# Foreword

The theme of your High School Annual this year is "You."  
The little ghost is the "Spirit of '52" who will guide you through this book. In future years, as you pass over the division pages, put yourself into the empty clothes while trying to recall the joys of days gone by. It is our sincere desire that you find here all the happiness and pleasant memories that make up New Philadelphia High School.

DWIGHT DECKER  
*Editor in Chief*

# DEDICATION

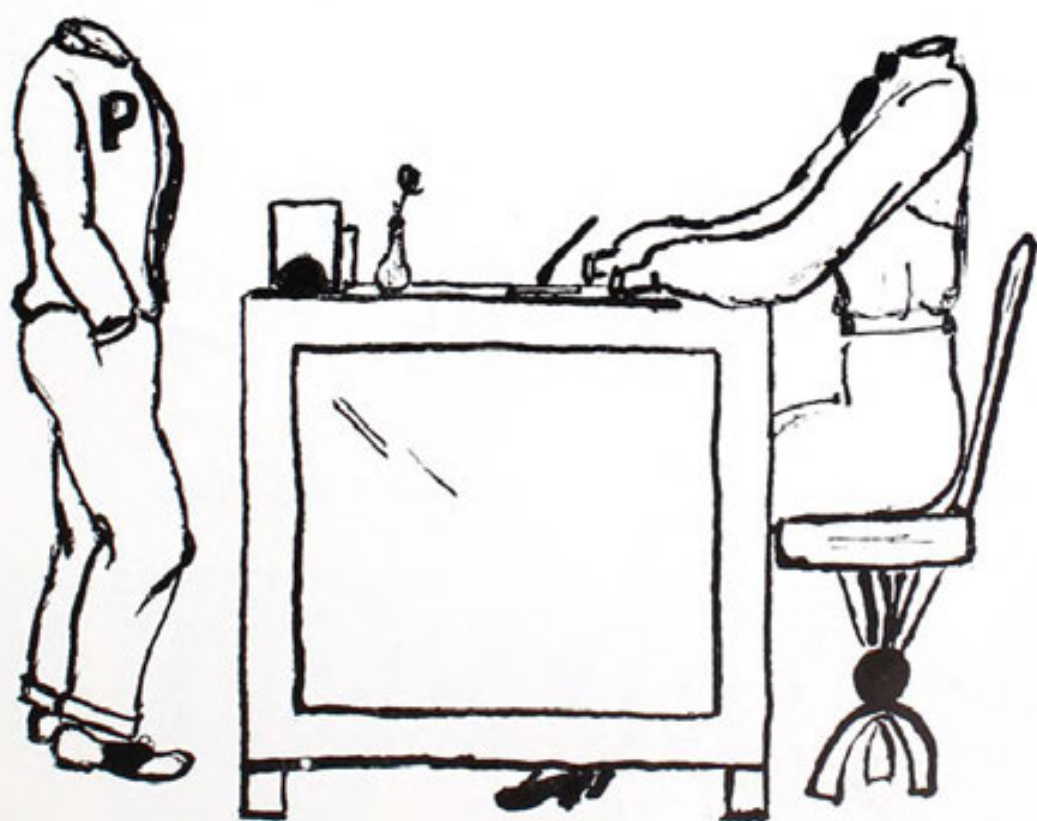

To Margrethe Wright, whose untiring and unceasing efforts for a higher standard of school spirit guided our footsteps; whose work enriched our lives; and whose helpfulness inspired our hearts; we, the staff of 1952, dedicate this issue of the Delphian.

The setting of the play is the living room of "The Cloisters," in a Massachusetts town.

Mrs. Savage, a widow, has inherited ten million dollars from her husband. She plans to invest this money in a trust fund to help others; but her three stepchildren: Titus, a pompous senator; Samuel, a practical businessman; and Lily Belle, an oft-divorced social climber, bring their selfish arguments and threats upon their stepmother. The action of the play centers on their attempts to regain control of the family fortune.

As the play opens, Mrs. Savage has been committed to "The Cloisters," a so-called home for people who are suffering from illusions and lack of affection, but who are, in this case, a friendly and amusing group. The guests are charming, with a humorous outlook on life. Contrasted with the selfishness of Mrs. Savage's stepchildren, their attitude is one of warmth and beauty.

# Welcome

We take this opportunity to welcome to the pages of the Delphian the seventh, eighth, and ninth grade students. Although these classes appeared in the annual on infrequent occasions many years ago, this is the first time they have done so as a part of our six-year high school. Many changes have taken place which have made 1951-1952 a difficult year of adjustment, but it has also been a good year--one which has given us renewed hope for the years to come. We know that N. P. H. S. will become even greater in the future.

Being a Central News typist means hard work and very little play. The typists must work hand-in-hand with the staff to put out the paper to which we look forward every three weeks. They have never yet failed to meet a deadline. Although the girls get practical experience in running off stencils, they do it on their own time and receive very little glory.

The speech department delighted audiences with its comedy *When Shakespeare's Ladies Meet*, and several girls presented Christmas readings before groups and organizations in our town and in outside communities. One Saturday the members had the opportunity and privilege of seeing Kent State University's production of *Medea* from which they learned a few pointers. ## Coaches

Mr. Benjamin, Mr. Kidd, Mr. Gartrell

**LEO BENJAMIN**—Coach Benjamin completed his first season at N. P. H. S. as assistant football coach. His knowledge and enthusiasm gave the needed boost for a successful season here at his alma mater. His chief duty was to assist in coaching the linemen and to scout teams to be played in the future.

**SYL HARMON**—Coach Harmon has completed his sixth season as head coach of the Junior Reserve football and basketball teams. Syl has tutored the boys to their second consecutive undefeated football season this year. His basketball team also turned in a highly successful campaign.

**EDSON PARK**—Coach Park has been coaching at N. P. H. S. for the past five years. Edson is assistant coach of the Junior Reserves and has charge of the 7th and 8th grade teams as well as of the program set up for competition between the grade schools. He is the backbone of the feeder system for the oncoming varsity.

Mr. Harmon, Mr. Park

**WILLIAM KIDD**—Coach Kidd proved his prowess again as a gridiron mentor as he led N. P. H. S. to their fourth successful season. The Phils won eight while losing only two in a power-packed schedule. Coach Kidd had a wealth of material and under his capable leadership he developed this outstanding team of 1951. We say thanks to you, coach, and wish you the best of everything in future years.

**RALPH GARTRELL**—Coach Gartrell in his third year as basketball mentor had record of six wins, thirteen losses including tournament play. Although his aggregation had a great amount of fight and spirit the breaks were nearly always against them. There is a surplus of material left for next year and Coach Gartrell has high hopes for the future.

# Football Record

Uhrichsville—0

Quakers—31

The powerful Quaker gridiron machine ground out a decisive victory over a scrappy but outclassed eleven at the Tiger Stadium. Showing a fine scoring combination, the Phils crossed into pay dirt as soon as they were on the offensive and from there on were never headed. The rugged line play of the Phils kept the Tigers on their backs and spoiled plays before they could get started. Scoring for the Quakers were Miller 2, Richards, Devore and Tolotti.

Coshocton—7

Quakers—26

The roaring Quakers won their 15th straight victory by scalping the Redskins from Coshocton to the tune of 26 to 7. The Phils crashed into pay dirt five plays after gaining the ball. The strong Quaker line plays and bruising tackles and blocks highlighted the game. Scoring for the Quakers were Miller 2, Devore, and Lewis.

East Liverpool—19

Quakers—7

The Quaker's 15-game winning skein was broken by an upset-bound East Liverpool team. Poor pass defense and the inability to get the fleet Quaker backs into the open proved the down-fall of the team. The Potters grabbed an early lead and were in command for the rest of the game. The Phils avoided a white-washing by scoring their lone touchdown in the third quarter. Scoring for the Phils was Miller.

Martins Ferry—13

Quakers—19

The resurgent Quakers sank the undefeated river city crew by a score of 19 to 13. The fighting Quaker line tore big holes out of the Purple Riders' line and the Phils' backfield scooted through. The Phils played consistently in a style of which only glimpses had been seen in the three previous games. The defensive play of the Quakers was the finest they have shown this season. Scoring for the Quakers were Richards, Miller, and Reese.

Canton Timken—18

Quakers—12

The fighting Phils were defeated in a field of mud at the hands of the Canton Timken Trojans. A poor first half gave the Cantonites a lead which they held until the final gun. The flying Quaker backfield couldn't get started as they slipped and slid over the muddy gridiron. Scoring for the Quakers were Richards and Devore.

# Football Record

Toronto—13

Quakers—43

The unpredictable Quakers did an about face as they walloped the Red Knights from Toronto. The Quakers were nearly perfect throughout the game as excellent blocking shook the backs free and they reeled off numerous long gains. The Phils' defensive team was equal to the offensive group as they held Toronto's running attack to 76 yards. Scoring for the Quakers were Richards 2, Lewis 2, Devore and Miller.

Bellaire—0

Quakers—13

The Quakers returned from Bellaire with a well-fought and well-deserved victory chalked up in the record books. The score was 13 to 0, but the Quakers showed more superiority than the score reveals. It was a team victory as every player did his best. Bruising tackles and blocks featured the sparkling play of the Phils. Scoring for the Quakers were Devore and Richards.

Akron Central—13

Quakers—25

The Quakers won their third victory in a row as they soundly thrashed a powerful squad from Akron Central. The game was played in the rain, snow and a sea of mud. The win was a moral as well as a statistical victory for the Phils as they outplayed their beefy opponents in every department. Scoring for the Phils were Richards 2, Miller 2.

Kent—9

Quakers—32

The Phils notched their 7th win of the season by downing an undermanned but spirited team at Kent Roosevelt. The Rough Riders provided opposition but couldn't stop the high-flying Quakers. Long runs and deceptive play highlighted the game for the Phils. Scoring for the Quakers were Richards 3, Miller 2.

Dover—7

Quakers—25

"Sweet Victory" were the words on every tongue as the dynamic Quakers ran roughshod over their vaunted rivals, the Dover Tornadoes. The team played the "Major League Ball" of which it was capable. The score reveals only a little of the Phils' power which was so dominating throughout the fray. The "Bat" still remains in the Central High trophy case and it is hoped that it will be a long time before it leaves our school. Scoring for the Phils were Richards 2, Miller and Reese.

# *Track Squad*

## TRACK—1951

The Quakers recorded a very impressive season in this field of athletics. The Phils defeated Dover, Strasburg and Dennison while losing to an experienced Uhrichsville squad. The Quakers placed second in the now-defunct Eastern Ohio Scholastic Association. Ranking first was East Liverpool; second, New Philadelphia; third, Canton Lehman; and fourth, Canton Timken. Under Coach Gartrell and his assistants, the squad gained valuable experience and potential for future teams. The lettermen of the 1951 track team were: Seniors—Dave Leggett, Dick Stephenson, Duane Kerr, Dave Evans, Miller Hamilton, Herbert Maus, Howard Blinn, Jack Campbell, Clarence Rippel and Don Milarcik. Juniors—Charles Sharp, Fred Turner, and Jim Devore. Sophomores—Charles Pritz, Ronald Shaffer, Sam Miller, Dwight Johnson, and Glenn Kerns. Freshmen—Dale Wolfe, Norm Leggett, and Bob Stephens. Sandy McCockran received a track letter as senior manager.
