OUCH!

The football players didn't have the kind of game they were anticipating.

Ithough the players felt they were ready for the game, they didn't do as well as they hoped. Friday night's blowout was a huge let-down for New Phila fans. The Quakers were held to a scoreless game against Dover. Within the first three minutes Dover's offense had scored twice and put Phila in a lock that they wouldn't be able to get out of. The boys' worked their hardest at practice and in the game but it didn't work out. The final score for the game was New Phila: 0, Dover: 35.

Chantel Richmond had one touchdown and extra point. This flag football game turned rough and the girls proved just how tough they can be.

STRESSED

Yearbook isn't all fun and games.

he fun of yearbook came with many stressful responsibilities. There were deadlines to make and pictures to take, so everyone always seemed to keep busy. Even with the long list of things to do, we managed to still have fun plus listen to Mr. Pry's extremely long "two-minute" lectures. Overall we pulled together to pull off an awesome yearbook.

Time to Represent!

"We are the lady Quakers - it's time to represent!!" And that is just what they did. As the season progressed, the "family" grew very close. Along with Rapheal, Grandma, Alby, Aunt Chen-Chen, Momma H, Little H, Half Pint, and the family pet guinea pig, the overall record of 12-standing in the standing in the girls were toliet papering

the coach's house, watch-ing Kyle's video, or getting into wrecks, they always managed to enjoy themselves. They also learned an extensive new vocabulary such as "forty-five seal", "loose", "knock it down", and "nice shootin' tex". With only one senior, this young team showed what it took to be on top.

Start of New Tradition

One word can be used to describe our senior class... unique! With a creative blend of character, the 2001 graduates bonded together for their final year. Leading the way with new traditions the seniors became the first ever coaches and players in the Dover/Phila powder puff game. Also, led by the spirited Jason Leggett and Mike Johnson, they brought back the historic "Red & Black Pack". Another new tradition brought about by the senior student council officers was the MORP dance held in the spring. Not to be forgotten, the seniors also beat the teachers in the first ever student-teacher basketball game. Overall, the unique class of 2001 filled the final year with spirit, memories, fun, and new traditions.

Taking the Lead

Throughout the year class officers and student council officers came up with fund-raisers for their class and for the school. The freshman class sold popcorn, the sophomores sold pop, and the juniors worked the concession stand at the varsity games. Student Council sponsored the powderpuff game and several dances during the year too. Through hard work, the officers for both groups made the year more fun and exciting.

New advisors take charge.

Much like the popular game show "Who Wants to be a Millionaire?", the Academic Challenge members were using their knowledge, but not against Regis. They were competing against students from other school districts across the county. The team was taken over by two new advisors, Mr. Houmard and Mr. Swingle.

Lending Hands Help

NHS successfully hosted the Acedemic Awards Banquet and served at the Staff Recognition Banquet. They traditionally sold data match results and candy during exams for the students. They also contributed to Share-A-Christmas. The NHS had a wonderful induction ceremony with entertainment provided by Kathryn Noonan and Michelle Roth. The year was filled with many activities that the society was happy to participate in and greatly enjoyed.

Costa Rica

The science club goes south.

If you want to study science there is no better place than being there. Many science classes were used to a trek down to the river to study the environment In January, a group of 21 and 4 staff members had a special opportunity to go to the rain forests of Costa Rica to study and see nature first hand.

At the hot springs the group takes the opportunity to bathe in some mud.

Speaking Out

The German, French, Drama, and Math clubs almost doubled in size during the 2000-2001 school year. The increase in interest stemmed from some of the exciting activities that the different clubs offered. Not only did the Drama Club help to put on a play they also put on a musical in the spring.

At Your Service

Finding time to help.

Many students took the time to become involved in programs that helped out in our community. These programs offered them the chance to become involved in nonacademic settings. Their only rewards were the satisfaction of making a difference.
