CHANGING
WITH
THE
SEASONS

During the seasons of our school years, we have all experienced feelings of joy, sorrow, failure, and success. Through these memorable times we have gained strength to carry on, meeting new friends that have patiently listened and lended support to us.

Each season has revealed to us that to help someone is an expression of understanding, to trust someone is a result of true friendship, and that all those involved in the life of the school can change themselves, CHANGING WITH THE SEASONS to bring out a new life in us all.

We hope to display this change in our 1982 Delphian — a yearbook to help us remember the seasons of this school year. In this way, feelings that were once so strong and expressive, that were once so meaningful, shall not be forgotten.

FALL

As the leaves gradually changed to beautiful colors, the attitudes and faces of all people at NPHS also underwent a **CHANGING WITH THE SEASONS**.

Cross country, golf, tennis, football, and volleyball team members worked diligently throughout the season to tackle competition with their best effort. Marching band and color guard devoted all effort towards the task of continuing in their fine tradition of a cohesive, winning unit.

Homecoming activities provided an enjoyable evening. Phila-Dover week brought out pride and emotion, involving many NPHS students in nightly projects that resulted in a colorful pre-game parade and community pep rally.

CROSS-COUNTRY'S FINISH KEYS SEASON

Accomplishing some feats that were pre-season goals, the NPHS cross-country team lived up to their potential by claiming the Cardinal Conference championship for the first time in over a decade. The ultimate in success for Coach Jerry Dawson served as the zenith of an outstanding year for the Quaker harriers. A mid-season crisis that saw the Red and Black slip to 2-2 was patiently worked out through team meetings, perseverance, and grueling training for the remainder of the season. Phila rebounded from the dilemma and reeled off nine consecutive wins before narrowly succumbing to Dover by a disheartening 27-29 score. The final record of 11-3, which included a second place finish at the Dover Invitational, truly provided a memorable season for this year's squad.

Strong senior leadership prevailed throughout the season to form a tightly-knit group that responded to the challenge of winning.

Senior Dave Cox led the Quakers all year long and accomplished a personal ambition by qualifying for the state meet. He was tabbed as the Most Valuable Runner, along with receiving a three-year letterman award. Seniors Troy Jones, Chuck Anslow, and Dana Mackey also earned three-year awards, with Mackey chosen as Most Improved. The Quakers will return nine lettermen — Juniors, Steve Shalosky, Paul Pryor, Brett Warner, Greg Pollock and Todd McClung; Sophomores, Rick Gallagher and Mike Sablar; and Freshmen, Dave Glass and Tony Green.

LINKSTERS ENDURE UP AND DOWN SEASON

New faces dotted the NPHS golf team lineup, but the results were predictable as the Quakers again competitively challenged all foes whom they encountered throughout the year. The 14-12 mark registered by Phila does not truly indicate the aggressive style of play that dominated in all matches, as the hard-luck Quakers needed only a few more breaks to establish an even higher record.

Led by the trio of inseparable Seniors Nick Liberatore, Tracy Tedrow, and Gene Waers, and consistent Junior Steve Liberatore, the linksters rambled over competition in the beginning of the year before slightly slackening off in the latter stages of the season. With the birth of the Interstate Golf League, the Quakers were on the road frequently, but still came in a strong second in league action, in addition to finishing a respectable third in the Cardinal Conference tourney. Coach Jim Kaserman was well-represented in all tournaments by this classy group of young men.

Steve Liberatore garnered many post-season awards, including Most Valuable Sectional Medalist, first-team All-Eastern District and All-Interstate Golf League. Nick Liberatore was presented a three-year letter, along with All-Eastern District and All-Interstate Golf League. Senior Gene Waers, a pleasant surprise for 1981, was also named All-Interstate Golf League.

GIRLS' TENNIS CLAIMS SECTIONAL CROWN

Faced with the grim possibility of not even fielding a team, Coach Dale Denham survived the pre-season scare, and turned out his best Quaker girls' tennis squad in the sport's 4-year history. Compiling an overall record of 11-8 was not an easy task considering the Red and Black netters returned only two lettermen. Long hours of summer practicing and patience plus sharp play in crucial situations brought out the best in this year's rendition throughout the season.

Among the many accomplishments achieved by the girls' tennis team was the first-ever sectional championship and the most wins recorded in one season. Senior Pam Schrader, who was named Best Player and was accorded the Academic Award, and Junior Nancy Sheaffer were recipients of 3-year awards, while Junior Kellie Eichel was recognized as having the best record in singles play.

The sportsmanship exhibited by all the players was great and the desire to excel brought many victories when losses seemed eminent. Twelve girls return next year, headed by lettermen Nancy Sheaffer, Kellie Eichel, Tracy Ross, Leslie Harris, Lisa Enneking, Lori Rogers and Michelle Page, to improve on the high standards set by this year's team.

KARDIAC QUAKERS FINISH KEYS SEASON

Stumbling along without much luck in the early part of the season the Quaker football team shifted into high gear and rose to the occasion of playing sound football. Coach Jim Roman's key changes in personnel resulted in a new look and the turnaround was felt immediately as the Red and Black roared back from the brink to upset favored Cardinal Conference foe Wooster 7-3 on a late touchdown. The fifth game of the season seemed a duplication of the week before as the Quakers edged top ranked Columbus DeSales 10-7, the winning field goal slipping through the uprights with time running out. The second half of the schedule was improvement in all phases as New Phila began to gell frequently and enjoyed continuing success. Exploding offensively against Ashland and Coshocton put Phila in the right frame of mind for the grand finale against the Crimson and Gray. The Quakers, who showed the community and fans a new attitude from the beginning of practice in August, were in the hunt for the CC crown once again.

Riding an emotional crest throughout the first half, the charged up Quakers bottled up the Tornado attack and held their ground. But in the second half the Quakers could not move the ball, leading to a destructive 14-0 defeat. The loss put the seasonal mark at 4-5-1, which included a tough loss to state playoff king Canton McKinley. Again the Red and Black displayed a guttiness typical of the 1981 team.

Senior Rick Leggett remained a bright spot in all areas of the game throughout the season, winning the DeSales game with his clutch field goal. He was named top back. Senior Ed Conklin, Bill Kidd Award winner for 1981, showed vast improvement and was the solid anchor of the line. Senior Jay Tolloti also contributed heavily, as he was named the top two-way lineman, while Senior Steve Stokey received the Hard Nose Award, along with sharing the Academic Award with Senior Dave Snyder. Junior Chuck Walker was the recipient of the Big Play award, being the first junior to ever win this honor.

FROSH FOOTBALL TEAM HAS GREAT SEASON

Outscoring their opponents 127 to 51 points, the Freshman football team had a successful season. They played some very exciting games and fell only to three opposing teams throughout the season. With the encouragement from Coach Edwards and Coach Carlisle, the team had many victorious moments.

Offensively the young Quakers were led by quarterback Vince Miccichi, who threw a touchdown pass to wide receiver Dan Reinhart in every game. The entire squad put forth their best efforts to end the season with a four win, three loss record.

KEY WIN HIGHLIGHTS SEASON

Ending its 1981 campaign on a 5-16 note, the NPHS Girls' Volleyball team improved greatly throughout the season, capping important victories over top-notched teams. First-year Head Coach John Meenan was impressed and pleased with the progressive and spirited ways of his Quakers. He also stated that he expected some very fine and experienced players within the next couple of years.

The highlight of the season came when the Quakers defeated Dover after two previous losses to them earlier in the year. Capturing the Most Valuable Player Award was Senior Mickey Heck, who played consistently throughout the year and spirited the team when they were down. Earning the Top Server Award was Kim Ledrich, who led the team throughout the year in serving with her special skills. With her aggressive play, Junior Cathy Metcalf won the Top Spiker Award.

WE SALUTE THE MARCHING QUAKERS

Sparkling entertainment and lively renditions from the NPHS Marching Band once again paved the way to a year of success and many memorable trips for 1981. Powered by strong enthusiasm and a tremendous effort by all band members helped to bring their stupendous performances to life. Music, motion, and color filled the air, bringing many crowds to their feet.

An unforgettable experience in October at a competition in Toledo brought the Quakers wide acclaim, as they survived a great scare after makeshift bleachers collapsed with all bandsmen seated. Fortunately no one was seriously hurt and the students returned to competition amid thunderous approval from the spectators. Also highlighting the successful season was a trip to Fort Wayne, Indiana for a Regional District competition, where they placed 1st in their class and 4th overall. Numerous trophies and superior ratings capped off another incredible season of mastery.

"FALLING IN LOVE AGAIN"

On a blustery October evening with the chill of autumn in the air, the crowning of Steph Baker and George Kalec as queen and king highlighted Homecoming festivities for another year. The post-game dance, which was sparked with enthusiasm following the Quakers mighty upset of Columbus DeSales, was held at South School and sponsored by the NPHS Student Council.

The enchanting evening was sparked by the theme, "Falling In Love Again," which brought out hidden feelings from many of the couples. The mood was set when the solo dance of the King and Queen was played. The music for this most memorable evening of October 2, 1981 was played by DJ Doug Williams.

QUAKER SPIRIT DOMINATES

Strong enthusiasm swept through the halls, blazing Quaker Spirit all around to make this year's Phila-Dover week one of the best ever.

Phila-Dover week was definitely dominated by Quaker Spirit. It started on Monday with "Spirit Day" and carried on through the week with days entitled "Hats Off to Phila", "Phila Don't Sweat It" and "Phila Will Shine".

The spaghetti dinner was held on Thursday night. The evening was capped off by an explosive and rowdy pep rally that kept the gym buzzing.

Our spirit showed again as the spirit ribbon was rolled out Friday night at the game. NPHS won the Spirit Ribbon Trophy by purchasing 38,783 inches compared to Dover's 3,000 inches.

In future years, events gone by and moments long forgotten will come alive to form a collection of fond memories. Memories that include claiming the first-place float with Chew-Chew 'Em Up, selling candy bars, our final fling at Cedar Point, and the climax of our school years — graduation.

Successful and hard-working, the class of 1982 boasted dedication from officers, students, and advisors. Dedication that will help us remember the good times during our high school days at NPHS.

CLASS OF 1983

The Junior Class experienced another successful year at NPHS. Our Junior year began with the election of class officers. Enthusiasm spread quickly during Phila-Dover Week as we captured first-place in Spirit Ribbon for the third consecutive year, received best mechanical movement for our float and won first-place in the hall decorations with our theme "SHOWTIME".

With the help of our advisors Larry Chaney and Jim Watson, we enjoyed another great year in our projects. Our money making projects included selling tumblers, operating the concession stand throughout the basketball season and sponsoring a dance with "PRECIOUS". The final touch of the year was a successful prom "Somewhere Over The Rainbow", which took place on May 1, 1982, in our high school gym.

CLASS OF 1984

Careful planning and organization brought success to the Sophomore Class. Mr. Lloyd Miller and Mrs. Susan Chapman headed the fund-raising campaigns that included a mug sale and a dance with Uncle Vic of WGCL as disc jockey. The Sophomores were busy throughout the year, beginning with Phila-Dover Week activities that featured building a float and buying spirit ribbon. We ended the school year by dismantling the Prom.

James Cody, President; Cindy Miller, Vice-President; Heather Hagopian, Treasurer; Susie Stocker, Secretary; Elaine Dunn and Liza Zontini, Activities Directors, played major roles in the overall success of the Class of '84.

CLASS OF 1985

Advisors Richard Booth and Phil Louden gave the Class of '85 an exciting first-year beginning at NPHS. After starting the freshman on the money-making trail early, Mr. Louden left midway through the year and he was replaced by Dennis Edwards.

The coloring book campaign successfully earned funds for the treasury. We participated in Philly-Dover Week by constructing a float using "Bugs Bunny" as the theme.

This year's class officers were President — Chris Banks, Vice-Presidents — Lisa Jones and Cynthia Collins, Secretary — Missy Fitch, Treasurers — Anita Hamrick and Barb Bichsel, Float Chairperson — Lisa Warner, and Popcorn Chairperson — Missy Fitch.

Chris Banks (President), Anita Hamrick (Treasurer), Missy Fitch (Secretary and Popcorn Chairperson), Lisa Jones (Vice-President), Barb Bichsel (Treasurer), Cynthia Collins (Vice-President), Lisa Warner (Float Chairperson)

WINTER

A smooth transition from the colorful leaves of fall to the icy snowflakes of winter was eased by a much needed Christmas vacation. Old traditions gave way to new resolutions, as the new year progressed and faces were **CHANGING WITH THE SEASONS.**

The winter sports scene was dominated with spirit as the boys' basketball team captured a Cardinal Conference co-championship. Girls' basketball and wrestling also enjoyed tremendous seasons. NPHS fine arts excelled, with the Wind Ensemble, Concert Band, Concert Choir, and Winter Guards each capturing numerous awards. Social activities were highlighted by the Winter Formal, bringing an end to the busy winter agenda.

WRESTLERS HAVE STRONG FINISH

A strong finish offset a slow start to help the NPHS Wrestlers post a 7-8 ledger in 1981-82. Led by co-captains George Kalec and Ed Conklin, the Quakers fought hard for every victory. Coach Glenn Youngen again piloted the Red and Black helm, leading them to a second place finish in the sectional meet and a second consecutive triumph over Dover, a feat rarely accomplished.

A tougher schedule, coupled with new faces in key positions, were factors in the won-lost record. Those who competed gained valuable experience that will pay off in the future. The grapplers earned a fourth place finish in the districts, and fared well at the conference meet although placing fourth. Conklin, MVP award winner, capped a stellar career by again qualifying for the state tournament. Sophomore Dan Price aided the team throughout the season and was tabbed most improved. The program should be strengthened considerably next year with the return of nine lettermen.

GIRLS' BASKETBALL SPORTS 19-3 RECORD

High finishes were expected from the 1981-82 Girls' Basketball Team, and the final record of 19-3 proved everyone's prediction to be true. This year's Quakers played with security and stability. The tremendous 18-2 record compiled in the regular season was dampened only by two Cardinal Conference losses that denied the Red and Black a share of the Conference crown. Coach Al Kennedy again guided the Quaker fortunes, and the third-year boss worked wonders in forming the formidable squad that took to the floor.

Conquering Zanesville in the sectional finals proved an easy task, the Quakers winning the sectional title for the third year in a row. Stiff competition greeted the Red and Black in the district opener. The game was within reach, but hopes of another Cinderella finish were ended as Miami Trace triumphed by three.

Senior Mickey Heck was the steady influence on the team and led the Quakers in both scoring and rebounding. Seniors Pam Sergeant, Steph Baker, and Diane Cooper played key roles in the success of the team. Juniors Chris Mascotti and Kathy Applegarth offered strong backing to the Phila squad.

Losing four seniors to graduation will hurt, but tradition and skill will carry New Phila for years to come.

QUAKERS CAPTURE SHARE OF CC CROWN

Led by Co-Captains Dave Cox and Jay Tolloti, this year's edition of the Quaker-five was sparked by enthusiasm and a will to win. Returning Senior lettermen Rick Leggett, Kevin Stevenson, and Junior Joe Taralla helped to highlight the season with two key Cardinal Conference victories over arch-rival Dover.

Coach Jim Thompson, who completed his sixth season at the Quaker helm, collected a 14-9 record, which included a Cardinal Conference co-championship. The Quakers improved throughout the season. As the final week of the season arrived, they prepared to meet Mansfield Madison in a do-or-die situation. A victory was necessary to win a piece of the Conference title. A large crowd watched the Red and Black play patient basketball in the first half. Then, in the second half the Quakers heightened the pace and ran away with a share of the crown.

Tournament action looked promising as NPHS carefully eliminated East Liverpool and Zanesville by a total of four points to claim the Sectional Championship. The district opener at Marietta was a heartbreaker for all players and fans, as the Quakers suffered a two-point loss to Athens.

Awards presented at the post-season banquet went to Seniors Dave Cox and Kevin Stevenson, Most Improved; Jay Tolloti, Best Defense; Rick Leggett, Top Rebounder, Top Foul Shooter, and Most Valuable Player.

CHANNEY LEAVES RESERVE HELM

Faces were different, but the results were the same as the Reserve Boys' Basketball team compiled an outstanding 15-5 seasonal slate in Coach Larry Chaney's final season.

Chaney hung up the reins after fourteen seasons as the Quaker reserve boss and leaves a gigantic legend behind him, not to mention the 231-83 record that he has compiled. The scrappy and hustling Red and Black played each game to the fullest and never quit even when the outcome was inevitable. One of the toughest games played all year was a four-overtime nailbiter that saw New Phila rally to claim the decision over Coshocton.

TRI-HI-Y DANCE ENDS ACTIVE SEASON

Consisting of area high school girls, the Tri-Hi-Y of Tuscarawas County again enjoyed a prosperous year with the help of their yearly projects — the Sweater Hop held in November, and the Winter Formal organized in February.

The Formal, entitled "Hearts on Fire," was a great success and the large crowd on hand were entertained by the sounds of Paradise. The gala event was held February 27, a crisp and cool Saturday night for those attending. Well-represented by NPHS students, the dance brought to a close in fine fashion the long winter months that had preceded.

SEASON CHANGES GROUPS NOT PEOPLE

NPHS Winter Guard, under the direction of Mr. Bill Graham competed in many competitions throughout the state. The trip to Syracuse, New York, highlighted the season.

Two separate groups, Kaleidoscope and Fever, comprised this year's Winter Guard rendition. Difficult routines and many hours of practice brought compliments from all spectators. This year marked the third year in a row that New Phila hosted their annual Winter Guard competition.

The Jazz Band enjoyed a busy year under the direction of Mr. Keith Kemner. The twenty-six member group entertained fans at several basketball games as well as performing at social functions in the community including a wedding reception.

YEARLY ACTIVITIES

Throughout the school year, students were active in various organizations that required their time. Each season was supported by a variety of non-seasonal activities that strengthened school moral and increased social involvement.

The CHANGING WITH THE SEASONS brought about a transition that was eased by the all-year activities. The QT's Pom-pom Squad, Cheerleaders, and Red and Black Pack added spirit to our sports program. Other organizations that kept NPHS students active included Student Council, National Honor Society, Delphian Staff, Concert Choir, clubs, assistants and the Scholar Challenge Team.

DELPHIAN STAFF PRODUCES GREAT YEARBOOK

Dotted with new faces and many veterans, the 1982 Delphian staff faced a formidable task of producing this year's book. Advisor Mary Baab guided the Delphian staff through important deadlines and a top-flight sales campaign. Editor Tim Hawk oversaw all layouts and classroom activities.

Staff members worked diligently to produce a tremendous book, and the dedication and cooperation was imminent all year long. From student life to sports, seniors to freshmen, those who contributed did a marvelous job.

Our staff had the distinction of winning second place in the Phila-Dover Week door decorating contest. Carnation sales in February ran smoothly as did the change in format of the book. Aided by outstanding leadership, working on the 1982 Delphian was enjoyed by all.

RED AND BLACK PACK KEYS QUAKERS

Working for the benefit of the Quaker athletes, and working together for a common purpose is the Red and Black Pack. Under the supervision of Mr. Fred Memmelaar, members gave strong support and enthusiasm throughout much of the athletic year. This was strongly displayed during Phila-Dover Week, a week that saw all involved put forth a tremendous effort to key the players up for the big game.

Another project that the Pack was a part of was their fund raiser for the year. Several weeks of selling candy bars raised much-needed funds for future activities.

Members again elected a Quaker Girl after a one-year absence to help the cheerleaders during football and basketball games. Pride in all members showed in all contests as they cheered the Quakers on to many victories.

CHEERLEADERS' ENTHUSIASM WINS AWARDS

HEY — HEY — HEY — HEY, LOOK OUT, 'CAUSE WE ARE HERE! Not only did NPHS Cheerleaders announce the arrival of the fantastic teams of New Philadelphia, they proclaimed the coming of one of the best cheerleading squads in the history of NPHS.

Led by Advisor Chuck McIlvaine, the Varsity and Reserve Squads combined precision, poise, talent, charm, and personality to become recognized as one of the most outstanding cheerleading squads in the State of Ohio. The cheerleaders competed at the 14th Annual Franklin Heights Cheerleading Competition and were chosen as the "Team of Teams" out of a field of 152 other squads.

Promoting spirit in the school and community was the main function of the cheerleaders. They raised money through various projects and sponsored a cheerleading workshop for younger cheerleading enthusiasts which was used to finance camps and to buy new uniforms.

UNDERCLASSMEN DOMINATE SCHOLAR CHALLENGE TEAM

Underclassmen largely comprised this year's Scholar Challenge Team, and faired well despite losing in the first round of the county-wide challenge. Two sophomores, one junior, and one senior made up this year's squad, advised by Mrs. Miriam Rapport. Weekly practices to sharpen already-strong skills were conducted for two months prior to the competition which was held on Cable TV-2.

Jim Moore, Fred Frank, Rob Wherley, Dave Winston, and alternate John Deems, practiced long and hard for the challenge, but were defeated in a close match. Next year's team will be powerful as the sophomores and juniors gained invaluable experience.

COLLEGE DAY CONTINUES IN FINE FASHION

November 11, 1981, brought sixty colleges from the tri-state area to the NPHS gymnasium for the Seventh Annual College Day. Students from all schools in the county made the trip to New Phila to meet with admissions officers of the schools of their choice. The festivities lasted throughout the afternoon and left a vivid impression on all who attended.

REPS ARE FOUNDATION OF STUDENT COUNCIL

Student Council's role at New Phila High School is to provide a forum for student government. Through elections, meetings, and committees, Council strives to make NPHS a better place to be. Student Council Officers were active in OASC — the Ohio Association of Student Councils. Robin Warner, David Bailey and Ruda Baab attended summer leadership workshops.

Many service projects highlighted the year. Among these are: Opening Day Assembly, Homecoming, Phila-Dover Week Contests, Adopt-A-Family, and a contribution to the Jimmy Cusano Fund.

NHS RECOGNIZES SCHOLASTIC ACHIEVEMENT

Fifteen juniors and twenty-three seniors were inducted into the William Fishel Chapter of the National Honor Society. Parents and friends of the inductees attended the May 5 ceremony at South School.

In order to qualify, juniors must accumulate at least a 3.5 grade point average and seniors a 3.25 average. Teachers rated prospective members on the traits of leadership, character, and service.

New members were given pins and cards which were donated by the New Philadelphia Kiwanis. Entertainment was provided by the Delphian Chorale. Inductees were asked to sign a membership book, and refreshments were served after the ceremony. Mrs. Miriam Rapport was advisor to the National Honor Society.

CONCERT CHOIR GROWS IN TALENTS AND VOICES

Our Concert Choir began the school year with a new director, Mr. G. Randall Gibbs. New attitudes and techniques molded the beginning 58-member unit into a superb singing group. As the talents of the choir grew so did the enrollment.

The choir's first public performance was the Christmas concert, "A Christmas Gift to the Community", held on December 6 at the Emmanuel Lutheran Church. The concert was dedicated to Maryanne Russell, our foreign exchange student, performing her last choir concert at NPHS. Other December activities included a Christmas caroling party and a trip to the Lion's Club.

On February 8, the NPHS Concert Choir participated in an educational Choir Workshop at Dover High School. Three other area choirs joined the New Phila Choir to form a mass choir under the direction of Dr. Ivan Trussler, a guest conductor from Bowling Green State University. On March 13, the choir traveled to Stanton High School for a choir contest. They received a superior rating as well as many valuable comments. To end the season, on May 6, the Spring concert was held in the Welty Auditorium. Many witnessed another fine performance by the singing Quakers. A choir banquet was held to honor graduating Seniors and all those who helped make choir a success.

DELPHIAN CHORALE ENTERTAINS MUSICALLY

Nineteen talented musicians formed this year's rendition of the Delphian Chorale. Also known as the Quaker Company, this select group of performing students met five periods a week to work on special ensemble selections.

Numerous public performances including appearances in the Phila-Dover Week Pep Rallies and other community events, highlighted the group's activities. In the Solo and Ensemble Contest, the Delphian Chorale received an excellent rating and rounded out the year's activities with the annual Spring Cabaret and the Choir Banquet.

FROSH CHOIR SINGS FOR EXPERIENCE

Freshman Choir's goal for the 1981-82 school year was to begin to grow in musical development. The small group, directed by Mr. G. Randall Gibbs, began the year with a sixteen member ensemble, growing into a forty-six member choir. They, along with the Concert Choir and Delphian Chorale, participated in "A Christmas Gift to the Community" and Christmas caroling.

The Freshman Choir hopes to strengthen many voices and prepare them to join Concert Choir next year.

BUCKEYE STUDENTS WORK TOWARD FUTURE CAREERS

Offering students from NPHS and thirteen other area high schools an opportunity to learn by doing, Buckeye Joint Vocational School again completed a successful and productive year. Numerous programs are available to train students that will prepare them for the jobs and careers which they have selected.

All students have a chance to be a part of a youth activity that represents the vocational programs in which they are enrolled. The programs are an educational means to participate in local, regional, state, and sometimes national events.

The school also acts as the local outlet for many high school functions, including the Winter Formal and the post-prom for NPHS. Buckeye JVS is an important part of our school system.

FUND RAISERS PROVIDE FUN AND FUNDS

Fund-raisers were the basis of many activities at NPHS during 1981-82. Without the needed moneys, events such as the prom, graduation, and Philly-Dover Week activities would never have been possible.

Dances were very popular and enjoyable with six being held throughout the year by various organizations.

Other moneymakers included the sale of candy bars, M & M's, candy sticks, Quaker license plates, Quaker mugs, plastic tumblers, dried fruit, Quaker lollipops, Christmas wreaths, coloring books, concessions during athletic events, and bake sales. Philly-Dover Week included Spirit Ribbon sales, spaghetti supper, and BEAT DOVER paraphone-lia. Other projects included, carnations for Valentine's Day, football liftathon, and basketball hoop-shoot.

The Delphian Staff extends a "Thank you" to all who supported NPHS activities.

CHANGE MAKES WAY FOR IMPROVEMENTS

Last year the Administrative Offices were moved from the "White House" on Third Street to the former Front School building. This move made possible the demolition of both the former administrative building and an adjacent home which the Board of Education owned. This vacant area was to be created into an outdoor physical education area for the high school. However, due to cutbacks in school funding created by the financial crisis in Ohio, the money was not available to make the necessary improvements this year. We hope this new area will soon be a reality.

APPLEGATE ASSEMBLY ADDS POLITICAL FLAVOR

On Thursday, February 18, 1982, United States Representative Douglas Applegate, visited with seniors during an assembly. Various topics were discussed, ranging from the possibilities of a peace-time draft, to inflation, to Reaganomics.

FITZPATRICK AND ZIMMERMAN CO., L.P.A.

NEW STADIUM COMPLEX ADDS DIMENSION

After nearly two years of planning, fundraising, and hard work, a dream became a reality on March 29, 1982, when the Quaker Club officially presented its Quaker Stadium complex to the New Philadelphia Board of Education at a dedication ceremony in Quaker Stadium. This project will benefit athletes at NPHS for many years.

In September of 1980 the Quaker Club approved undertaking the \$415,000 project. Ground was broken July 4, 1981, during the First Town Days Festival and construction started on August 3 of the same year.

A contribution from the Timken Foundation was extremely important to the financial success of the project. Other contributors included the Reeves Foundation and Fraser Foundation as well as many contributions from individuals and companies. The building was designed by

Marr, Knapp, and Cawfis Association and major construction coordinators were: general construction — Gundy Construction, plumbing construction — Peterman Plumbing and Heating, sprinkler system — Plumbing Contractors and Supply, H.V.A.C. — Sheetmetal Crafters, Inc., and electrical construction — Horn Electric.

The 9,500 square foot complex is located in the southeast corner of Quaker Stadium. It includes locker room facilities for our athletic events as well as a concession stand. It was first used in the spring of 1982 by the baseball, tennis, and track teams. The football team will enjoy the new locker rooms and weight room during the 1982 football season.

The public was given the opportunity to tour the locker room complex after the dedication ceremony, where Randy Fox

of WJER was master of ceremonies. Others taking part in the ceremony were Le Benjamin, mayor of New Philadelphia and former teacher and coach at NPHS, Richard Gummere, superintendent of New Philadelphia City Schools who accepted the keys to the completed project from Butch Goudy, Quaker Club president. Jack Wyrle and Larry Murphy, co-chairmen of the project, recognized many people and companies that made the complex possible; and special guest Woody Hayes, former football coach at NPHS and Ohio State University, made a surprise return to Quaker Stadium for the dedication.

The Delphian Staff, on behalf of the athletes, coaches, administration, and students at NPHS, thanks the Quaker Club and the community for the beautiful locker room complex they have built for our school.

DIAMOND SAVINGS AND LOAN CO.
Three Offices to Serve You
People Count ... the Diamond Difference!

SPRING

Spring was the capping season on a memorable year for all of us. Many long hours of studying and learning were almost over and thoughts wandered forward to summer.

Highlighting the season was the 118th commencement ceremonies, the final fling for the Class of '82. The Prom, entitled "Somewhere Over the Rainbow", was an evening none will soon forget, and everyone will always cherish.

During spring, each individual athlete's performance was combined to booster their team's cause in most sports. One example of how NPHS underwent another **CHANGING WITH THE SEASONS.**

REBUILDING SEASON EXCEEDS EXPECTATIONS

With many unanswered questions at the beginning of practice in March, the New Phila varsity baseball team roared off to a good start and surprised many foes as they compiled a 4-2 mark. Fifth-year Coach Rick Sattler and assistant Jim Watson watched intently as the offense gelled and began to score runs in bunches. The defense played steady all year, and consistently came up with big plays to end threatening innings. Pitching also was a key factor as Juniors Bret Shetler and Bill Amick, and Freshman Steve Gasser worked out of precarious situations time and again.

The team compiled an overall record of 12-7, a fine mark for a year which was considered a rebuilding season. The 7-3 mark the Quakers registered in the Cardinal Conference, although somewhat dampened by two losses to Dover, was good for second place. A quick end on the tournament trail couldn't diminish spirits as a fast finish by the Red and Black was highlighted by the sound fundamental play of the whole team.

Senior co-captain Steve Stokey captured many post-season awards, garnering Most Valuable Player in the conference, top hitter on the team with a .500 average, and the Coach's Award. Junior Bill Amick was honored as the top pitcher, while Junior Chuck Walker was the top defensive player. Seniors Jay Dummermuth, also a co-captain, Bill Miller, Kelly Herron, and Nick Liberatore, and Juniors Bret Shetler, Steve Watson, Jack Hobart, Todd McClung, and Chad Bailey contributed to the Quaker cause.

FINE FINISHES HIGHLIGHT TRACKSTERS' SCHEDULE

The NPHS Quaker track team, coached by second-year mentor Dennis Edwards, enjoyed a fine, rewarding season. The young Quakers ranked in the top three in a majority of the Mini Relays throughout the season coach Edwards was pleased with the fine performances and abilities that his Quakers showed throughout the year and is looking forward to the upcoming seasons.

While notching a 6-3 overall dual meet record, the Quakers ran away with many fine finishes in the Mini Relays that contained highly ranked teams from throughout Ohio. Included among these top teams were Alliance, Jackson, and Massillon. The only disappointment of the season came when the Quakers lost to Dover 77-55.

Receiving awards for the Quakers were Doug Gibbs, Most Improved Track; Ed Conklin, Most Improved Field; Blake Bailey, Most Outstanding Track; Bryan Hadley, Most Outstanding Field; and Al Ledrich, Most Outstanding Track and Field. Kevin Stevenson gained the Senior Scholarship Award while Troy Jones, Dave Cox, and Stevenson earned the Dave Milburn Memorial Award.

VARSITY GIRLS SEND NINE TO REGIONALS

The Quaker girls started this season by sponsoring and running in a run-a-thon. The purpose was to raise money for the new facilities at the stadium. As the season progressed their first victory was a 57-43 decision over Perry. Our Quaker girls ran strong and had an overall record of 7-4.

During the season four school records were broken. The girls who set these records were Lori Howenstine at disc, Chris Mascotti at 200 meter dash, Linda Pryor at the 800 meter run, and Dana Mackey at the 1600 meter run.

Ginelle Hunter, Chris Mascotti, Linda Pryor, Melissa Wentworth, Tracy Canfield, Lisa Whitis, Robin Winston, Chris Furbay, and Natalie Richmond qualified for the regionals.

TENNIS TEAM CAPTURES SECTIONAL TITLE

The 1982 Tennis Team faced a grueling schedule but managed to compile a 10-11 record overall. Third year coach Dale Denham led the Quakers through a worthwhile and enjoyable year.

For the third straight season the team claimed the championship at the Eastern District sectional tournament. Advancing to the districts at Cambridge in singles was Joe McCartney.

The best record in singles was held by Senior Brad Paull with a record of 13-10. Tracy Tedrow and Rob Wherley led the way in doubles with a record of 9-6.

Coach Dale Denham commented on the season as disappointing at times, but the team played hard and had many rewarding experiences while competing. Five returning lettermen promise to make the 1983 season an exciting year for NPHS tennis.

"SOMEWHERE OVER THE RAINBOW"

Couples entering the Junior-Senior prom were awed by the transformation which had taken place in the gymnasium. Those entering rambled along the yellow brick road through a Munchkin Village adorned with flowers, shrubs, and a fountain. They proceeded through a wind tunnel to the Land of Oz.

"Somewhere Over the Rainbow", the prom theme, provided a bright, colorful setting for the May 1 event. Couples danced to the electrifying sounds of Monterey. Robin Pruett and Jay Coutts reigned as Prom King and Queen.

Alexander provided the music for the post-prom held at Buckeye Joint Vocational School. The cafeteria adorned the same bright colors as had decorated the prom. The evening was concluded with bowling and a movie.

ACADEMIC AWARDS NIGHT REWARDS ACHIEVERS

On May 13 in the NPHS gym, students, teachers, administrators, and parents assembled for the annual Academic Awards Night. This night is designed to recognize students who have done outstanding work or projects throughout the year. Seniors who have received college scholarships were also announced.

Terri Virnig and Suzi Clark were named valedictorian and salutatorian, respectively. The Bryce Browning Award was presented to Vicki Maurer. Refreshments were provided by the National Honor Society following the program.

SENIOR DAY PROVIDES NEEDED RELAXATION

Overcast skies and cool temperatures dominated the scenario as the Senior Class embarked on a day long journey to the shores of Lake Erie and Cedar Point Amusement Park. Arriving early in the morning, the 175 seniors began a fun-filled, exciting day. This amazing park, featuring outstanding roller coasters and entertainment, was a playground to all throughout the day.

The Senior Banquet, held in the Blue Coral Dining Room, provided a smorgasbord and featured the presentation of the Best and Most of '82 gifts. Afternoon thunderstorms failed to ruin the enthusiasm of the Senior Class, who upheld tradition with the fifth annual trip. The exhausting trip gladly ended as buses pulled up to the curbstrip late on that May 27th night.

SENIOR DIRECTORY AND STUDENT INDEX

For your convenience, we have included a Student Index with our Senior Directory. Senior' names are written in bold type and underclassmen's names in regular type. Page numbers that show major activities or events in which each student participated are listed after the name. A special "thank you" to our generous advertisers whose names appear in capital letters.

The end of every school year marks the final CHANGING WITH THE SEASONS and a new chapter in the NPHS "Book of Memories," the Delphian Yearbook. This edition of the Delphian will help preserve the memories that played major roles in each of our lives throughout the 1981-82 school year. For the Seniors, it was a final chapter; for the underclassmen, it acted only as a precious addition to an accumulation of memories; for all of us, it recorded a year in the progress of our lives.

Playing a vital part in preserving these memories in the 1982 Delphian was Mitchell's Studio who provided the needed photographic supplies and professional skills. A special thank you to Terry and Patti Barnhill and Bernie Gratz of Mitchell's Studio for their time and patience. We also thank Jackson Photography for the band pictures, Camelot for team pictures, and the Times-Reporter for photos.

This chapter could not have been preserved without the dedication and efforts of each staff member. The 1982 Staff included:

Editor	Tim Hawk
Business Manager	Ruda Baab
Copy/Sports Editor	Jay Dummermuth
Typist	Lucinda Gibson
Treasurer/Assistant Business Manager	Robin Bucher
Portraits	Deanna Swaldo, Jill Ballantyne
Photographers	Jill Hicks, Tammy Mensley, Janet Bell
Student Life	Brian Bernard, Jennifer Huffman
Sports	Roanne Abbuhl, Joni Mathias
Index	Joe Tucker, Susie Stocker
Staff Assistants	Madhavi Shah, Lisa Elliott
Advisor	Jeff Burkey, Cindy Metz
	Michelle McMorrow, Deanna Wyrle, Kim Gallagher
	Mrs. Mary Baab
