The Delphian

1953

The background of the cover is a black and white photograph of New Philadelphia High School. The building is a multi-story brick structure with numerous windows. A large, leafless tree is in the foreground, partially obscuring the left side of the building. The entrance has a set of steps and a small arched window above the doors. A plaque above the entrance reads "JOSEPH W. BERRY" and "JANUARY 1912".

Foreword

As you leaf through the pages of this Delphian, let the gold of the class ring stand for the golden memories we have shared during our school days in New Philadelphia High. We have prepared these pages in the hope that, in years to come, they will bring you remembrance of happy days gone by.

PAT RIDENOUR,
Editor-in-Chief

In Memoriam

In memory of Ted Connell, who played life's final game on January 14, 1953. The faculty and student body deeply and sincerely regret his passing.

In memory of David Henney, who passed away on May 18, 1952. We, the faculty and students, pay heartfelt tribute.

Dedication

We, the 1953 Staff of the Delphian,
dedicate this volume to

MR. HUGH HOWEY

in appreciation of his untiring and ceaseless
efforts on behalf of the high school
and its students.

In this small way we wish to express
our sincere gratitude.

Achieving and maintaining good records in scholastic activities is the goal of the Honor Club.

A student becomes an associate member when he meets the requirements for one semester. At the end of three semesters as an associate member, he becomes an active member. Five semesters of active membership entitle him to life membership and an honor pin.

The activities of the club this year consisted of a banquet given in its honor by the College Club, and the annual Honor Assembly at which all the scholarship awards were presented.

Senior Student Council

The council is composed of one member of each senior division home room. These students meet with their adviser, Mr. Williams, every Monday afternoon during the fifth period to discuss and act on any current problems that may arise in the school.

The council sponsors activities that promote the welfare of the entire student body. On Tuesdays and Thursdays during the fifth period, devotions are given by various students. There are also semi-monthly movies for the entertainment of the student body. The council, acting with the Junior Council, sponsored the Homecoming dance following the Barberton football game. In the future it plans to put on a talent show for the public which will consist of talent chosen from the student body. The Junior Division Student Council was first organized in 1930 as an experiment in student participation in the affairs of the school. It has been an active organization ever since. It is the voice of the student body; its aim has been to give students an opportunity to be participating citizens of the school community. It is one of the most important integrating forces of the school.

Junior Student Council

The officers and their assistants represent and are elected by the entire student body. The councilors and alternate councilors represent and are elected by each of the eighteen homerooms.

Council meets each Monday. It discusses and tries to solve some of the problems of the school. It is also responsible for the entire activities program of the Junior Division.

Some of the activities sponsored by the council this year were the school savings program, the noon-hour volleyball and basketball intramural games, the collection and tabulation of sales tax stamps, the organization of a system of "hall guards", the granting of club charters, the supervision of homeroom elections, and the presentation over the public address system of a series of stories from Ohio history prepared by the homerooms for the homeroom meetings.

In co-operation with the Senior Student Council, the Junior Division Council sponsored the magazine drive, the selection of a homecoming queen, and the adoption of a new school flag.

N. P. H. S. Flag

Prize-winning design by Ona Laskauskas. In a special assembly, the completed flag was presented by the Student Councils to Mr. Fishel, who accepted on behalf of the school.

John Lawrence, who has been overseas three years, is welcomed home by the charming Mary McKinley. These two are, and have been, equally in love with each other. While he was overseas, John's life has been saved by his buddy, Fred Taylor. Fred has returned home a year before John and John brings him what should be a pleasant surprise—the news that he has married Lily, an English girl Fred had fallen in love with and who could not hope to get to America for years unless as the wife of a G. I. John therefore marries her and plans to deliver her to Fred. John plans to get a quick divorce from Lily, then marry Mary. Mary's family has, of course, no idea of what has happened, and John is up against it when Mary and her family insist upon an immediate wedding. Matters are not helped when it is learned that Fred has, meanwhile, not only married but is an expectant father. John and Fred get in touch with a former officer of their acquaintance and have him pretend to call John for special extra service for six weeks out West. This plan also falls through and, in despair, Mary and her family agree that John has lost interest in his fiancée. Things look hopeless until it turns out that Lily is already married. Then the jig is up and all ends happily.

Although the Quakers didn't have an impressive season, the boys who played on the team will long remember their fellowship. Every boy sweat, bled, bruised, and trained toward a good season of football. The team was like one big family as every boy practiced with his teammates. They all took victory and defeat side by side. Football will long be a sport that develops great friendship among its athletes. We appreciate the squad of 1952's fine spirit and enthusiasm and wish the coming team of 1953 a successful season.

QUAKERS 6

COSHOCTON 6

For their lid-lifter the Quakers traveled to meet an upset-bound tribe of Redskins. The Quakers ground out steady gains and held the Coshocton eleven scoreless until two minutes before the final gun. The Redskins hit paydirt via the air and the Phils saw a deadlock replace a victory. Miller scored for the Phils.

QUAKERS 6

EAST LIVERPOOL 48

The second game of the year saw the Quakers completely mastered by a fast, aggressive Liverpool eleven. The Potters grabbed an early lead and added touchdowns at will. The Quakers could not get the offense rolling and the defense was far below par. The Phils' first defeat of the season was administered by a team which was rated fifth in the state. Scalabrino scored for the Quakers.

QUAKERS 14

MARTINS FERRY 25

On the road again, the Phils, attempting to enter the win column, met the highly-rated Purple Riders. After the Riders scored, the Quakers started a drive that ended in paydirt. Although hampered by fumbles and penalties, the Quakers were able to score a second T. D. by air. Scalabrino and Lewis crossed the goal line.

QUAKERS 0

TIMKEN 19

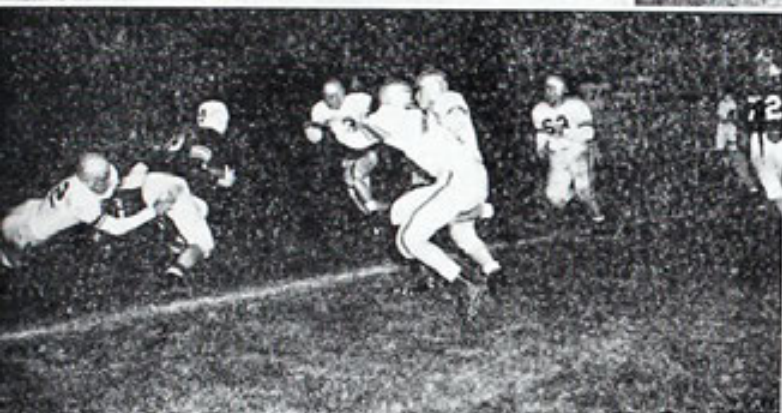

Home at last, the Red and Black were mastered by the Timken Trojans. The Phils, playing far below their standard brand of ball, saw the Cantonites use the breaks to score three touchdowns. Twice the Quakers saw scoring opportunities escape as they were stopped just ten yards from the goal line.

QUAKERS 27

TORONTO 13

At Toronto the Phils' talents finally paid off as they blasted the Red Knights from the undefeated ranks. Victory couldn't be denied the Quakers as they played perfect ball in every department. Hard blocking, fierce tackling, and teamwork combined to give the Phils their first win of the season. Metcalf, Reese, T. Scalabrino, and Pritz each crossed the final stripe.

Football Reviews

QUAKERS 26

BELLAIRE 19

Playing against a tough river aggregation, the mighty Phils emerged with their second straight victory of the year. Although the Big Reds were rated high in the state, they proved no match for the victory-hungry Quakers. The Phils ground out steady yardage and defensively were outstanding as the meaty Reds were allowed only 152 yards rushing. Entering the end zone were Miller and Metcalf (3).

QUAKERS 0

GIRARD 12

Displaying unconquerable spirit against the Steel Valley Conference's top gridiron corps, the Phils were edged by a big and rough Girard combine. Although having numerous scoring opportunities, the Quakers were denied a single point by the staunch forward wall of the Steel City Indians.

QUAKERS 0

BARBERTON 25

The tough Barberton Magics handed the Phils their third scoreless contest. Barberton scored two quick touchdowns but after that the Quakers played on an even keel. Although the Phils couldn't combine their efforts for a score they played hard football. The Magics, always a top team, were more than the Quakers could cope with.

QUAKERS 13

DOVER 13

With their grid machine in high gear, Phila. completely outmaneuvered the vaunted Tornadoes. The Phils had the underdog role but, as in all contests between the two schools, anything could happen, and nearly everything did. The Quaker eleven clicked at the beginning and from then on it was all New Phila. The fighting Phils tore at the Dover line and chewed up yard after yard of turf. But Dame Luck was against the Quakers as they fumbled once on the twenty-one and again on the four. Those two fumbles, the only times the Phils let Dover within our thirty-yard stripe, gave Dover a deadlock with the Quakers, who outplayed and beat them in the eyes of every spectator. Crossing the goal were Miller and Lewis.

Deadly shooting was a feature at the Welty Gym as the Quakers and Tygers poured 168 points through the nets. However, state-ranked Mansfield was too much for the Phils to stop.

The boys that made up the 1952 Track Squad put hours of gruelling practice on the cinders for a few minutes of glory in a race. Some had the thrill of victory while others just kept right on giving their best in the hope of winning the next one. The Phils gave good account of themselves in their events, showing good sportsmanship along with winning numerous honors.
