suffered a wrist injury which kept him out of some of our most important tilts. Yarnell is a junior and should be an outstanding performer next year.
