DELPHIAN

NEW PHILADELPHIA HIGH SCHOOL  
NEW PHILADELPHIA, OHIO

VOLUME XXXVI

All through our childhood our parents guided our steps and helped us get started on the path of life. Now, that we are going out alone, their teachings will continue to guide us along the way.

And so, to our parents, we, the Senior Class, on this day of graduation, May thirty-first, nineteen hundred and forty-nine, wish to dedicate this poem.

## *Gratitude*

You have taught me how to live,  
As God would want me to,  
Your hands have ever guided me,  
In all the things I do.

You have taught me to live for the future,  
For whatever tomorrow may bring,  
To live each day in beauty,  
Oh, thy praises I do sing!

You have taught me never to forget  
The wondrous things God made,  
The sun and rain, the dark and dawn,  
An endless cavalcade.

You have taught me to believe in dreams,  
To keep faith in high ideals,  
To keep striving ever onward, upward,  
Meeting the problems which life reveals.

Most important, you have taught me  
The difference between good and bad,  
So, with gratitude I say to you—  
"Thanks, Mother and Dad."

# Thanks for the Memories

In the fall of 1946, one hundred amateurs entered senior high to begin a new phase of school life. At last we were sophomores. Our first big job was the election of officers. Richard Day became our president, Reeves Warm, our vice-president and Helen Hannawalt, our secretary-treasurer. Many of the boys started out on their football and basketball careers. There were many dances throughout the year; but the best of all was our very own George Washington Dance on February 21.

In 1947 we came back to school as full-fledged juniors and proud of it, too. At last we were well on our way and this was proved when we all sported our class pins and rings. March came with cut classes, jokes and lots of fun—the Junior Jamboree was here.

Then, best of all, came our first Junior - Senior Prom, frothy dresses, dancing feet, and laughing eyes.

Our last year of school was finally here. For this we had been waiting eleven years.

Our first dance, sponsored by the Delphian Staff, was held after the Uhrichsville game. The Christmas Dance was one that will never be forgotten. The G. R. semi-formal was a "dream come true." In contrast to these festive affairs, the band held a square dance in February. Everyone had loads of fun but the dance ended too quickly. The class play, "Now and Forever," was presented on May 13 and was a great hit, enjoyed by everyone.

How about all the fun we had at the Senior Prom, our last high school prom? We all hoped that the memory would remain with us forever.

Then came graduation, and the seniors marched slowly down the aisles to receive their diplomas.

Our high school days had disappeared from reality; but they will not be forgotten.

## *The Play*

Aunt Ellen, a plain, thirty-one year old spinster, has given up her chances for marriage to rear her dead sister's family.

Minerva, a precocious child of ten, awakens Ellen to the realization that she is wasting her years, mothering this thoughtless, imposing family. Throughout the play we feel sympathetic towards Ellen, but in the end we are completely satisfied when her former fiance returns and still finds he is in love with Ellen.

# You Can't Take it With You

We, the graduating class of nineteen hundred and forty-nine, bequeath to all classes of the future the good times we've had in our senior year, but take with us the treasured memories of our high school days.

We hereby bequeath:

Article I—To Pat Lemasters, Bill Michelli's stool at "Billy John's."

Article II—To Ed Eckfeld, Howard Spring, better known as "Toni", leaves his "home kit."

Article III—Ike Reynolds wills his line to Ferdinand the Bull.

Article IV—To next year's football team, the 1948 team leaves all the hotels it didn't get to make "use" of this season.

Article V—"Buff" Gowins bequeaths her bangs to Ishkabibul.

Article VI—To all future football captains, Jim Pritz wills his privilege of kissing the football queens.

Article VII—Pat Gershel entrusts her ability for unending conversation to Father Time.

Article VIII—Dick Huebner leaves his muscles to the "Boxer Rebellion."

Article IX—Jerry Zimmerman speeds away.

Article X—John Trunk leaves the halls peaceful once more.

Article XI—Janet Williams leaves the treasury—empty.

Article XII—Marlene Major leaves—a year too soon!

Article XIII—Kenny Peach leaves his basketball shoes to anyone who can fill them.

Article XIV—Earl Schwartz wills his car? ? to the Ford Museum.

Article XV—Several senior girls leave their paint cans and brushes to anyone with enough "intestinal fortitude" to use them.

Article XVI—Dick Fey wills his pompadour back to "the Madame."

Article XVII—Zelma Beans leaves—to major in matrimony.

Article XVIII—The senior boys will their cowboy boots, we hope, to the "junior roughriders."

Article XIX—Margaret Alexander leaves behind an endless trail of ex-boy-friends.

Article XX—Louise Clausing wills her freckles to anyone wanting them.

Article XXI—"Herbie" Garritt leaves his five o'clock shadow to the Smith Brothers.

Article XXII—We would be very glad to leave Pop Bender's moustache in his shaving mug.

Article XXIII—Jack Dudley wills his never-failing pep and energy to Dick Wassem.

Article XXIV—Charles Campbell leaves his name on just about every desk.

Article XXV—Jim Beitzel leaves—without a backward glance.

We do hereby appoint our worthy advisers, Miss Wright and Mr. Ralston, as executors of this document to which we affix our seal on this day of graduation, the thirty-first day of May, nineteen hundred and forty-nine.

Belonging to this club is, perhaps, the only glory these students receive for their scholarship work other than the satisfaction in their own minds.

The activities for the Honor Club this year consisted chiefly of the fine banquet given them by the College Club, and the annual Honor Assembly at which all the scholarship awards were presented.

# Angels with Dirty Faces

A really good year was this for the Hi-Y. After the first meeting twenty-one new members were admitted, making the largest club in senior high for many a year.

The main undertaking this year was the selling of refreshments at basketball games. In this way the Hi-Y financed their annual banquet and dance in the spring.

El Circulo Espanol was organized in our school to familiarize Spanish students with the customs and culture of Latin America and Spain. Their interesting monthly meetings, conducted in Spanish, were devoted to promoting good will between our country and the Spanish-speaking countries.

Among the activities during the year, were the Navidad fiestas, or Christmas parties, held in each class. The members performed the ancient custom of the Pinata in which a gaily bedecked vase is hung from the ceiling to be broken by a blindfolded youngster swinging a club. They also performed the Posada, a long, complicated rite; each evening for nine evenings before Christmas, a procession goes to different houses before finally being admitted into one on the ninth evening. This is Christmas Eve. The traditional ceremony symbolizes the difficulties in finding lodgings encountered by Mary and Joseph.

At the termination of the first semester, a party was held to welcome the first-year students into the club.

To wind up their interesting year, the Spanish Club, together with the German Club, held their annual Language Club Banquet.

# Ach, Ja!

The purpose of the German Club is to promote interest in German life, customs, and language. Membership is open to first-year German students with an average grade of A or B. There are no restrictions for second-year students.

One of the interesting activities this year was a Travel Talk by Mrs. Homer Salt, who made a trip through Germany last summer. The social functions for the year included a Christmas Party and initiation of new members, climaxed by the Language Club Banquet for both German and Spanish students.

The purpose of the Student Library Staff is to acquaint the girls with library procedure, and to create interest in library work. They work during their study periods, and their duties include charging and carding books, reinforcing magazines, mending books, shelving books, aiding students with reference material, and helping to take inventory.

The main social activity of the year was a Christmas party to decorate the library and an exchange of gifts.

"Every man who knows how to read has it in his power to magnify himself, to multiply the ways in which he exists, to make his life full, significant and interesting."

—Aldous Huxley

# Ya-ta-ta, Ya-ta-ta

To belong to the Debate Club you should have the desire to learn to debate. There is no scheduled time or place for the meetings of the club; the meetings are held either in Room 42 or in the auditorium. The members of the club learn to speak and debate and they also gain a greater knowledge of world affairs.

Some of the club's activities for this year included: two debates with the Dover and Midvale teams, an assembly for the student body, and a Debate Tournament in Dover.

For membership on the Central News Staff, you must have ability, interest, and willingness to serve. The staff meets the first period every day in Room 28 to report school activities for students and friends of the school. They publish the school newspaper, Central News (the "C. N." to the staff), and in addition to this, report school news through the Quaker Highlights Column, which appears in The Daily Times each Friday evening.

# *Kittens on the Keys*

The work of the Central News Typists was to tabulate material and cut the stencils for the Central News Staff. They did this work during fifth periods and in other spare time that they had. The requirements for this service are efficiency, speed, and accuracy.

The production manager, Marlene Major, and her assistant, Anna Lee Deserio, mimeographed this paper every three weeks.

At the beginning of the year, the Athletic Management selected this group to serve as Stadium Ushers.

These girls put forth their efforts at every home football game to see that the fans in the reserved sections were seated properly.

At the end of the football season, the girls took a moonlight hike which ended at Schoenbrunn for a wiener roast.

# Big Business

After several years of inactivity, the Commercial Club was revived this year for the purpose of helping bookkeeping, shorthand, business organization, and salesmanship students to learn more about business procedure and work. At first, there was an acute lack of boys in the club; but, due to the interest shown by everyone, quite a few of them were drawn into membership.

This club planned many programs among which were several visits to various downtown offices. A barbecue was held at the close of this year.

This year the endeavor of the Music-Arts Triangle, under the capable leadership of Miss Beaber, was to give the girls a better understanding and appreciation of the beauties of music and to develop their artistic abilities.

The members of the Music-Arts Triangle helped out with the Girl Reserve Christmas program, planned for the benefit of the Children's Home. In addition to helping buy the gifts, these girls made many beautiful Christmas cards for the children to send to relatives and friends.

During the month of February, they made attractive programs for the Girl Reserve Dance.

# Junior Miss

The Tips-to-Teens Triangle meets one Tuesday in every month under the direction of Miss Slater.

This triangle helps girls to solve their everyday teen-age problems. This year the girls decorated for the Girl Reserve Dance. Also they made lovely table decorations for many parties.

The triangle was responsible for two general meetings which they planned and presented themselves.

This year the Senior Dramatic Triangle was kept most interesting by the amusing skits, monologues, and short talent shows produced and presented by the members at every meeting. Some of them were entirely unrehearsed, but turned out quite successfully.

The triangle held a meeting on Tuesday once each month. They presented a pageant at the Christmas Assembly, which was enjoyed by the entire student body.

# Stage Door

The Junior-Sophomore Dramatic Triangle meets the first Tuesday of each month. To be a member of this triangle you must be a member of either the Junior or the Sophomore Class.

The purpose of this triangle is to help girls to understand dramatics and also to furnish them an opportunity to act in plays.

This triangle presents a program for a general meeting and plans the Father-Daughter Banquet, and the Mother-Daughter Tea. They also plan the refreshments for occasions when refreshments are served.

The Home Economics Club is much larger this year due to the larger economics classes. The purpose of this club is to teach the girls how to have a happy home life and to promote good fellowship among friends. They worked on articles useful in the home and made Christmas gifts for their families and friends. Skits are presented at each meeting.

# Dry Bones

To induce the boys to look at the more practical side of science, there is the Science Club. This club is open only to boys taking chemistry and physics, training them to put their scientific knowledge to practical use.

At their meetings they had several demonstrations, slides shown by Miss Helmick, and exhibits of rocks and minerals which were received through the Ohio State Museum.

From 7:00 to 10:00 every other Wednesday evening, the students in the machine shop course congregated at the school shop for Vocational Club meetings. While this club was organized primarily to help its members to learn more about the machinist trade, it was also formed for social and recreational purposes.

The educational program of this organization consisted of lectures delivered by men from industry, plus projects to make machined items for a display case.

The Student Machinists held parties several times during the year, and they climaxed the term with a picnic.

The athletic activity of the members was the sponsorship of an independent basketball team, which played at noon against other intramural teams.

# Face the Music

The A cappella Choir, composed of seventy-seven members under the direction of Mr. Paul Bliss, did an outstanding job this year.

The Choir, throughout the years, has established many traditions. Some of these are the singing of Christmas carols through the halls of junior and senior high schools, and in the Public Square during the Yuletide Season. They also sang for various civic organizations and for Commencement and Baccalaureate services.

The Choir sings well-known, good music, which is enjoyed by the school and the entire community.

The school orchestra, directed by Mr. Bliss and Mrs. Boffo, showed considerable improvement over former years. One of the main reasons for this improvement was Mrs. Boffo's daily sectional rehearsals with the string section. On Tuesdays and Fridays, with Mr. Bliss conducting, the full orchestra rehearsed.

The orchestra performed several times this year: for the Junior Chamber of Commerce; on Orchestra Night, March 25; and for the 1949 Baccalaureate and Commencement services.

# Music in the Air

This year's dance band, directed by Bill Buchanan, was highly appreciated by the entire student body. Many times during the year the ears of said body were regaled with the music, hot and sweet, of these accomplished musicians.

Rehearsals were held at the convenience of the artists, usually at Bassist Peterson's or at Maestro Buchanan's. A few were held at the "Rec" and the remaining ones at the high school.

Their principle activities during the year included furnishing music for after-game dances. They also played for the Football Queen Dance and Christmas Dance. A special group of the most talented of these young prodigies played for the Legionnaires at the Legion Home.

The Assembly Committee is composed of a sophomore, junior, and senior, chosen from each home room. The purpose of the Committee is to plan assemblies which will provide constructive educational entertainment and to plan assemblies so that a larger number of students may participate and "learn by doing."

Among assemblies this year were speakers; Mr. Dallavaux, an authority on child psychology; Mrs. Irene Ihde, an Evangelist; and Angel Alex, who spoke on his life in Greece. Musical assemblies were furnished by Mrs. Foster Flora, pianist; the Uhrichsville High School Band; and the White Hussars. A debate was presented by students from Western Reserve University and the University of Pittsburgh. Enjoyable school talent assemblies were the Christmas and Easter programs.

# Let's Stop the Clock

The purpose of the Senior Activity Committee is to organize and promote more interesting activities in the Senior Class.

The members were appointed by the Senior Class and the chairman was appointed by the principal.

The committee is divided into groups, each with certain duties, which include the supervision of the gym during the noon hour, the supervision of noon-hour dances, the supervision of the study hall at noon, and teaching the seniors to dance.

The committee meets in the conference room the fifth period at least once a month.

Come one, come all good sports!

The girls in the Girls' Athletic Association must have a good scholastic standing, good sportsmanship, good fellowship, and must play all games fairly.

Every Tuesday during September and November, the girls met after school for softball. Some soccer was played if it rained. From November to February, basketball and bowling were enjoyed. In February and March, volleyball and swimming were among the events shared by the group and in March through May, archery and softball. Besides being kept busy by all these sports, the girls sponsored many other activities: such as, noon-day dances; the Football Queen Dance, with Dana Davis reigning as Queen; a scavenger hunt in October; and a Christmas exchange after a peppy basketball game in the gym. In February, the Irishmen had a good time at the St. Patrick's Day Dance. In March, a roller-skating party was held; in April, an alumni field meet. To finish up the year just right, there was a Senior Surprise.

This year's fine team was well represented in the selection of All-Ohio honors. Our team was chosen as tenth best team in the State on the I. N. S. poll. Captain Jim Pritz, alternate on South State All-Star Team — Dick Huebner, second team I. N. S., honorable mention U. P. — Jim Metcalf, third team I. N. S. — Earl Harbin, honorable mention A. P. and I. N. S. — Dave Leggett, honorable mention A. P.

KINKADE

## WILLIAM KIDD

Coach Kidd again brought glory to the N. P. H. S. gridiron. His fast-charging line was the envy of many enemy mentors. He guided his squad to an excellent season, losing only one game, winning nine, including a victory over the vaunted Columbus West Cowboys. As assistant basketball coach he piloted the Little Quakers through a successful season, winning 17 and losing 2.

## THOMAS KINKADE

Tom Kinkade, coaching the Phils for the second year, led a fighting Quaker quintet to a District Championship, the first since 1940. The 1949 record of 18 wins and 6 losses was proof of Coach Kinkade's ability as a basketball mentor.

HARBIN  
DAY  
REYNOLDS

JAMES PRITZ, 20 — "Jim" was our very able captain this year. He had the tough job of selecting the plays to be run. He mixed them well and kept the opposition guessing at all times. He was a fast, elusive runner and was selected on the Ohio All-State Team . . . RICHARD HUEBNER, 11 — Throughout the season "Duss" played a bang-up game at end which was proved when he was selected on the I. N. S. All-Ohio Second Team. His pass catching was outstanding and his defensive work excellent . . . JAMES METCALF, 18 — "Jim" was our leading scorer this year and was selected on the I. N. S. All-Ohio Third Team. He should really shine next season . . . EARL HARBIN, 17 — "Speed" played end for the Phils and received honorable mention on several Ohio teams. His bone-crushing tackling and rough blocking will be long remembered by Quaker opponents. . . . RICHARD DAY, 10 — "Dick" alternated with Bates at the fullback spot. He was a fast, deceptive runner, a scoring threat at any time . . . EUGENE REYNOLDS, 15 — "Ike" saw plenty of action at his defensive halfback position this year. His big shoes will be mighty hard to fill in the future.

BROCCO  
BATES  
LEGGETT

LOUIS BROCCO, 22 — Louis earned his first letter this year. He was a standout on defense but rarely played on offense . . . JOHN BATES, 36 — "Jack" alternated between fullback and quarterback to earn his second varsity letter. He was a good passer and a pile-driving fullback . . . DAVE LEGGETT, 12 — "Dave" was just a Sophomore this year but walked away with first string quarterback position. His ability to pass and to run will prove very valuable to next year's squad . . . WILLIAM MICHELLI, 33 — "Bill" held down the center of our line. His heads-up work at the line-blocking position helped the defensive work decidedly. His graduation will leave a large gap which will be very hard to fill next season . . . PENFIELD TATE II, 26 — "Big Boom" was the most improved lineman on the squad. He held down one of the rugged tackle positions and did a fine job. His power will be greatly missed next year . . . ALLAN RODD, 34 — "A. K.", although getting little game experience last year, was one of the starting guards. His good blocking and hard charging were very helpful to the line.

JERRY PHILLIPS, 13 — Jerry didn't see much action this season because of a shoulder injury. He was one of the hardest working members on the team. His speed and spirit will be greatly missed next year . . . JOHN TRIMMER, 19 — "Jack", because of his small stature, deserves a lot of credit for playing football. He was a fine quarterback and a hard runner . . . GENE CARGNEL, 24 — "Skinny" was one of the smallest men on the squad. He was a reliable first-string replacement but didn't see much action because there was seldom a need for substitution . . . JERRY WAMPFLER, 31 — "Plug" held down the rugged tackle position. Although a junior, he was one of the main cogs in the line. He has well proved his ability on the gridiron, and will be a big help next year . . . LADD CARPENTER, 37 — Ladd was the kind of boy that makes a good football team. Although never spectacular, he was always consistent and had a fighting spirit. He was one who kept the first string working hard at all times . . . MICHAEL RAPPORT, 32 — "Mickey" didn't play football last year but proved himself a real asset to the squad this year. His rugged tackles and rough blocks will be a tremendous help to next year's team.

## Schedule

N. P. H. S. — 26

Wickliffe — 13

Starting the 1948 gridiron season with seven lettermen, the Quakers opened their schedule with a 26-13 victory over Class B Wickliffe. The Phils took a 20-0 lead in the first half but wilted in the second half.

N. P. H. S. — 6

Coshocton — 7

Scoring early in the first period, the Quakers lost out in the final three minutes. The statistics of the game were about even, with Coshocton holding a small edge. Leggett's passing and Metcalf's punting were outstanding.

N. P. H. S. — 14

Akron Garfield — 6

With the Phils' line showing a great improvement, the Quakers rolled to their second win in three starts. The Phils took the opening kick-off straight to pay dirt. Garfield was held to one first down in the first half and to four in the entire game.

N. P. H. S. — 33

East Liverpool — 12

After trailing twice in the first period, the Phils came roaring back to lead 21-12 at half time. Holding a big statistical edge over East Liverpool, the Quakers easily scored two more TD's to turn the game into a rout.

N. P. H. S. — 13

Canton Timken — 0

Forced to play a defensive game the first half, the Phils came stomping back in the last two periods to win a 13-0 decision over the "mighty" Timken Trojans.

## Schedule

N. P. H. S. — 31

Columbus West — 7

The Quakers completely subdued the vaunted Columbus West Cowboys by an impressive 31-7 defeat. The Phils led 12-7 at half time and pushed over three touchdowns in the second half to win a hard-fought game. Following this victory the Quakers gained 10th place in state ranking.

N. P. H. S. — 44

Bellaire — 0

To retain their state ranking, the Quakers defeated the "Big Red" by eleven more points than did Martins Ferry, the third ranking team in the state. The Phils scored in every period in a dull, one-sided game.

N. P. H. S. — 49

Uhrichsville — 0

Gaining revenge for their 32-0 defeat in '46 and 0-0 tie last year, the Phils stomped out a 49-0 victory over the undermanned Tigers. The Phils scored in every period, with Rodd adding seven extra points.

N. P. H. S. — 25

Canton Lehman — 7

The Quakers made a clean sweep of their two Canton opponents by defeating the Lehman Polar Bears in a hard-fought battle. The Phils were more impressive than the score indicated, having two touchdowns called back.

N. P. H. S. — 12

Dover — 7

After being held to a scoreless deadlock in the first half by a fighting Dover team, the Phils came roaring back to win! The game was featured by the rugged line play of both teams. Day was the offensive star of the game.

## TRIMMER GRAGES

JOHN TRIMMER — 8 . . . "Jack" was one of our aggressive guards. He and Grages pressed the opposition in the frontcourt and racked up a lot of points on steals. His one-handed shots from out front were dreaded by the Quaker opponents . . . KENNETH GRAGES — 3 . . . "Kenny" was the most alert man on the squad. His sharpshooting eye from the frontcourt was always a threat in every game. His daring interceptions at the most opportune times will be long remembered . . . EUGENE REYNOLDS — 15 . . . "Ike" was one of our rebound men who did a lot of scrapping when it was needed. He helped win many a game with his peculiar one-hand set shot. His long strides will be remembered long after his graduation from N. P. H. S. . . . RICHARD HUEBNER — 7 . . . "Duss", earning his second varsity basketball letter, did a superior job at the pivot spot. His expert passing and faking could not be stopped by the Quaker foes. N. P. H. S. will have to look far and wide to get a player with his morale and spirit.

LEGGETT  
EICHEL

PEARCH  
PRITZ

DAVID LEGGETT — 12 . . . "Dave", although only a sophomore, earned his varsity letter at one of the forward spots. His ability to get off his feet and bring down the rebounds will be very helpful to next year's squad . . . JAMES EICHEL — 9 . . . "Jumpin' Jim" was the only substitution used to any extent. His one-handed shots were very deadly at all times. He worked hard always and was a challenge to the first string . . . KENNETH PEARCH — 14 . . . "Kenny" was a big 6'6" center. His lack of playing experience kept him from seeing much action, but he was a big help when used. His height was one of the reasons that our rebounding was very good . . . JAMES PRITZ — 10 . . . "Jim" was a very able man at any time. His passing ability was fine and his driving excellent. His game time was limited as substitution was very seldom needed.

N. P. H. S. — 47

Cambridge — 53

Starting the season with four lettermen, the Phils lost a 53-47 decision to the Cambridge Bobcats. The Quakers staged a rally in the final quarter and were pulling close when time ran out.

N. P. H. S. — 51

Zanesville — 44

Coming back after a disheartening defeat in the first game, the Phils handed a 51-44 defeat to the Blue Devils. Trimmer and Huebner found their shooting eyes as each scored 13 points.

N. P. H. S. — 39

Wellsville — 48

Unaccustomed to a large floor, the Quakers fell foe to an underdog, Wellsville. The Phils were in low spirit and were looking forward to future contests with great anxiety.

N. P. H. S. — 45

Akron Garfield — 52

The tall Presidents caught the Phils off guard from the start and walked off with an easy victory. The Quakers rallied late in the game but Garfield staved off the attack.

N. P. H. S. — 57

Coshocton — 56

Bouncing back after their loss to Garfield, the Phils had an on night and took a thrilling victory from the vaunted Coshocton Redskins. This victory avenged the football defeat which ruined a perfect season on the gridiron.

N. P. H. S. — 75

Newcomerstown — 34

The Trojans had a very tall team but the small Phils started at once, scoring at will. The 75 point score broke all records for scoring in the Welty gym. Eichel was high with 16.

N. P. H. S. — 35

Dover — 51

On an off night, the Quakers fell to a fighting Crimson five. The Phils were behind by two at the half and four at the end of the third period. Dover rallied and were pulling away when the final gun sounded.

N. P. H. S. — 66

Uhrichsville — 36

Getting off to a good start, the Quakers took their fourth victory of the season at the expense of the Xville Tigers. Dave Leggett, sophomore, racked up 18 points to lead the Phils to victory.

N. P. H. S. — 67

Mansfield — 60

After a rough and tumble game, in which the score was tied 13 times and 60 fouls were called, the Phils checked up the fifth victory over the Mansfield Tygers. The Phils lost most of their starting five on fouls as Grages led the Quakers with 18 points.

N. P. H. S. — 74

Newcomerstown — 54

The Phils made a clean sweep of the Trojans when they easily defeated them in a one-sided game. Huebner hit regularly from the pivot spot to score 17, while "Ike" Reynolds was second with 15.

N. P. H. S. — 60

East Liverpool — 57

Edging a tough East Liverpool quintet in the final quarter, the Phils extended their winning to four in a row. Dave Leggett led the Quakers with 14 points, making 10 out of eleven foul shots.

N. P. H. S. — 64

Wooster — 44

Getting off to a slow start the first half, the Phils came roaring back to swamp the Generals in an exciting game. Huebner, Grages, and Eichel led the Quakers with 13 points each.

N. P. H. S. — 58

Zanesville — 56

The Phils were right at home on the big Blue Devil floor. Their fast break was in fine form and they racked up points at will. Leggett collected 15 to lead the Phils.

N. P. H. S. — 60

Dover — 57

After fighting off a last period Crimson rally, the Phils ran their winning streak up to seven straight. The Quakers were ahead by 14 points at one time in the third period; but the Tornado five rallied and, but for time, the winning team may have been Dover. This victory broke the 11 game winning streak held by the Crimson.

The Phils made the trip to Canton in high spirits after their seven straight wins but returned humble and disheartened after receiving a drubbing from a sharpshooting Canton South team. The Phils were missing their shots while South could never miss. Huebner was high with 12 points.

The Quakers met the Tigers without the services of Kenny Grages, high scoring guard. Handicapped by the loss of their fast break, the Phils couldn't find the hoop. They were behind at the end of the third quarter but rallied to defeat Xville 44-37. Reynolds and Huebner were high with 12 points each.

The Phils got off to a fast start in the first period but fell back in the second and third only to make a final last period splurge to defeat the Railroaders 67-48. The Quakers were missing their shots but began to find the basket late in the fourth period. "Ike" Reynolds was high with 15 points.

After taking the short end of a 57-47 conflict held in Cambridge, the Phils revenged that defeat by this one-sided contest. Huebner was right at home in the pivot spot and racked up 19 points to lead the Phils.

The Phils took the floor, confident of an easy victory over the Wooster Generals. At the end of the first period they were a surprised Quaker five. No matter how they tried they could not overcome a high-spirited Wooster team. Wooster fought until the final whistle but were unable to overcome the valiant Phils. Leggett was high with 17 points.

The Phils, playing possibly their best game of the season, romped over a fighting Tiger quintet to take their first tournament victory. The Quakers got off to a slow start but found their shooting eyes early in the second half to pile up score at ease. This score of 86 was the record for Class A at Dennison this year.

Keeping the lead most of the game, the Phils fell behind 56-53 with three minutes remaining. Only eighteen seconds were left when the fighting Quakers tied the score at 58 all. Then the Phils scored eight points and earned a right to go to New Concord to the District Tournament. There they met the tough Martins Ferry Purple Riders.

The Quakers were rated an underdog to the Martins Ferry Purple Riders, but this time the statistics were wrong. The Phils started slowly on the big floor but found themselves in the third quarter to defeat the Riders and earn the right to meet Coshocton in the District Finals.

For the first time since 1940 a Quaker team captured the district crown. Midway in the third quarter the Phils were trailing by 18 points but the Quakers wouldn't quit fighting and bouted their way to an unexpected upset over the vaunted Coshocton Redskins. The Phils held the lead for only the last 15 seconds but this was enough to advance them to regional play at Youngstown.

The Phils, although the favorites, were defeated by a hot Niles five. The Quakers took a commanding lead in the first period but the Dragons started hitting and came back to take the lead at halftime. With Capuzzi hitting from any place, Niles kept ahead. The Phils tied the score with less than a minute to go but a foul shot and a bucket spelled doom. The fighting Quakers were dropped from tournament play. Niles advanced to Columbus after defeating Struthers in the regional finals.
