VOLUME XXXVIII

Foreword

With the idea of the present, past and future in mind we are moulding the sands of time. With these hands we are striving for the best. They show the work that has been accomplished in the years gone by and now are ready for the tasks that lie ahead. In this book are only a few of the pleasant memories which will always be a warm glow in our hearts. These hands are a part of us. Let them bind us more strongly with friendship, understanding and loyalty.

Dedication

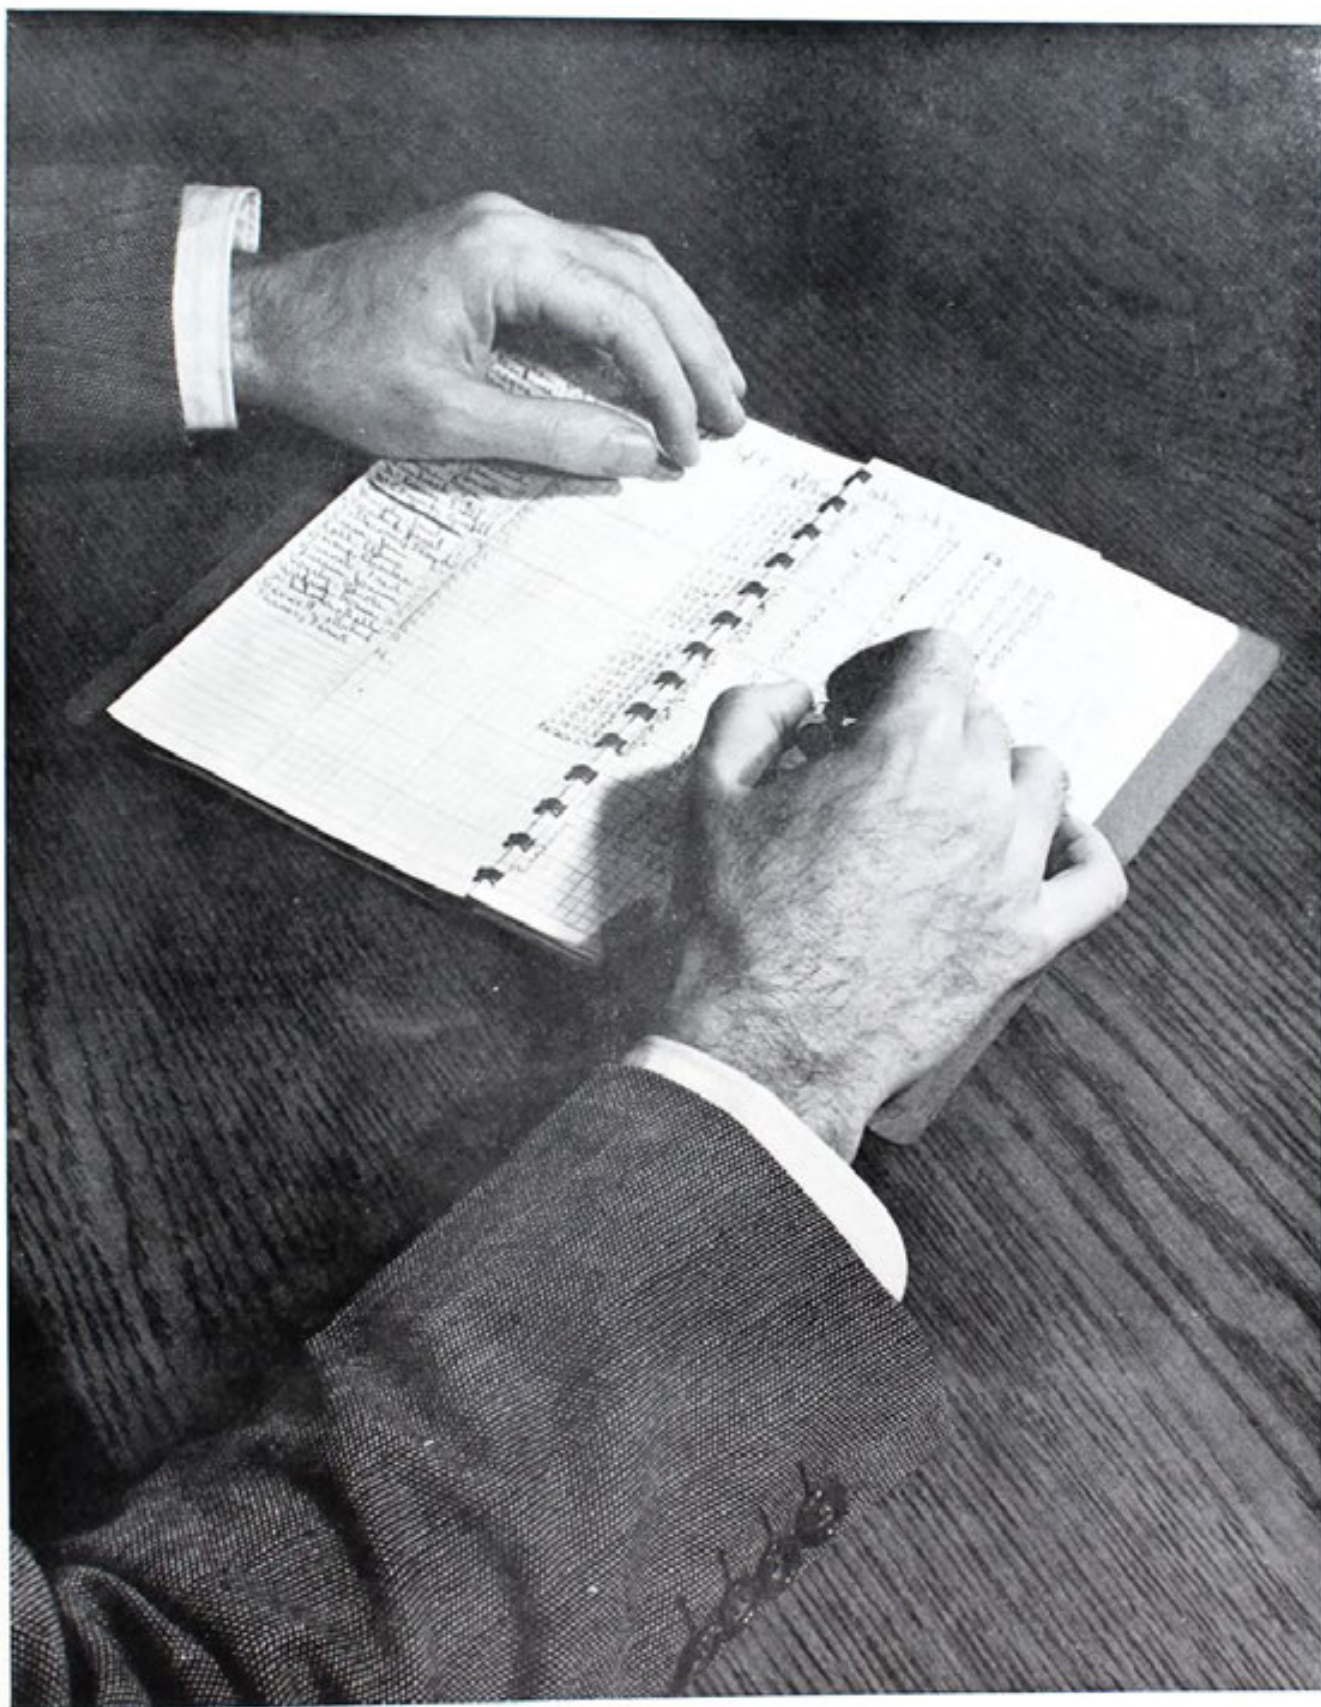

MISS PAULINE SHUMAKER

Because of her kind and generous spirit, her sincere effort to help the students of our school in every way possible, Miss Shumaker, in her own quiet way, has become one of our best loved and most popular teachers. . .

To bestow honor on one who is deserving is our greatest pleasure . . . For this reason, we, the Delphian Staff of 1951, take great pride in dedicating this year's annual to Miss Shumaker.

Class of Nineteen Fifty-one

"Backward, turn backward, O Time, in your flight; make me a child again, just for tonight!" Probably all human beings feel this longing to return to days gone by at some time or other in their lives, but for no one can that desire ever reach complete fulfillment. Perhaps the nearest to it one may get is through that elusive thing called memory. Caught in the pages of this book are memories of all the friends and gladness of school days. As you turn the pages, may they bring to you again some of the enjoyment of living and learning at N.P.H.S. that you once knew in reality; and as you close the book, may they serve as a joyous satisfaction that you may carry with you in the years ahead.

Sincerely yours,
Pauline Shumaker

THE PLAY

The Gages, a city family, seek peace in an old farmhouse where mother remodels coffee grinders into lamps while Father tries to write a "best seller". Jonathan and Mathilda Rockwood, who have a right to live in the Gage home as stipulated in a forgotten deed, move in to contest the home's possession. Jonathan, a blunt, outspoken, stubborn New Englander is determined to remain in the household with his family. The play revolves around the conflict between the two families as they strive to annoy each other. When a blizzard maroons the Gages without food or warmth, the family desert father for the Rockwood's. The latter have fresh biscuits, hot coffee, and fried country hams because they have not been dependent on "modern inconveniences" as Jonathan puts it. However, the ending is delightfully and intelligently handled. The entire play sparkles with new ideas for "January Thaw" is truly a captivating comedy.

In Memoriam

Donald Wells—a member of the Senior class of 1951
until his death on May 25, 1956.

Norma Torgler—a member of the Junior class until her
death on March 19, 1950.

Mary Jane Sharp—a member of the Junior class until
her death on September 10, 1950.

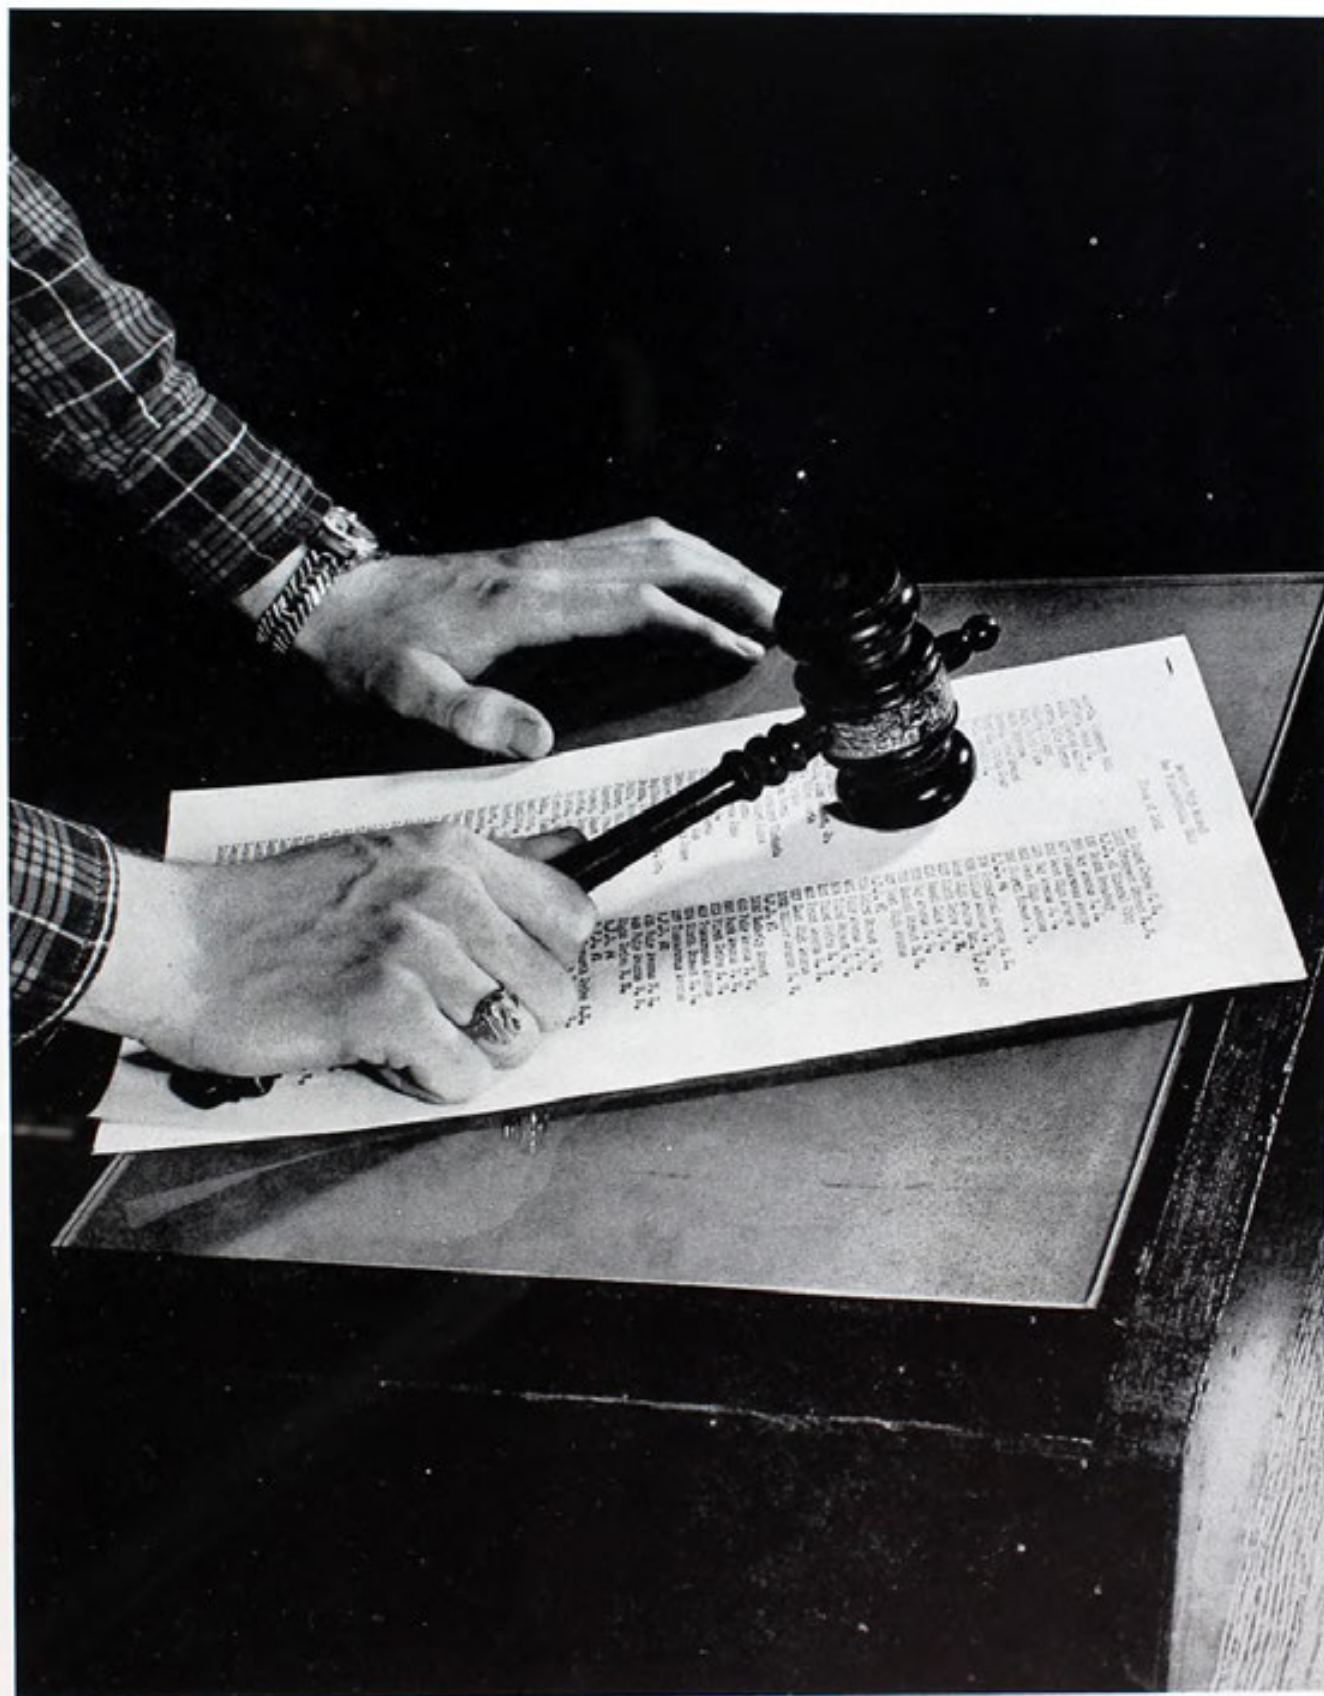

"As the long train
Of ages glides away, the sons of men,
The youth in life's green spring, and he who goes
In the full strength of years, matron and maid,
The speechless babe, and the gray-headed man—
Shall one by one be gathered to Thy side,
By those who in their turn shall follow them."

Except for their own satisfaction, perhaps the only reward these students receive for their hard work is being a member of this club.

The activities of the Honor Club this year consisted of a fine banquet given in April by the College Club, and the annual honor assembly at which the scholarship awards were given.

F. T. A.

The F. T. A. was formed to give the students an opportunity to explore the teaching field. A cooperative plan was used between the elementary school system and the F. T. A. Students served in the capacity of assistants to the regular classroom teacher. Their adviser, Mrs. Hodder, interviewed each of the senior members, attempting to direct them to colleges best suited to their particular fields of interest.

A movie explaining the problems of the profession was shown at the January meeting.

El Circulo Espanol

The purpose of the Spanish Club is to acquaint the students with the customs and culture of the Spanish people.

The club meets once a month. At the October meeting Miss Wright showed slides taken this summer in Mexico and Guatemala. At a later meeting various costumes and souvenirs were displayed and discussed. The Christmas party was held in the evening with the first year students as guests. A Posada and Pinata were enjoyed by all. During Pan American Week an exhibit of Spanish articles was displayed for the student body. A Spanish meal was served to the club by Miss Wright in May. The club joined with the German Club in the annual Language Club Banquet held on April 19.

The student librarians contribute one or more study periods a day to library work. They learn many varied library procedures and aid in discharging books, returning books to the shelves, preparing new material for circulation, and mending worn books. They are also given practice in helping their fellow students find the particular information they need.

At Christmas time the student librarians held a coke party.

Central News Staff

Every morning during the first period the Central News Staff is hard at work getting out another edition of the N. P. H. S. tri-weekly paper, the Central News, which reports the news, thought and activities of the school.

In addition to this, staff members serve all those interested in New Philadelphia schools by reporting school activities through the Quaker Highlights Column which appears in The Daily Times each Thursday evening.

Membership on the Central News Staff requires ability, interest and willingness to serve.

The Staff, a Columbia Scholastic Press Association member, has received a first place rating in the annual C. S. P. A. contest for the past three years.

Athletics should occupy a prominent place in a well-rounded schedule because the individual receives the double benefit of keeping physically fit and enjoying leisure activity. Although the G. A. A. is not primarily a social organization, each month the group holds a social function. In November, the Soc Hop was held at which the basketball queen was crowned by Coach Haines. The Girls' Athletic Association makes it possible to enjoy basketball, volleyball, soccer, softball, archery, bowling, and hiking.

Commercial Club

The Commercial Club consists of students taking bookkeeping, shorthand, business organization, and salesmanship. The club planned several visits to various downtown offices to learn more about business procedures.

Speech and Debate

This year the speech group was one of the most active in our school. Students participated in contests held at Canton McKinley and Canton Lehman. Bill Soukup and Janet Tracy represented our district in the state contest, Bill in extemporaneous speaking and Janet in dramatic declamation. The group was outstanding in presenting readings for public groups such as the Civic Club, Qui Vive, Sorosis, New Philadelphia Professional Women's Club, and the Dover Rotary. Eleanor Maughiman and Carol Bair delighted the radio audience with their Christmas stories over WJER as part of the Civic Club Christmas program.

The debate team with their coach, Mr. Bender, went to tournaments at Canton McKinley and Canton Lehman. This group made appearances also before local groups and had charge of an assembly program.

Each year the assembly committee manages to balance our assembly programs, bringing us both entertainment and education.

From the entertainment standpoint the students were enthusiastic about the puppet show and Denison players. The student assemblies were the annual Girl Reserve Christmas Pageant, the Talent Show, the Junior Jamboree, and a debate. An entertaining as well as educational series of assemblies was provided for the student body this year. We were fortunate to have some outstanding speakers, such as Cornelius Vanderbilt, Jr., world traveler and lecturer, Mr. Chauvre, adviser to the Indian delegation to the United Nations, and Woody Hayes, coach of Ohio State University football team.

The Home Economics Club teaches its members the ideals of home life. To be a member of this club one must be a student in the advanced home economics class. During the year, the girls worked on various projects which will be practical in later life.

Vocational Club

The purpose of the Vocational Club is to create interest in machine shop work. They had speakers from local industries at their monthly meetings. The boys collected scrap to finance a banquet for local men of industry. In this way the boys could better acquaint the men about the vocational machine shop program of the high school. Almost every Thursday night the boys played basketball at the high school.

The cheerleaders, led by their captain, Norene Deserio, pepped up the team to an undefeated football season. They also aided the basketball team to an outstanding year of play.

By planning pep rallies, they really brought up the morale of the school. On the evening before the Dover-Phila. game, the group led a snake dance through town to the traditional bonfire at Tuscora Park. After the cheers there, a pep rally was held at Union Theatre.

This later was performed for the student body as part of the Christmas assembly. On the last day of school before Christmas vacation the choir went through the halls singing carols during the the fourth period.

The choir sang during Spiritual Emphasis Week on youth night.

Their outstanding performance of the year was the presentation on March 16th of "H. M. S. Pinafore" by Gilbert and Sullivan. The principal parts were played by Judy Ralston, Carolyn Laws, Myrna Mansfield, Clarke Whinery, Allen Oster, Kirk Arnold and John Evans.

PLAYING HANDS

Coaches

William Kidd

Coach Kidd, our Athletic Director, has finished three successful years as head football and assistant basketball coach. As football coach during this time his teams have compiled the impressive record of 31 wins, 7 losses, and 2 ties. This year's undefeated team was a credit to his coaching ability. Several of his swift, shifty backs and rugged linemen each year gain honors on the All-Ohio teams. Each year Phila has been represented in the annual North-South All-Star game.

Coach Gartrell ended his second year at N. P. H. S. as head basketball and assistant football coach. He has recorded one of the best basketball seasons that the Red and Black has had for a long time. Coach Gartrell fielded a team of six footers that developed into a smooth combination near midseason. The Phils advanced to the District in the tournament but were dropped by a slow playing offense from Martins Ferry.

Ralph Gartrell

Clarence Haines

Coach Haines experienced his first year here at New Phila. His knowledge of the gridiron sport proved to be a vital factor in the success of our team. His chief duty was to coach the ends and scout teams to be played in the future. He also coached a reserve squad composed of sophomores who won three and lost one.

The New Philadelphia Quakers have acquired fame once more. The Quakers had what every football team dreams of, an undefeated season. At the beginning of the year the squad didn't have a lot of stars, just thirty boys who liked football. These same boys sweat and played and won together. They should be congratulated on having such fine spirit, co-operation and enthusiasm. We all hope that next year's squad takes this heritage with them and passes it on down the line. Congratulations team and good luck in 1951!

Game Reviews

Uhrichsville—6

The Uhrichsville Tigers, looking for an expected upset over the undaunted Phils, tasted defeat as the Quaker line held the Tigers scoreless. Xville was able to score only through the air. The feeble Tiger line offered no opposition to the Quakers' long sweeping gains. Richards, McCockran, Maus, Miller and Massarelli provided the scoring.

Coshocton—14

After staging three magnificent goal-line stands against a heavier Coshocton team, the Quakers scored the initial T. D. with only 20 seconds left in the first stanza. After the Phils ripped the Redskins' line apart with a brilliant running attack, they took to the air in the last half and shattered the Coshocton secondary. Massarelli, Richards, Herron, Miller, and Leggett scored for the Phils.

East Liverpool—13

Showing the same spark and vigor that they produced in their first two victories, the Quakers chalked up their third straight triumph at the River City by a score of 25-13. The Phils' offense was slowed down in the first period due to three straight 15 yard penalties. With the superior passing game not clicking, the Phils produced a baffling running attack so as to gain a total of 367 yards to the Potters' 128 yards. The scoring was furnished by Richards (2), Leggett, and McCockran.

Columbus East—19

With East taking the opening kickoff and driving 80 yards for a T. D., the Phils roared back to drive 70 yards in five plays to tie the score. The Quakers playing heads-up ball took advantage of two Columbus fumbles and turned them into two quick touchdowns. Columbus was not to be sold short, for they were a threat at any time. Scoring for the Quakers were Richards (3), Miller (2), and Leggett.

Canton Timken—7

Defeating a stubborn Timken aggression, the Quakers won their second consecutive E. O. S. C. game. The Phils, tangling with the toughest line so far this season, turned to the air thus setting up the first two T. D.'s, and accounting for the third. Scoring for the revenge defeat were Richards, Miller, and Massarelli.

Game Reviews

Toronto—14

Possessing the best ground attack that the Quakers showed so far this season, they gained 404 yards to Toronto's 90. The Quakers used straight plays, saving their real power for the next game with the "Big Red" of Bellaire. The most spectacular play of the game was when Toronto ran back a kickoff 98 yards for a T. D. Scoring was done by Miller (2), Richards (2), McCockran, and Leggett.

Bellaire—20

Coming from behind in the last 3 seconds, the Phils completed a pass to remain undefeated. The Quakers scored first, but the pony-backs from Bellaire could not be counted out as they made long sweeping gains all through the fray. But the Quaker forward wall was not to be out-played opening big holes in the "Big Red" line. Although both teams fought to a 20-20 deadlock, the Quaker fans knew that the Phils had the better team. Scoring for the Quakers were Richards, Leggett, and Massarelli.

Canton Lehman—6

The Phils playing in two inches of rain and mud slid to a muddy, but victorious triumph. The Quakers clinched the first E. O. S. C. Championship. Lehman gave resistance only in the first period. After that it was all Phila. with McCockran (2), Richards, Herron, and Miller scoring for the Phils.

Kent Roosevelt—7

A track meet? No, it was too cold, so it must have been football. Yes, the Quakers did it once more before a cold, shivering Parents' Night crowd. The Phils, blocking in front of the speedy backs, could not be stopped until they had scored eight T. D.'s. That is the highest score Phila. has run up since the 1944 squad scored 61 points. Scoring for the Quakers were Jackson, Herron, Richards (2), Miller, McCockran, and Devore.

Dover—12

UNDEFEATED! QUAKERS KEEP "MAJOR LEAGUE BAT"! Yes, the Phils scored in the first five minutes and twice in the second period to win the annual tussle. It looked as though Dover was through. Then two mainstays of the Quakers were injured and Dover, taking advantage of this, dominated the third period. But the Red and Black, having the best "eleven", dug in, stopped the Tornadoes and were on Dover's sixteen yard line when the game ended. Scoring for the Quakers were Richards, Miller and Leggett.

Coshocton—55

Trailing by 7 points in the first quarter, a lanky Phila. team used their height and rebounded their way to victory. The Quakers held a ten point lead, but the Redskins came dangerously close in the final minutes.

Canton Lehman—54

The Red and Black put on a well-balanced attack to take a 17-7 lead at the first period. Gartrell emptied his bench early in the fourth quarter.

Uhrichsville—56

The Quakers, staging a 29 point scoring spree in the third period, chalked up their third straight victory over a scrappy Xville five. The Phils out-fought the Tigers in every department.

Zanesville—78

Although the Phils outscored Zanesville 60-58 from the field, they failed at the foul line, making only 12 of 29 tosses. The Quakers trailed only by a slight margin until they lost three players via fouls.

Canton Timken—52

Getting a slow start on the large Canton floor, the Phils put on a shooting exhibition to cop their second E. O. S. C. league game.

Coshocton—63

Due to a bad second quarter, the Quakers absorbed their second defeat of the season. Coshocton's fifteen point lead in the second stanza was too great for the Phils to overcome.

Dover—60

The Quakers succeeded in what every other Phila. team failed to do since 1944. They beat Dover on the Memorial Hall floor. The Phils shattered the Tornadoes defense although they lost six players via personal fouls.

Canton South—53

Every Quaker fan had his share of excitement in this thrilling fray. The battle was tied thirteen times. The Phils scored the winning two points in the final three seconds.

Mansfield—76

Trailing 30 points throughout the second half, the Phils were easy prey for a powerful Mansfield crew. The Quakers previously held a ten game winning streak on the Welty floor.

Newcomerstown—56

The Quakers led by a large margin except at the close of the third period. The Phils tried several combinations to gain victory.

East Liverpool—78

The Phils dropped their fourth verdict of the campaign to a small, but polished Liverpool five. Flashing a superb passing attack, accurate shooting and an all around defensive play, the Potters could not be denied the win.

Wooster—58

Leading by 11 points at the half, the Quakers withered in the final stanza. The Generals took command of the game advancing their lead to ten points until the final minute.

Zanesville—61

Displaying the best teamwork shown so far this season, the Quakers gained a revenge defeat to win their eighth victory of the campaign.

Dover—55

The Tornadoes led by 10 points in the first period, but the Phils ignited early in the second period to defeat a frail Dover crew. This is the first time since '44 that we have beat Dover twice in one season.

Uhrichsville—48

The Quakers soared to their 10th win of the season easily by using a tight man-to-man defense. They took a 31-12 lead at the half to walk away with a victory.

Canton South—42

Neither team could dent the scoring column in the first two minutes. After that the game was nip and tuck all the way. The winning basket was made in the final 30 seconds.

Dennison—51

The Quakers led 21-9 at the first quarter, but the speedy Railroaders fought back in the second and third periods to make a tussle of it.

St. Clairsville—67

The Phils won their sixth straight from a small, but speedy St. Clairsville five. The Quakers' second period splurge was the margin of victory.

Newcomerstown—43

This victory made a clean sweep of the county teams. The Phils' subs played the final quarter as the Quakers broke their single game scoring mark.

Canton Timken—75

The Phils seven game win streak was broken as a hot Trojan team hit 47 percent of their shots. The game got rough as the referees let it get out of hand.

TOURNAMENTS

Cambridge—43

Trailing by 15 points at the end of the first period, the Red and Black accepted the challenge to win and put on a great offensive show in the third period to be victorious.

Uhrichsville—50

The Quakers played steady ball to barely escape an upset by the Uhrichsville Tigers. The Quakers failed to hit on the spacious floor and relied on their fouls to win.

Coshocton—56

The Phils advanced to the district as they scalped the Coshocton Redskins 64-56. The game was nip and tuck until the final minutes when the withered Redskins couldn't keep up the pace.

Martins Ferry—67

Martins Ferry gained an early lead and then resorted to a slow, deliberate offense. The Quakers were ten points behind at the half but came within five points of them at the third period. The Ferry crew displayed smooth ballhandling and exhibited excellent shooting.

This finished the Quakers' season. Their record stands as 17-7, a record that will not be forgotten easily.

Track

Track was renewed at N. P. H. S. last spring after a lapse of three years. The boys lacked experience and the fine points of the sport, but all had the determination to win. Although their record was not outstanding, the experienced gained last spring will enable them to have better teams in the future.

Those earning letters were: Jack Campbell, Jim Devore, Dale Evans, Jerry Gordon, Miller Hamilton, Orley Herron, Duane Kerr, Dave Leggett, Sandy McCockran, Junior Maus, Kenny Onstead, Allan Rodd, Charles Sharp, Dick Stephenson, Fred Turner.

Golf

Another sport put in its appearance last spring after an absence from the Central High Sports Circle for three years. The Philly golfers engaged in five matches during the regular season and participated in the Eastern Ohio Scholastic Tournament. They were severely handicapped by lack of experience, but they did show plenty of promise for the coming years.

Those earning letters were:
