FOREWORD

Life is motion; and, as you turn the pages of this Delphian, may the film sequences of action on the division pages recall once again the life and activity we shared during our school days in New Philadelphia High. We sincerely hope these words and pictures will stir your memories to motion in the years to come.

MARTHA PRYSI,
Editor-in-Chief

CLASS OF NINETEEN FIFTY-SEVEN

"Be not simply good; be good for something."

Each time you open your Delphian, the year 1956-1957 will begin again with the same vividness that it now holds for you. Conversation will stop for an instant as a memory threads its way among your thoughts. Then, it is lost, and only the after glow of years of study and good times remains of a pleasant well-remembered period of your lives.

And as you leave N. P. H. S. for the last time we know you are not really leaving. We know you will return someday, in some form. If not in actual physical appearance, we know you will return through the medium of memory.

Sincerely,
Mary Moffitt

CLASS OF NINETEEN FIFTY-SEVEN

"Be not simply good; be good for something."

Each time you open your Delphian, the year 1956-1957 will begin again with the same vividness that it now holds for you. Conversation will stop for an instant as a memory threads its way among your thoughts. Then, it is lost, and only the after glow of years of study and good times remains of a pleasant well-remembered period of your lives.

And as you leave N. P. H. S. for the last time we know you are not really leaving. We know you will return someday, in some form. If not in actual physical appearance, we know you will return through the medium of memory.

Sincerely,
Mary Moffitt

SENIOR DIVISION STUDENT COUNCIL

The Senior Division Student Council is the governing body of our school. Above everything else, it represents the highest ideals of the high school. This organization gives the students a chance to stand on their own two feet and express their opinions.

Parliamentary procedure is practiced, which is educational for the entire student body as well as for the members of the council. Many good examples are set by its members as they are taught to obey the laws set up for their protection.

This worth-while organization is composed of one representative and one alternate representative from each of the eighteen homerooms, plus the four officers. These students meet with their adviser, Mr. Williams, every Monday afternoon the fifth period to discuss and act upon any current problems that may arise in the school.

Among the activities sponsored by the council this year were the annual Christmas ball, which was held in the Elks Ballroom; several record hops; a Christmas party; and a party at the end of the year. The council also is responsible for the half-time ceremonies where the home-coming queen is crowned. It also sponsors the home-coming dance which follows the game.

This year, the council has done much to find a solution to our traffic and parking problem around the school. Credit should also be given to them for the fine job they have done in the past year to make the charity drives the success they have been.

JUNIOR DIVISION STUDENT COUNCIL

Starting its twenty-sixth year, the Junior Division Student Council is the voice of the student body; its aims have been to give students an opportunity to be participating citizens of the school and community. The council is now responsible for the entire activities program of the Junior division of the high school.

Both councilors and alternate councilors attend the meetings every Monday the first period. They are elected to represent the homerooms. Plus the homeroom representatives, there are seven very active officers. Miss Milar deserves recognition for the fine job she has done this year and in the past as founder and adviser of this vital organization.

The work of the council is carried on through committees which report to the council each week. These committees are: assembly, athletics, clubs, noon-hour, scholarship, sales tax stamps, school savings and traffic.

Among the many problems undertaken by the council this year were: courtesy, teen-age problems, school marks, careers, school property, better citizenship, selection of subjects, safety activities, and homeroom programs.

Some of the many activities which the student council sponsored are as follows: a noon-hour intramural volleyball and basketball series for both girls and boys, supervision of a school savings program, organization of a system of hall guards, collecting and counting of tax stamps, granting of club charters, supervision of homeroom elections, planning of homeroom programs and the revision of an activity handbook. The council sponsored and planned a program in which guest speakers and teachers gave talks to the students on their particular careers.

The council helps to make many benefit drives the success that they are. This student council has proved equal to the task before it. Congratulations to the members and the adviser.

SOPHOMORE APPRENTICES

Row 2—Jim Renner, Joe Cunningham, Joe Edwards.

Row 1—Jane Phillips, Pat Snyder, Judy Smith, Adelaide Fisher.

Another book is finished with pleasant memories of hard work and good times. Every member of the staff deserves special mention for his work and time. Each student on the staff played an important part in producing a yearbook of high standards.

Each year it is the aim of the staff to produce the best yearbook yet. Mr. Ricker, our capable adviser, should be congratulated for his excellent service and guidance.

Each editor is held responsible for his own department. He must be certain that all his work meets the deadlines set by the editor-in-chief. The work must be completed accurately and on time. Each editor has an assistant who helps finish the work on time. Each assistant will become an editor next year.

The sophomore apprentices are chosen at the beginning of the second semester. Their duties are to count the tax stamps and to help any staff member who desires assistance. These students are chosen on their ability and willingness to work. By the junior year, their departments will be picked, and they will become assistants to the seniors.

The staff members sincerely hope that they have published a book to be proud of and one that you, the students, will cherish.

THE CENTRAL NEWS

The Central News Staff is responsible for the success that our school newspaper has enjoyed, *THE CENTRAL NEWS* contains articles about assemblies, athletics, activities in the classroom, gossip, jokes and many feature articles. It is published tri-weekly, which means a lot of work for the staff. The staff is composed of students who have journalistic ability, who can obtain high scholastic standings, and who have pleasant personalities.

Among the activities enjoyed by the staff this year were a Christmas party and a joint picnic with the Delphian Staff in the spring.

The Central News Staff does a fine job. In addition to the newspaper, the staff prepares the *QUAKER HIGHLIGHTS* column which appears in *THE DAILY TIMES* every Thursday evening.

THE CENTRAL NEWS is a member of the Columbia Scholastic Press Association and has brought many honors to our school by winning numerous awards in that organization.

CENTRAL NEWS TYPISTS

Row 1—Carol Devore, Rita Linard.

Efficiency, accuracy and speed are the requirements for a Central News typist. Mrs. Williams, their adviser, is always willing and helpful in lending her capable assistance when needed.

Among their duties are cutting the stencils and mimeographing them. By doing these jobs, they receive valuable experience that will prove useful in the future.

Advisers	Mr. Williams, Miss Helmick, Miss Shumaker

The Honor Club, composed of students who have two A's and two B's or three A's and two B's or better, encourages a higher scholastic level. The club is rewarding to those who find it worthwhile to work for outstanding grades.

Any student who achieves this high standard for one or two semesters becomes an associate member. Those who maintain such grades for three or four semesters become active members. Any student who keeps up this record for five or six semesters becomes a life member.

Miss Helmick, Mr. Williams, and Miss Shumaker are the advisers.

At the end of the year the College Club again entertained the club with a speaker and refreshments. Its members were also awarded a pin purchased by the Board of Education.

The Y-Teens is the student branch of the Y.W.C.A. This club is open to any sophomore, junior or senior seeking membership.

The Y-Teens should be given credit for the interesting and effective Christmas Pageant which was entitled "Peace In Love." A covered dish dinner was held in the cafeteria in honor of new members followed by an effective candle light service in the auditorium. A Senior Farewell was held at the close of the school year.

The Y-Teens cabinet is composed of the officers of the Y-Teens organization. The cabinet is elected by members of the Y-Teens.

The Future Nurses Club was organized only four years ago and has proved a huge success. To those girls that are interested in nursing or any other medical field it gives the opportunity to become acquainted with the fundamental requirements needed for nursing. It also gives them practical experience, and it helps them decide wisely about the profession they are planning to enter.

Each member worked in the school dispensary giving up at least one period per week. In this way they gained valuable experience in minor first-aid cases which was a good test to see if they were suited for the nursing profession.

During the school year the Future Nurses Club enjoyed various speakers and representatives from the different nurses' schools and hospitals. Each member had the opportunity to tour Union Hospital where a movie was shown and refreshments were served. Also, the members had the chance to walk through a trailer that the National Recruit Week sponsored.

This organization is open to any junior or senior girl seeking advice and guidance in nursing. The girls entered a float in our Philly Beat Dover parade. Many field trips to hospitals were available over the weekends. These hospitals included our Union Hospital, Massillon, Canton, Akron, and Cleveland.

Members of the Hi-Y enjoyed recreation at the Y.M.C.A.; they gave their time to the refreshment stand at the basketball games; two members were sent to Columbus for a Youth and Government program; and a Father-Son Banquet was held at the close of the school year. The Hi-Y did a fine job on the annual Snow Ball Dance. Any student in Philly High was eligible to attend and dance to the music of Jim Herron's Orchestra.

The machine shop has adopted the co-op plan where seven of the boys work a week at a local plant and then go to school a week.

The junior class members were initiated, with initiation being conducted by the Massillon chapter. Later the Massillon group visited the N.P.H.S. machine shop. Several speeches were made by visitors at the club meetings. The shop boys provided for a needy family on Thanksgiving, fixing a basket with a ten dollar value.

Dad is a terrific efficiency expert, and its his firm belief that what works in the factory will work in the home! Despite his teen-aged daughter's interest in boys and dates, Dad pushes ahead with better organization for his large and delightful family. He puts up a chart for the young people to initial after completing each household task, uses a rug as an imaginary bath tub to demonstrate how to take a really efficient bath without waste motion, and appoints a utilities officer to levy fines on wasters of electricity. To speed up the young people's education, Dad buys language lessons on records for them to play every morning in the bathroom, and prints diagrams on the wall to explain the solar system and how much is a million. While this provides uproarious humor and fast paced action, there is an important reason for all this speed. Dad is living on borrowed time with a heart condition. He hopes to get the family far enough along through school in order to lighten their burden for Mother. The girls do not know this, nor does Dad understand their interest in boys and dates. To him dates are a waste of time. He insists that Anne be chaperoned on her date with the school cheerleader. However, in a moving scene Dad becomes aware of how much Anne has grown up, and Anne realizes the truth about Dad. Their understanding is complete.

As the play opens, we find Bobbette Blaylock waiting for the gang, which consists entirely of boys. Bobbette, although she seems happy with her friends, also has a secret longing to be like other girls. Her mother, Mrs. Blaylock, aims for high social standing, especially for her daughter, and is completely horrified at Bobbette's antics which include playing football and making trips to the junk yard. Bobbette appears in a style show, given in her home, much to the surprise and delight of the boys. All ends well when the boys come to respect Bobbette as a girl, and not as a fellow teammate.

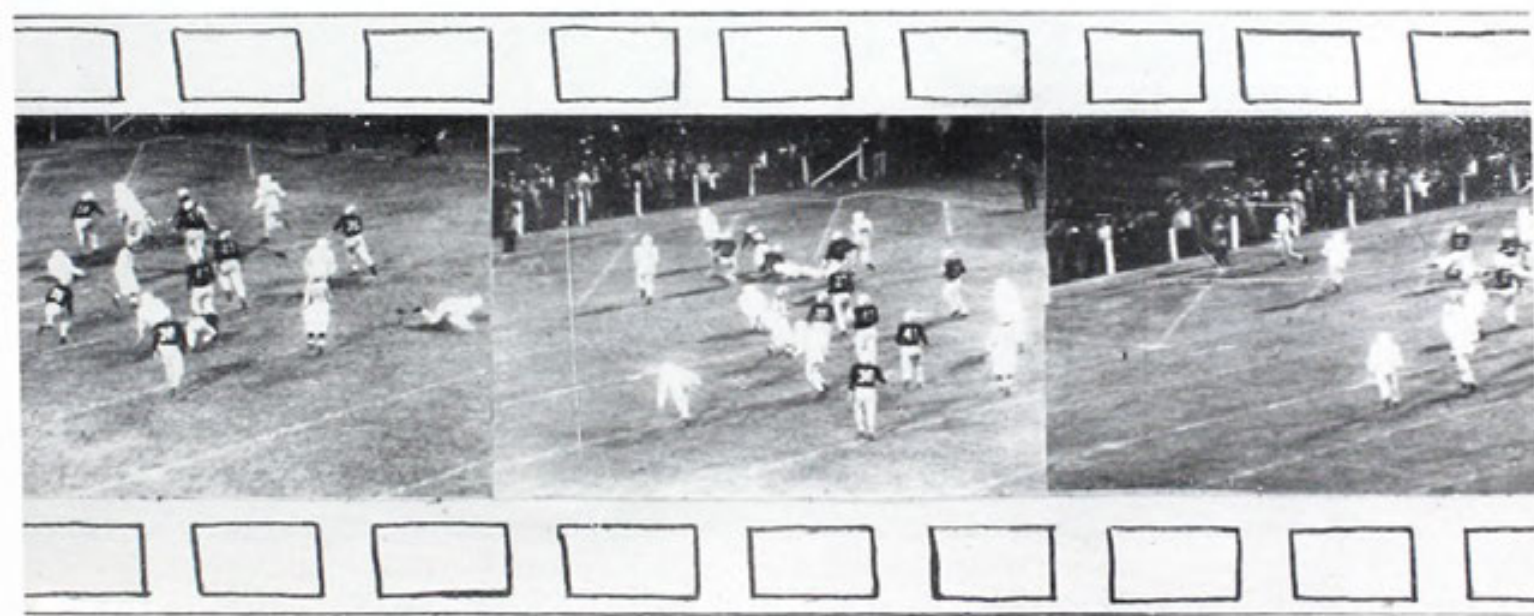

Thanks to the Dramatics Class for a good performance and a pleasant evening.

Coming through with a great season, the 1956 squad piled up a record of 8-1-1. The reason for this great year was that we had a fine coaching staff that worked hard with the team night after night, and a group of boys that stuck together doing their best to win all the time.

THE COACHES

William Kidd—Coach Kidd added another great season to his coaching career. This was another of his many good years with eight wins, one tie, and only one loss. With his great coaching ability, we look forward to good teams in the future. We are proud that Coach Kidd was president of the state coaches' association this year.

Leo Benjamin—Coach Benjamin, the backfield coach, helped the team a lot with all his experience and knowledge. He also helped the team get its spirits up with his pre-game speeches.

Roger Bishop—Coach Bishop, the end and defensive coach, deserves some of the credit for a successful season. He was always doing his best to teach the team more about football.

GAME REVIEWS

Top: Watson helps make the tackle, as Walters and Edie move in.

Center: Raiff, Gray and Walters would like to help Edie.

Bottom: Cooper scores against East Liverpool.

New Phila.—40

Salem—19

The Quakers started out another of their great football years by defeating the Salem Quakers.

The team, with its fine backfield and strong line, could not be stopped, as the score well showed.

Although the night was a bit warm, the Quakers soon cooled off their outclassed Salem opponents.

New Phila.—26

Coshocton—0

The Quakers claimed their second victory of the season when our hard-hitting, fast-running ball club upset their Coshocton rivals.

The Quakers simply overwhelmed the Coshocton team.

New Phila.—21

East Liverpool—19

The Quaker team really showed its fine ability to work as a unit when meeting the tough East Liverpool "Potters."

The Potters may have been rough, but the Quakers took advantage of their opponents' errors.

Our backfield, with its superior kicking, and with the aid of the linemen, came through to defeat the Potters.

New Phila.—0

Wooster—14

The Quakers, of course, could not win all their games, and the Wooster contest was just such a game.

The Generals seemed to command almost every play. But, win or lose, the Quakers gave Wooster a fight. Fight as they did, the Wooster Generals defeated the Quakers.

New Phila.—29

Ashland—0

After losing the previous game, the Quakers came back to gain another victory.

The Ashland Arrows were no match for the Quakers.

GAME REVIEWS

New Phila.—20 Canton Timken—20

The Quaker's most thrilling game for the fans was their game with Canton Timken. The Quakers were fighting hard, but so was Canton Timken. The battle of the two teams continued to the very last second of play.

New Phila.—33 Bellaire—7

After the Quakers were somewhat slowed up by the tie with Canton, they returned to defeat Bellaire.

Although Bellaire was said to be rough, the Quakers put them in their place for another Quaker victory.

New Phila.—54 Uhrichsville—14

The Quakers now had a long list of wins to their credit and to add to this list is the Uhrichsville game.

The Quakers literally tromped their opponents.

New Phila.—48 Cleveland Hts.—33

Once again the Quakers came through with another victory by defeating Cleveland Heights.

Although the score showed that Cleveland was not far behind, the Quakers made most of their points before the other team scored, and stomped Heights for their seventh victory of the season.

New Phila.—72 Dover—0

The Quakers had been waiting for this last game of the season since they started practice in the fall.

Last year Dover was victorious, but this year things were quite different. The 1956 football team literally turned the Dover Tornadoes into motionless air, defeating them by the highest score ever recorded since they started playing Dover.

The students of New Philly High School, should be, and surely are, proud of their hard-hitting and fast-acting ball club and its all-around fine coaches who defeated Dover.

Top: Rolli cuts along the sideline.

Center: Walters and Gray pursue an enemy halfback.

Bottom: Cooper's long gain against Dover results in TD.

This squad, composed of freshmen boys, put in a hard season of football, with one victory, one tie, and four defeats; but having received the instruction of Coaches Harmon and Park, these young athletes should provide the future varsity with a good team.

Syl Harmon—Coach Harmon's teams will always be in there fighting to win when he is coaching. The high quality of his coaching is evident in the well-trained boys he supplies the varsity season after season.

Edson Park—Coach Park, the assistant coach to Harmon, helped the junior reserves very much with his tireless patience.

FACULTY MANAGERS

The efforts of these men are depended upon greatly by the team. Without Mr. Steffen's scheduling of the games, Mr. Zion's taking care of the equipment, and Mr. Howey's taking care of the ushers at the games, we could not have a successful season.

The reserve squad coached by Roger Bishop was combined with the varsity and helped it get used to better competition. This was the highest-scoring squad in N. P. H. S. history, setting new records for both single game and total season scoring. Congratulations, Quakers!

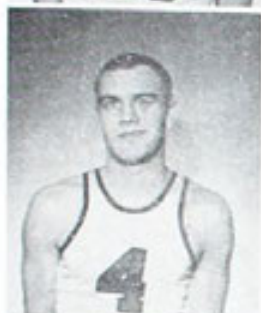

Leo Benjamin—Coach Benjamin put together a great team and completed a fine season. There will always be good basketball teams at N. P. H. S. if he puts his material together as he did this year.

QUAKER CORNERS

Hi Quakers!

Here we are once again with our yearly report on N. P. H. S. We started this school year with a new superintendent, Mr. Leon Force, who came to us from Sebring. Welcome, Mr. Force! School started on September 5 and ended June 4 with five days off for Thanksgiving, Washington's Birthday, Veterans' Day and a teachers' meeting, and then (to the delight of the teachers) the students had additional vacation with the County Fair, Christmas and Spring vacations. Two days before the East Liverpool game a bet was made between the mayors and service directors of New Philadelphia and East Liverpool. Thanks to the Quakers the bet turned out that East Liverpool's mayor and service director came to New Philadelphia and did us the honor of sweeping our public square. October 20 was a special day for seven girls as it was the night of the Homecoming Game and Dance. Sandra Green was our queen and her attendants were Sidney Geib, Janet Williams, Nikki Britt and Susie Hudson, and the pages were Bonnie Voshall and Sandra Winkler. They were treated to a "royal ball" held in the school library after the game.

Above: East Liverpool city officials clean Public Square as football captains Ward Holdsworth and Bill Cooper supervise.

Corner: Ronnie Ludwig and Ted Swaldo study in the old-fashioned way on the Eighth Grade field trip to Schoenbrunn State Park.

Right: "This is the way it works, fellows..." Science Club field trip to the new disposal plant.

Another main attraction during the football season was the fine performance of the band under the direction of Mr. Hanson and led by our Quaker Girl Kay Williams. Our band really looked sharp this year in their new uniforms, provided by the N. P. H. S. Band Mother. Also in the line of music, our N. P. H. S. dance band is to be thanked for providing the "rock and roll" music at the noon dances. There also were noon-hour activities of volleyball and basketball under the supervision of Miss Milar and Mr. Ladrach.

The Beat Dover Parade was once again a success and the Quaker team went along with the spirit and came up with a victory of 72-0 over the Tornadoes. Nice goin', guys! To end the football season with a bang, Bill Cooper was chosen All-Quaker by the students.

The day before Thanksgiving, the annual Tri-Hi-Y Sweater Hop was held, which was attended by the guys and gals in their matching sweaters. The last twenty-four days of 1956 were filled with events, one of which was the annual Y-Teens Christmas Pageant. The Snow Ball was sponsored by the Hi-Y and was held at the Elks' ballroom. The N. P. H. S. dance band provided the music and all enjoyed themselves.

Another highlight of December was the sale of Quaker pencils by the senior class to raise money for their coming activities.

We were honored this year to have one of our girls, Phyllis Christy, come in with first prize in the American Homemakers Contest. Congratulations, Phyllis!

We had two big field trips this year: One was to Schoenbrunn Park for the whole eighth grade. There they attended school as it was done in the old days, with three subjects taught: arithmetic, history and English. A tour was also made of the grounds. The other trip was through the Sewage Plant. Miss Helmick, adviser of the Science Club, along with many members, made a very educational tour of the plant.

On St. Valentine's day of 1957, the junior class had the annual Junior Jamboree. The theme was "Anchor's Aweigh," and the master of ceremonies was Tim Bichsel. It was a dandy show.

Things slowed down a bit until March 30, when the Spring Formal was sponsored by the Tri-Hi-Y. The theme was "Moonlight and Roses."

Above: Standing—Attendants Susie Hudson, Janet Williams, Sidney Geib and Nikki Britt. Seated—Page Sandra Winkler, Homecoming Queen Sandra Green and Page Bonnie Voshall.

Corner: Glenn "Elvis Presley" Shull and Marlene "Marilyn Monroe" Geiser.

Right: The Hi-Y Snow Ball.

Also this month were the elections of officers chosen by the student of both divisions. They gave campaign speeches and two days later we held elections. The results were Tim Bichsel, president; Eddie Wise, vice president; Judy Wheeler, secretary; and Joe Cunningham, treasurer of the senior division. The results of the junior division elections were: Lowell Swartz, president; Kenny Monte, vice president; Janet Walters, secretary; Christie James, assistant secretary; Paul Swartz, treasurer, and Mark McClelland, assistant treasurer.

In April the Spring Carnival was presented by the faculty and students under the sponsorship of Mr. Fishel and a large group of teachers and was again a huge success, playing three consecutive nights to standing room only.

May was the month for the seniors to rejoice. The calendar was as follows: Class Day, May 23; the Junior-Senior Prom, May 24; Baccalaureate, May 26; the Senior Banquet, May 27; and the Commencement exercises on May 28. Good luck, Seniors!
